Exalted Ruler's Message - Paul Slater

Howdy!
Hard to believe that it is already February 2026! It seems to me that with each passing year, time moves faster and faster..... February will be another busy month for your lodge with activities almost every weekend. I

think the highlight of those activities will be our annual Have A Heart Ball. This annual fundraiser for AEMP is hosted by Lisa Chavez and Cindy Weiss, and their team of amazing helpers. It is guaranteed to be a lot of fun and raise money for both the Steele Children's Research Center and the Elks Youth Camp in the White Mountains. Make sure you sign up for this in the lodge room. By the time you read this article, the officer Ritual team will have competed in the South District Ritual competition. The team has been working hard, and our awesome coaches, Ron Starjnski, Doug Harpold, and Gloria Cisneros, have

been patiently working with us to get us ready to repeat as South District Champions. I wanted to make our bingo players aware of a slight change to our Bingo games. Starting in February, we will take 10% of the pot and donate it to the New Building fund, either for the

Mortgage Burn Down or, once that is paid off, towards the actual new building. Since we are using the lodge room, I felt it was appropriate to turn this activity into a fundraising effort. You will start to see information on our fundraising projects for our new home, as we still have a lot of work to do to make this vision a reality for our lodge. If you look in the lodge room, you will see the new Mortgage Burn down thermometer (Thanks you, Mike Orcutt, for

the good looking display, and Kathy Hernandez for keeping it updated). Happy New Year, and as always, if you have questions or concerns, you can always reach out to me via email (pslates1987@gmail.com) or phone (520.268.2375) Take care, paul

Leading Knight - Kim McIlionie

Charity: The Heart of What We Do When people hear the word charity, they often think simply of giving money. But for members of the Elks, charity means far more than writing a check. It means giving of our time, our energy, and our hearts to improve the lives of others. Charity is not just something we do—it is who we are. From the very beginning, the Benevolent and Protective Order of Elks was built on the principles of Charity, Justice, Brotherly Love, and Fidelity. Of those four guiding virtues, Charity stands first for a reason. It reminds us that our greatest purpose is to look beyond ourselves and to lift up those in need. Every day across the country, Elks Lodges put charity into action. We support veterans who have given so much for our freedom. We help children grow through scholarships, youth activities, and community programs.

Through the Elks National Foundation (ENF), we provide grants that strengthen communities and change lives. The Arizona Elks Major Projects (AEMP) program helps children with

disabilities receive therapy and services that might otherwise be out of reach. True charity is not measured by how much we give, but by the willingness to give at all. A ride to a doctor's appointment, a care package for a veteran, a scholarship for a deserving student, or simply taking the time to help a neighbor—all are forms of charity that make a real difference. As Elks, we are part of something bigger than ourselves. Our Lodge is not just a building; it is a place where caring people come together to serve others. Every member who volunteers, donates, or participates in our programs helps keep that tradition alive. In a world that can often feel divided and uncertain, the Elks continue to be a steady source of hope and help. Charity connects us to our community and to each other. It reminds us that even small acts of kindness can create lasting change. Let us be proud of the charitable work we do—and let us continue to seek

new ways to serve. After all, the greatest reward of charity is not what we give, but the difference we make.

Fraternally,

Kim McIlionie

Secretary's Corner - Mimi Wittenborn

From the Secretary's Desk: I want to welcome Alane PER, DDGER to the office as your treasurer. As I mentioned in last month's article, dues statements went out in January so you should be receiving them soon. Please make sure you get those payments in soon so you don't miss out on any events the Lodge will be having. Remember, April 1 your current key card will not work. Thanks again to my "Elves" for all your work getting the new member cards ready to go. You're the best!! I also want to remind all event chairs to please fill out an event reporting form and return it to me as soon as possible after an event. These are very important to let Grand

Lodge know what we are doing in our community. Thanks.

Past Exalted Ruler Association - Douglas Harpold, PERA President

Hey all of you wonderful Elks! Welcome to February! I hope you all had a great January. February has brought a little bit of change to our Queen of Hearts Game. A winner was drawn and a Prize of around \$15,000 was given. Not a bad day at the Elks for our lucky winner. With the start of a new game, a new rule was added. If the board gets down to 2 cards, and you are drawn, you will now be able to choose to take half of the pot, or select your card and go for the whole amount. You must be present to have the option. Either way, it should be a good payday if 52 cards were already off of the board. This option now allows you a guarantee of a pretty good payout. With the new game, the pot is back down a bit, but you still have the chance to win about \$2000.

Next time you come to the lodge, you may notice that we have a money thermometer hanging in the lodge/dining room. We are trying to pay down our mortgage to get us closer to starting our new home project. We currently have about \$64,000 left to pay off. We would love to have anyone who is able to help, make a donation to help get our mortgage down to zero. Thank you to our recent Queen winner for the donation to the mortgage. Every little bit helps! I hope you all have a terrific Valentine's Day, and I hope to see you at the AEMP Have A Heart event!

