EXALTED RULER'S MESSAGE

Robert Kielsa

I would like to thank all of our members who have sent in their annual dues. I apologize for our flub on **not** sending out all of our annual renewal notices. At the present I believe the number of people who have not paid their dues is right around 60. For your convenience, our lodge is now set up to use credit cards to help you pay your dues. You may call Robin Danielson or Alane Asp at 520-825-0893 to make your payment over the phone if you wish.

In May I spent three days at our state Elks convention in Tempe, Arizona. Our new Arizona Elks Association President is Mike Murphy, out of the Tempe lodge.

Our lodge contributed \$918 in the Exalted Ruler march for Major Projects. Between the march proceeds and other collections, made during the day, we collected over \$100,000 for Arizona Major Projects. Our association also presented a check for \$225,000 to Dr Ghishan, Director, UA Steel Children's Research Center. This represents the first half of our annual donation of \$450,000.

Our Arizona Elks Association selected, in 1992, the UA Steele Children's Research Center as beneficiary of Major Projects funding efforts. The State Elks Association reached a major milestone in 2017 of \$7 million in contributions and committed to funding the Arizona Elks Endowed Faculty Research for Technology & Innovation.

I'm happy to say Lisa Chavez has committed to be the chairman of our Major Projects Committee. I have had a few conversations with Lisa about her ideas on fundraising and she has some interesting ideas for our lodge.

June 14th is Flag Day and I'm happy to say Larry Meghan, and Jim Cox are planning something very interesting. Please come and join us at 10 AM on June 14th and see what these two have come up with.

Our lodge conducted its annual Youth Activities luncheon on May 6th. Gloria Cisneros, Lisa Chavez, Roger Mastro, Larry Wittenborn and Al Peterson presented certificates of recognition for all our winning recipients. A big thank you needs to go out to our volunteer support staff who helped make our luncheon a big success!

We conducted our annual Mother's Day ceremony on May 13th. Although attendance was down the ceremony was a wonderful tribute to those women who played such a big part in our lives.

Without straightening out our delayed membership renewals I'm not able to give you a report on our membership drive but I hope to be able to do so by July.

For all of our members living in their home states for the summer, I wish for you happy, healthy and fun times. For all of our Arizona members, when going out, don't forget your sunscreen! Triple digits here we come!

Students Express Their Appreciation

By Pat Cox

Wilson Elementary School students were so impressed with *The Wall That Heals*, a replica of the Vietnam Veterans Memorial in Washington, D.C. that they wanted to thank the community volunteers who made the exhibition possible. The students created an American flag with their handprints that included thank-you messages and presented it to Bring the Wall Board members, Dan Bradshaw, Gloria Cisneros, Lisa Chavez, Bob Kielsa, Larry and Mimi Wittenborn. The flag was shared with the membership on a Queen of Hearts night and will make the lodge its permanent home.

While thinking about this months selection I was amazed at how quickly I thought of Judy Humitz our House Committee Chairperson. The responsibilities of the House Committee Chairperson is long and varied. Judy manages the bar and cook personnel as well as the cleaning crew. She also oversees food supplies, the House Committee and most of the meals served in our lodge. If you cook for your family you know how difficult it is to make something everyone likes and/or is willing to eat. Imagine trying to cook for not 3 or 5 people but 30 or 50 people. Oh, and on top of that charging a price that people are willing to pay plus the need to make a profit for the lodge. With the addition of a new cook and the need for more interesting meals to serve within a budget just adds to the responsibilities of the chairperson. With all that said she still returned for a second year. Congratulations Judy and thank you for all you do for our lodge!

Simmering Summers

We have suffered the winds of May...
our sinuses survived doomsday.
But summers are hot, and we should not
ever from the pool far stray.

PER ASSOCIATION

By Steven Asp PER

The PERA has a rather interesting financial situation; we have funds from the Queen of Hearts game that are required to be used in a charitable fashion and we could use some assistance in identifying where there is need. Along that line, you may remember last year we received a Community Reward Grant from AEMP that allowed us to donate \$1000 to Impact of Southern Arizona for use in their eyeglasses for needy student's program. The Lions Club vision screening program had found that 28% of high school students and 17% of elementary and pre-school children needed glasses. The need is still there and the PERA voted to donate another \$1000 to the effort in providing glasses to needy kids. Pictured below, PERA President Steve Asp and ER Bob Kielsa presented a \$1000 check to Barbara McClure, Executive Director of Impact of Southern Arizona last month.

In Memory of Charlie Serventi

He is with God but fame will stay,
a Brother Elk in every way.
In BPOE he rose to fore,
and for our Lodge no one's done more.
He tutored us from seed to goal,
ensured we fit the Elkdom role.
Ever there with helping hand
to avoid a path's quicksand.
As Elk and friend he'll always be
held in our hearts eternally.

HOUSE COMMITTEE

By Judith Humitz

Well it's that time of year for Spring cleaning so members of the House Committee started with the complete cleanup of the Liquor room. Jan T., Betty, Mimi and Kathy attacked what was a mess and completely cleaned and re-arranged things where you now can find what you're looking for. Pat & Rod Iverson and I started on the kitchen.

