**Robert Kielsa**

I would like to remind all of you the Night Under the Stars event will be on Saturday, October 27th. Our music will be provided by the Greg Spivey Band. We will again have a raffle which will provide for \$500, \$300 and \$200 prize money. Tickets have been included in your Bugle this month for your convenience. You will also be able to purchase more tickets at the lodge during the event.

I have received a number of requests for our lodges help. Because "ELKS CARE AND ELKS SHARE" I will try to give you some understanding about each request.

During each of our two state conventions all lodges collect new and used children books for the Steele Children's Research Center. We attempt to give each child a book while they are being treated. Your donation can be dropped off in the green barrel in our lounge by Wednesday, October 17th.

Our Arizona State Elks Association's First Lady, Debi Murphy has requested \$20 Walmart gift cards for our veterans. Your donation can be dropped off in the green barrel in our lounge by Wednesday, October 17th.

Our contact for the Homeless veterans has asked us for bags of disposable razors and white crew socks. Your donations can be dropped off in the green barrel in the lounge area. Before our next count, on Wednesday, October 10th, I will gather up what we have and make a special trip to deliver our contributions to our homeless veterans.

Our Arizona Major Projects Raffle will end on October 20th during the convention. As you know, all money raised goes to the Steele Children's Research Center and our mountain camp for kids. Tickets are \$5.00 apiece or 3 for \$10.00. There are tickets behind the bar and I also have some for sale. The prize this year is a John Deere 4 Seater Gator with a 14 foot trailer. You need not be present to win but you must be 21+ years old.

As you read in my September article, after 52 weeks, our Queen of Hearts was uncovered on Friday, August 17th. My best guess is that we will have over \$5,000 in our pot by the time you receive this publication.

I want to take a moment and wish all of our travelers, heading back to our beautiful state, a safe and fun trip! I look forward to seeing you back at the lodge!

## LEADING KNIGHT

By Gloria Cisneros PER

Can you believe it is already half way through our Lodge year? What amazing charitable paths our Lodge has taken since April 1<sup>st</sup>. We are on our way into the time of the year where Charity comes to the forefront of the saying "Elks Care, Elks Share". With the Holidays approaching, please take time to be a part of the wonderful events our Lodge participates in

that impact so many lives in our communities.

Sometimes when we get so busy in life, we feel we don't have time to volunteer anymore. After awhile, you may lose sight of what donating your time or money means to others as well as to yourself. I think my favorite part of giving is the knowledge that I am helping others and it really makes me feel happier, more fulfilled and accomplished. Having the ability to improve the lives of others, even by doing to smallest thing, is a very powerful feeling. When you are feeling anxious about life's struggles, you will be amazed how doing good for others can take you to a whole other part of life that will be calming in a unique way.

Leading up to and during the coming Holiday season, try sharing your donating experience to Lodge charities with your children or grand children. It shows them from a young age that they can make positive changes in the world. We have several young kids at our Lodge that have been donating their time for years and you see the kindness that has develop in them over that time. Children naturally love to help others, so by teaching them to look out for others gives them a greater appreciation of what they have. These amazing kids are the future of our Lodge and Country. It is also amazing to see how having one child doing good for others can rub off on their peers and their families which can create a flood of good deeds occurring everywhere.

Unfortunately, nowadays, many people are concerned that their monetary donations to charity may not even go to the people or causes they really want to help. That is why your donations to our Elks activities is so gratifying. You don't have to question what is being done because you can see and experience it.

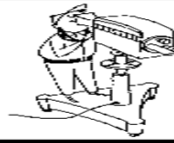

Many members are not capable of getting out and physically helping with the Soccer or Hoop Shoot or go shopping with a child at Christmas. If we all had the time and ability to do everything ourselves there would be no need for charities at all. That is why your help can be donated in other ways to support those in need.

Again, I would like to thank all our Members who donate their money, time and energy to all the great events we will be having in October.

*"Dedicated hearts like yours are not so easy to find. It takes a special person to be so generous and kind."*

### BOARD OF DIRECTORS MESSAGE

Please do not obligate the Lodge to incur expenses without going through the proper procedures. The primary contact for physical property expenditures should be the Chairman of the Board of Directors, Jack Baillargeon. The expenditures are then brought before the Board to discuss and then taken to the Lodge meeting for member voting. If funds are spent by individuals prior to Lodge approval, the individual may be personally liable for that expense. Thank you for your understanding of the diligence needed when dealing with Lodge funds.