ENF Report - Ron Starjnski, PER

Hello Everyone! Enlisted military personnel are often not alone in their sacrifice. Their loved one's face challenges too, from frequent moves that disrupt routines to the long absences during deployments. Children face increased risk of anxiety, depression, and other mental health concerns. Lacey, N.J., Lodge No. 2518 identified this population as one that is in particular need of the support of its community, making children from military families the focus of its Beacon Grant. The Lacey Lodge is located near Joint Base McGuire-Dix-

Elks
National
Foundation, Inc.

Lakehurst, where more than 44,000 military personnel and their families live and work. The Lodge hosted some of the children who live on the base for a day of fishing and outdoor education at the Lighthouse Center for Natural Resource Education. The day set and met multiple goals. First, the Lodge and its partners sought to teach the fundamentals of water safety. Lacey is close to an array of lakes, rivers, bays, and the Atlantic Ocean, underscoring the importance of water safety in the area. The children also learned fishing skills, an activity that requires patience, builds confidence, and encourages outdoor exploration. Members of the Lodge were involved throughout the project, putting their fishing and boating skills to use. Elks offered instruction on casting, knot tying, and the proper

use of life jackets and safety equipment. For 2025-26, the Elks National Foundation allocated nearly \$18 million to fund the Community Investments Program. For 20 years, Lodges have met local needs through CIP grants that offer Elk's opportunities to serve their community in ways that will raise the Lodge's profile, energize the membership, encourage former members to return to the fold, and gain the notice of people who want to be part of an organization that is doing great things. To learn more about the Community Investments Program, visit elks.org/CIP.

Clothe A Child—Leslie Huerta and Cindy LeFaive

Happy 2026 Dear Great Catalina Mountain Elks!

As you know we celebrated another great Christmas “Children’s Clothe a Child” event. The children were so excited and grateful for their gifts, stockings, custom pillow case & pillows, hats, scarves, mittens and pizza party. Sincere thanks to all who provided your smiles, love and happiness while escorting, photographing, working in the kitchen, finance, administration, marketing, house committee, decorating, donating very generous raffle prizes and cash donations!! This signature event is truly a “Team Event Partnering with Road Runner Elementary” and could not take place without “YOU” and we are forever grateful to you for making it so special for the children. Paul Slater, our great Exalted Ruler commented, at one point “I don’t think there was a dry eye in the place”!! It’s true!! The event makes our hearts so full right before Christmas and Easter. On Friday, 1/16/26, Kristina Brewer, Principal, and Chad, 5 th Grade Teacher, Roadrunner Elementary School, visited our Lodge and spoke about the positive difference you have made for the school children over many years. Here are some of their comments and what they’ve heard from some kids: Our job is to educate the children, but if they don’t have a good night sleep, a full stomach, clothing and a decent roof over their head for whatever reason, it’s very hard for a child to learn. An education for them is the best thing to improve their situation. “Our job as Educators with the help of our community is to not just provide academics but to support them as best we can”. “It was the best day of my life”. “It was the first time they saw Santa and Mrs. Claus in person, the kids were amazed”! “In some cases, the clothes, hats, scarves, pillows and pillow cases that we give them are brand new, not handed down, it’s the first time they’ve ever had them, and it’s their size for a change”. “One boy left his jacket everywhere around campus, Chad, his teacher, would tell the student to pick it up, then, when he received his new jacket, his size, with tags on it, he wore it for the next week and didn’t take it off”! I’m so thankful we can do this for these children ~ thank you all!

Veterans Committee - PER Bob Kielsa

Our Non Cash donations have reached \$116,484 Cash donations total \$19,112, and we have \$24,846 in Welcome Home Kits for our Homeless Veterans. This brings our total Veteran donations to \$160,442 for this lodge year ending on March 31, 2026. Please mark your calendars for our Spring Dart Tournament scheduled for Saturday, April 25th. This has been an entertaining fundraising event for our veterans. You can help our homeless veterans by contributing new Undershorts and T-shirts (Med, Lg, XL), Jeans (W 33, 34, 36) and Socks. Please place any NEW items in the White barrel in the lounge and USED items in the Pod in front of the lodge. If you have used heavy jackets/sweatshirts place them in a plastic bag and mark coats for homeless on them. Please place the bags in the pod on top of the round barrels near the door. I will pick them up for delivery to Building 90 at the VA Campus. The weather has turned cold, so any NEW warm clothing you can donate would be very helpful. Again, please place new items in the white barrel in the lounge. As always, a big thank you for your continued support for our veterans!

With February comes the hope of some Spring weather, Super Bowl Sunday and most importantly, our Have a Heart Gala. This event supports the Jack Warter Jr. Youth Camp and The Steele Children's Research Center. It is a night you don't want to miss. Flyers will be up soon. To find out what else we have going on, see the Community Activities for dates and times. As always, our Lodge depends on volunteers and even an hour or two a

month makes a difference. Come to a house committee meeting to find out how you can help out. We meet the first Thursday of the month at 4:30 and our meetings are open to everyone. Hope to see some new faces.

*HAPPY
Valentine's
Day*