After a few hours and many dead insects were disposed of, all the kitchen except Pot & Pans have been scrubbed, old items removed, and food items re-arranged as to category etc. The fan in the kitchen now looks clean and new as do the cupboards.

Our new cook Amy has now had a few weeks to experiment and determine what our Wednesday dinner people want and is working on new menus all the time while trying to keep within her budget. As all of you know prices have risen quite a bit so it hasn't been an easy task. In June Amy is planning to serve Lasagna on 6/6, Potato Soup & Chef's Salad on 6/13, Meatloaf on 6/20 and Broccoli Cheese Soup, Ham and cheese sliders and Salad on 6/27. Please come and join us. Any request is appreciated because we are trying to please all. Not any easy task.

June 1st. we'll start off the month with Karaoke in the lounge. Our Karaoke is complete entertainment with members participating with their great voices plus lots of humor. Don't miss it.

Monday June 4th is Crazy Shirt day. Wear your craziest shirt and join us for pictures and fun.

June, July and August will start Bar Beef Taco Tuesdays. Tacos will be \$1.00 each and served in the bar area along with our nachos.

June 16 will be Trivia, run by our Trivia Specialist Jamie. It's at 2pm with cash prizes so make sure you join us for Trivia, munchies and drinks.

June 17th. we'll be having a Father's Day Potluck. Sign up to bring a dish and join us.

Texas Hold'Em is June 10th and the 24. Sign up sheets are in the lounge.

The committee has planned the August, September & October events. August will be a Beach party, September a 60-70's party and October 20th. our Night Under the Stars. More information next month.

May brought a wonderful event, Mandy W. one of our bartenders graduated from U of A with her degree in Civil Engineering and is now working in her field. We're all so proud of her and her accomplishments. What a great future ahead for her and Camron. Left are members who helped her celebrate.

LODGE ACTIVITIES

By Jan Trudeau

It's June and you can tell that summer is just around the corner. The temperatures are in the 90's- soon to be the 100's and the snow birds have flown north for cooler climates. The whole town slows down, as do we here at the Elks. But, we do have a few activities planned for June.

Karaoke will start the month off on Friday June 1st. Come and join us for all the fun and frivolity. The Texas hold 'em card games are scheduled for 2 Sundays this month. The 1st round happens on Sunday June 10th and round 2, on Sunday June 24th. Please sign up in the lounge if you are interested in playing. We need to know how many tables to set up. Saturday June 9th, we have Bingo scheduled. Please come down at 2 PM to play and have some fun. Saturday June 16th we are having Trivia again. Jamie is planning on having lots of interesting questions and subjects. Come on down and give it a try, it's really a good time. The fun starts at 2 PM.

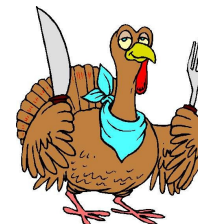

Sunday June 17th is Father's Day. We are planning a casual gathering to honor fathers. We are having a potluck-the lodge is bringing the hamburgers and hot dogs, and we are asking others to bring their favorite dish to share. We will have a sign-up sheet in the lounge. Please join us for some fun times and good eats.

On Thursday June 14th, the Elks are presenting a Flag Day ceremony and flag retirement event. It starts at 10 AM. We have scheduled an ex secret service agent as a guest speaker, giving a history of our flag from day 1 to the present. The American Legion will be conducting a flag retirement ceremony afterward. Please come join us for this awesome event.

Don't forget that Taco Tuesday is still here-just a little different. The "Bar Tacos" will be available in the lounge. Just beef and hard shell with cheese, lettuce and salsa-just like they used to be served. The cost will be \$1.00 each. The taco bar will resume later in the fall.

Community Activities

I know it's early, but please put September 11th on your radar. We will be honoring our firefighters, here and departed, with a full turkey dinner on this special day. We will do this again to remember those who sacrifice their lives every day to protect us. The day is Tuesday this year. There will be more details in the next Bugle, and I will put up a sign-up sheet in the lounge. Thanks in advance for your help.

Catalina Mountain Youth Week Awards

By Pat Cox

Catalina Mountain Elks Lodge honored students at a celebration marking Elks National Youth Week in May. Youth Activities Coordinator Lisa Chavez organized the youth awards program and acted as master of ceremonies. The guest speaker was Lieutenant John Teachout of the Oro Valley Police Department.

Three outstanding high school seniors were awarded \$1,550 scholarships from the Benevolent and Protective Order of Elks National Foundation. Catalina Mountain Elks Scholarship Chairman Roger Mastro presented the awards to Max Atkinson, Pusch Ridge Christian Academy; Terry Parish, Basis Oro Valley Charter School; and Ryland Phipps, Arizona Connection Academy. The scholarship recipients plan to attend the following institutions: University of Arizona, University of Alabama, and University of Arizona Honors College, respectively. The scholarships are awarded to top high school graduates across the country based upon their academic achievements, leadership skills, extracurricular activities, and their participation in community services.