## ELK OF THE MONTH

Joyce Garcia

I had the privilege to work with my choice for Elk of the Month in September. I was amazed at the amount of work she put into one of her many contributions to our community. I want to thank Joyce Garcia for all the time, work and her own money into a number of her initiatives for children. I found out she buys, with her own money, all 300 of the dictionaries she personally hands out to third graders. Joyce loads her books into her vehicle each day for her trips to the schools. She has such a great relationship in each school and to watch her introduce the children to what the dictionary can teach them is a joy to behold. In-addition to the dictionary program, Joyce also coordinates our annual children's Christmas shopping spree which helps many deserving children. Also, Joyce has helped with veterans initiatives, Steele Children's Research Center and art supplies for needy schools. Thank you Joyce for all your wonderful hard work for our communities children and your exceptional representation of the Catalina Mountain Elks Lodge #2815!

Wow! What a Queen of Hearts game!. I was hoping it would make it through July and was surprised it made it half way through August to just three cards left. Congratulations to our winner Jeffrey Osborn who picked the Queen for an over \$25K win! Let's hope the new game lasts that long...

The PERA continues to dole out the proceeds from the Queen games. We have identified several charitable recipients as well as some improvements and needed items in our Lodge. Another \$200 was approved for sports equipment at the Youth Camp. We provided \$500 for the turkeys for the Patriot Day firefighter meals. More than \$1500. was donated to Impact of Southern Arizona for the food bank there. Desert Woodcrafters needed some money for equipment to make toys for needy kids and we gave them \$500. Whatever expenses involved with our Soccer Shoot and Hoop Shoot will come from the Queen of Hearts fund. We also provided over \$360. to purchase new game tables for our popular Texas Holdum sessions. We are still looking for a WWII veteran to send on Honor Flight. It is also open to Korean vets, so if you're interested, let us know.

## HOUSE COMMITTEE

By Judith Humitz

Hi fellow Elks, September has been a fun month starting with making Turkey dinners for the Golder Ranch Fire Department on Patriots Day.

To the right is a picture of the C-Shift from Station 375 along with volunteers John C., Pam & Harry plus fire personnel Captain Steve, Engineer Bryan, Paramedics Mitch and Zach, and Firefighters Jake and Kurt. They really appreciated the Elks doing this for them. Great young men. (Not pictured volunteers Judy & Peg L.)

On September 15 we did the 60s & 70s Trivia. We started out with a great Potluck at 5 pm and followed with Trivia at 6 pm. The players put teams together with a 1st. Place, 2nd. place and 3rd. Place. All seemed to really enjoy it especially the ones who went home with money.

Our Wednesday night dinners have been going great with volunteers cooking up their specialties. We want to thank Betty for her meatloaf, Kathy for her Swedish Meatballs, Jack & Gail for their Lasagna with Italian Sausage and Alane & Steve with their Salisbury Steak. October's menu will be Beef Stew, Marinated Steak, Spaghetti with Meat Balls and Chicken. On Wednesday the 31st. we're having a Halloween Potluck.

To the left are two hardworking Wednesday night volunteers Mary & Betty.

To the right is Kathy our Bartender showing off her Birthday Tee. Kathy celebrated with a cake and a lot of goodies. She had a great Elks type Birthday.

Upcoming events are Karaoke on October 5th, NFL Football every Sunday, Texas Hold'em on October 6 and 20th. Remember Tacos are back in the clubroom with the Taco Bar available. And the Big Event is of course "Night Under the Stars" on Saturday October 27th. We have Greg Spivey back with his band which seems to be a favorite of a lot of members. VP Dan Snyder and his First Lady will be attending. The menu for the night is Prime Rib, Baked Potatoes & Green Bean Casserole. There will also be our big Raffle for the night. Please sign up fast as we can only handle the first 80.

Looking forward to seeing you all at the Elks in October.

The Night Under the Stars event happens on Saturday October 27<sup>th</sup>. Join us for a night of fun starting at 5 PM for cocktails, and dinner at 6 PM. Please sign up and pay in the lounge.

## COMMUNITY ACTIVITIES

I want to thank everyone who helped shop, cook, donate and deliver the Patriot's Day dinners on 9/11. A lot of time and effort went into making the dinners for the 10 firehouses in our Elk's district. We strive to show our support for our first responders, both here and in the past for their sacrifice for all of us.

I'm very proud to announce that our lodge participated in a "corporate sponsorship" with the local food bank. We purchased 500 bags of rice and some soup for Impact of So Az, to distribute to their clients in the month of October. This event was possible because of the generous donation of monies from the PER's and the Queen of Hearts. Pictured are Bob KielsaER, Jan Trudeau- Community Activities, and Diane Poskus- food bank coordinator.

# AEMP October Newsletter

The Steele Children's Research Center and Dr. Ghishan have extended an offer to a candidate to fill the Elks Endowed Chair in Neonatology! The candidate, Mohamed Ahmed, MD will be joining the Steele Center along with his wife, Nahla Zaghoul, MD. Both Dr. Ahmed and Dr. Zaghoul will be joining the center from Hofstra University/Cohen Children's Hospital in New York. They will be starting in January 2019 and the level of excitement is palpable at the center! To be able to add their clinical and basic science expertise to the Neonatology Division is both an honor and a testament to the level of research and care being done there.

September was Pediatric Cancer Awareness Month and a family from Tucson who participated in Steele's Haploidentical Bone Marrow Transplantation study lead by Dr. Emmanuel Katsanis, are one of the first successes to report. Essentially, this study opens up the potential donor pool for children who need a transplant. This clinical trial allows first-degree donors (think parent, sibling, etc.) who may not be considered a suitable match with current treatment protocols, to be a match. Traditionally, donors must be nearly identical in order to be considered a match-- this protocol allows for a donor to be 'half' of this. It is truly a remarkable study being done at the Steele Center that will save lives across the world.

It is through our support and dedication that these achievements in neonatology and bone marrow transplantations are happening. The Steele Center has become the top choice for families across the country (and even around the world!) to come and be treated for various pediatric diseases and disorders. The care and knowledge that they are offered is truly one of a kind. Continuing our efforts is crucial to the lives of so many children across the state, as well as across the country.

On behalf of AEMP and the Steele Center, thank you ALL for your support and passion towards improving the lives of children. After all, children's laughter is what we're after!

Executive Director  
Arizona Elks Major Projects

## VETERANS COMMITTEE

By Belinda Waller

Well I'm glad to say goodbye to the triple digits and hello to our beautiful Fall temps! We have had a fair summer for our veterans collections. We ended with total contributions for our first six months of our Elks year of \$18,755. I'm hoping collections pick up when our Snow Birds return. Here is a special reminder to our travelers, please bring in any unused toiletries you collect on your travels.

The Veterans Committee has set a goal of \$50,000 in donations for the 2018 - 2019 year. As a reminder, we collect mens and women's clothing, books, CD's, DVD's, travel (small) toiletries and small bottled water. As we approach the cool weather, jackets, sweat shirts and backpacks are also needed.

Our October State Convention is scheduled for the weekend of October 19, 20 and 21 in Tempe, AZ. Each year the new President of our Arizona Elks Association's wife asks the lodges for help in some charitable drive. This year, 1st Lady Debi Murphy has requested we contribute \$20 Walmart gift cards for our veterans. If you can help in this drive please either drop them in the green veterans barrel in the lounge, or give them to Belinda or Bob.

We made a delivery of our collection to building 90 on the Southern Veterans Campus on the 24th of September. I asked if they had any special needs. Our contact, without hesitation, said disposable razors and white crew socks. He indicated that with the 14 we brought in, he now had 14 razors. Again the green barrel in the lounge can be used for your donation. Our collection date this month is Wednesday, October 10th at 1 PM on the back patio. Your donations can be dropped off in the POD located in back parking lot.

Co-Chairs, Belinda Waller and Bob Kielsa

By Pat Cox

Members of Catalina Mountain Lodge prepared and delivered turkey dinners with all the trimmings to ten fire stations in the Golder Ranch Fire District on the 17<sup>th</sup> anniversary of the 9/11 terrorist attacks. These dedicated men and women provide service to Catalina, Oro Valley, SaddleBrooke and southern Pinal County. The Lodge has provided dinners for firefighters since the year following September 11, 2001, to express appreciation for the valuable service our first responders provide to the community.