Six students from Coronado Middle School in Catalina were the winners of the Catalina Mountain Elks Americanism Essay Contest. This year's theme was "Why Our Veterans Are America's Heroes." Yiena Cotal, Emily Stillwaugh, and Valerie Maynard were selected from the 5th and 6th grade division; Jude Ginther, Landon Hampton, and Julie Lewelling were selected from the 7th and 8th grade. The students were presented certificates by Lodge Americanism Coordinator Al Peterson.

VETERANS COMMITTEE

By Belinda Waller

Welcome to a new year for the Catalina Elks Lodge. I have been appointed chair of the Veteran Committee. We will see how this works because I really will miss Bob's input and direction. He has said that he will still help, but I think he will have his plate full with the activities of the Exalted Ruler.

Working with the Veterans is great!! They appreciate everything we do for them. The clothing we collect is for all veterans and their families at no cost.

2017-We missed our goal of \$50,000 of donations by only \$8195. So this year let's make that \$50,000!!!

2018 - April donation \$2070.00, May donation \$3737.00. We are off to a good start !!

The second Wednesday of each month we meet on the lodge patio at 1:00 PM to collect and count clothes. A POD is located in the main parking lot for donations. (Please do not leave house hold articles). We accept men and women's clothing, books, and toiletries. Suits, ties and formal dress are accepted also. (So they can apply for jobs and attend weddings and other functions)

The veterans committee will be working on a couple of other projects during the next few months. Collecting NEW men's underwear and socks (all sizes), and identifying if any of the wheelchair vets need assistance to repair or replace sporting equipment or if any of them need finical assistance to attend the games.

If you wish to participate with the veterans committee either by assisting in the monthly count of the clothes, the lunches we provide to the Blind Veterans and the Wheel Chair veterans or other activities, please contact me at belindawaller@gmail.com

Catalina Mountain Flag Day/Flag Retirement Ceremony

by Pat Cox

A Flag Day and Flag Retirement ceremony will be held at the lodge on Thursday, June 14, 2018, at 10:00 a.m. The Oro Valley American Legion Post 132 will retire service-worn American flags with dignity and respect at the conclusion of the ceremony. Refreshments will be served following the event.

Lodge officers and members, Oro Valley American Legion Color Guard, and keynote speaker, Garry Jenkins, a retired secret service agent who served six presidents, will participate in this inspiring ceremony. Plan to attend this patriotic event to honor the symbol of our great country and to show your support for our veterans and the valiant men and women who are fighting to defend our freedom.

A practice will be held on June 2 and June 9 from 1:00 to 4:00 p.m. for all the participants. Please stop by the lodge during that time frame on either day. If you have any questions, call PER Jim Cox at 825-8582.

PICK-UP JUNE 16TH @ 7:00 AM

By Betty Cook

It's time to have another pick-up on SR-77 Mile Markers 82-83 on Oracle Rd. We meet in the Walgreen parking lot, near the Chase Bank, in Rancho Vistoso, at 6:45 A.M. to get the vests & "picks." There's a sign-up sheet in the Lounge by the door so please volunteer – the more people we have, the less time it will take. I know June is reportedly the hottest month here in Tucson & that's the reason WE'LL START THE PICK-UP AT 7:00 A.M., INSTEAD OF 8:00 A.M. We've initiated quite a few new members since the last pick-up. This is a good opportunity "to get involved. If anyone has any questions, call me @ 825-7566 or see me at the Lodge. ALL MEMBERS, SPOUSES, KIDS ARE WELCOME!!!

Arizona Elks Major Project News – June 2018

There is more work to be done!

When I went to school in the early 1960's there was a kid in my class who walked on shiny silver crutches. He worked hard just to get around, and just sat on the side and watched when the other children played. The teachers said he had survived Polio. Thanks to some great research by Jonas Salk, polio has been eliminated in the United States and 99% of the rest of the World. But there are still children who must sit on the side and watch because of medical issues.

At the UA Steele Children's Research Center Physicians and Researchers are working hard to eliminate Juvenile Diabetes, Pediatric Cancer, Crohns Disease and a host of other Autoimmune conditions that complicate and threaten the lives of children. How much longer will children have to wait, and watch. Research takes money. Office space, equipment, researchers, computers, the list is endless.

If every Elk in Arizona gave just \$10 per month, we could provide over \$2.5 million dollars every year. That would increase our annual gift by \$2 million dollars per year. THANKS to all the lodges print these articles, have fundraisers, take their title – Benevolent -seriously. The Benevolent and Protective Order of Elks does not offer a "Club" membership. Taking the obligation, gives one the title.

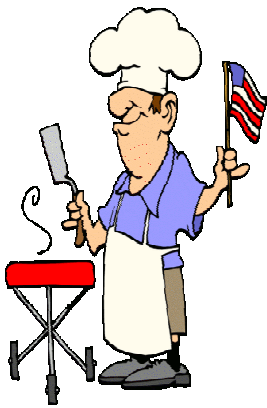

There is no more Benevolent act than reaching out to help a child. This is no better way to help a child than through AEMP.

Jimm Krausman, Executive Director, Arizona Elks Major Projects, INC.
