EXALTED RULER'S MESSAGE **Robert Kielsa**

Well November was sure a blast to say the least. We had two senior officers from our state association visit us. **Thank you to all the officers and committee chairs who wrote reports and were able to attend the meetings.** I think we scored well because of all of your efforts! The Night under the Stars was a huge success with 80 people attending our event. **A big thank you to all of our event volunteers and House Committee members who so thoroughly planned and executed that plan!**

As we normally do each year, we are collecting gifts for our veterans (socks, under shorts and T-shirts, which need to be wrapped and tagged with item and size. Please place the gifts in the green barrel in the lounge by Thursday, December 13th. A number of us will be going to the VA hospital to deliver our gifts and visit with our veterans on Friday, December 14th. If you're interested in participating in this event, please talk to Belinda Waller or Bob Kielsa.

We have also acquired all the gifts for 10 of our veterans in the Arizona Veterans Home located in the Southern Arizona VA Health Care System complex. There is a party for the distribution of all gifts provided by Arizona Elks lodges on Wednesday, December 12th. If you're interested in participating in this event, please talk to Belinda Waller or Bob Kielsa.

I'm happy to report that we will be having a number of upgrades in our lodge within the next month or two. The Beauty/Barber Shop outside walls were in poor condition with faded and cracked stucco. By the time you receive this December Bulge, the building will be sealed and painted.

For improved security and membership safety we will be installing a new camera system that will cover the inside and outside of our building. In addition, we will be installing new external lighting that will provide for a safer lot for night parking.

I have been talking to new members as well as visitors to our lodge. In particular, I'm trying to gauge non members and new members reactions on the friendliness of our lodge. I try to introduce myself to strangers who come through our front door and once they know who I am, I've had people tell me, before they leave, how they felt about our lodge. I've heard such things as "what a warm and friendly reception when I walked through the door, or, I was engaged in conversations before I sat down." Thank you to all our members for their wonderful greetings of people walking through our front door.

LEADING KNIGHT

By Gloria Cisneros PER

The holiday season is here and it's the time of the year that Charity really shines in our Lodge.

I have participated in the stuffing of the Thanksgiving bags at Golder Ranch Fire Department for quite a few years now. It's the kind of event that sounds simple enough that a lot of people don't take the time to participate. When you get there and set up the empty paper bags – 250 this year – you take a look and think that is going to be a lot of food! It does not take very long and consists of our Lodge's amazing teamwork to make sure every bag has the appropriate amounts of food in them. When you step back and see the filled bags and think how many people this will be benefiting, it makes you feel really great inside. You won't be disappointed to come down and participate in helping to make a family's holiday so much nicer. It is always great to see new member's faces every year and thank you Jan Trudeau for setting everything up for us to be involved!

Our annual Lobsterfest will have occurred on December 1st. Yet another example of great charity work by our members. This event is put on by the Past Exalted Ruler's Association of our Lodge. Everyone volunteers to come in and take care of our amazing customers who attend. The profits are used to benefit Lodge charities. These same PER's take their turns to run our very successful Queen of Hearts every Friday night – great people with big hearts – Thank you all!

The Children's Shopping Spree will also be happening and to see the many volunteers come out to support this one is heartwarming. Volunteers take the children shopping and then additional volunteers are at the Lodge waiting to feed the hungry kids. Santa and Mrs. Clause are dedicated members who play their parts so beautifully! We will have Officer Davis from Oro Valley Police Department there to give a message on Drug Awareness – please thank her for donating her time to help educate our future generations. We have members who donate all the pizza, cookies and gifts – makes your heart feel so full of warmth.

For all the new members, if you haven't signed up for an event yet, I strongly urge you to do so over the holidays. The smiles you will see from the recipients will be with you until next year when you can do it all over again. Wishing you all a very Merry Christmas and Happy New Year!

The charity that is a trifle to us can be precious to others.
Homer

ELK OF THE MONTH

As I have progressed through my year in office, I have tried to identify Elks who have been major contributors to our success as a lodge. Sometimes the person I call out is quite visible to our general membership. You, the membership, can see and appreciate that person's contributions to our lodge. This month I have chosen an individual who has operated in the background, by supporting her husband in so many functions and initiatives in the past. She helped in the early years of our lodge's struggles. Her help in the kitchen has produced many great meals. She has been a mainstay in the support of the lodge's management success.

When the ER is voted into office, the stress of the office does not end with the ER, it also engulfs the mate of the office holder. Imagine having to suddenly have to chaperone and entertain strangers called the wives of the 1st Vice President and the District Deputy, or going to the National Convention to represent our lodge. What do you say, what do you wear, what gift do you buy, what do you do, in so many social functions? Well, that's where Gail Baillargeon comes in. Gail has been instrumental in guiding and counseling ER spouses over the years. On my acquisition of the ER position, Phyllis had no idea what to expect. For a person not comfortable with public scrutiny and the expectations that would be placed on her, let's just say she was a "bit" concerned. Gail took Phyl under her wing and helped prepare her for the First Lady's obligations. Thank you Gail for your counsel and help for the many spouses in the duties of the First Lady, and to your long and varied service to Catalina Mountain Elks Lodge #2815!

The Holiday Season

Reflect on all the holidays
you've shared throughout the years.
How many found regrettable?
Which ones bring blissful tears?

Reflect on those made your heart swell
and eves that were but hollow.
You'll find the difference came from you...
if seeds you'd plant went fallow.

The secret is in sharing
with those that you hold dear,
and feeling all the warmth and love
from those you would have near.

PER ASSOCIATION

By Steven Asp PER

Having visited many Lodges around the country, I have noticed several ways various Lodges honor their Elks of the Year and Officers of the Year. On one of our Laughlin bus trips we all went to the Bullhead City Lodge where I noticed really nice looking plaques with engraved names of all the previous Elks and Officers plus a photo of the current ones. I took a picture of them and talked about doing something like this at one of our PERA meetings. The PER's liked the idea and we now have plaques hanging in the Lodge room with all our past and present Elks and Officers of the Year including pictures of Elk Jan Trudeau and Officer Gloria Cisneros. Queen of Hearts fund purchased them.

Another purchase we made for the Lodge recently was a new stereo receiver for the lounge. The old one was in sorry shape; the on/off switch didn't work so it was left on all the time with the volume turned down after closing. The tuner didn't work so you couldn't change channels. We approved spending up to \$150 on a new one and we got one on Amazon for almost exactly that.

Also at the same meeting we discussed the Wreaths Across America program where on December 15th, wreaths are placed on graves of veterans all across the country. The wreaths cost \$15 each and are distributed on the 15th by various service groups. We approved using the Queen of Hearts charitable fund to purchase ten wreaths to go on our local cemeteries.

SECRETARY'S CORNER

By Robin Danielson PER

As I write this on Thanksgiving Day, I look forward to our family Turkey Dinner. It is hard to believe that Christmas is only a month away. I hope you all had a fun filled Turkey day with family and friends.

I am beginning to see a lot of familiar faces at the Lodge, that I have not seen in a while – welcome back all you snow birds.

Monthly reminder: If you have come back to the area for the winter or planning on traveling for the winter, take a few minutes to let me know where you will be, so I can get your records updated for your newsletter.

As we get into the Holiday Season, while you are out doing your shopping, remember to include something extra for our Lodge's worthy causes. There are a lot of ways you can help. Belinda could use help with gifts for the Veterans. A few things she needs for them are new underwear, new socks and razors. Joyce could use help (monetary donations) or be a chaperone for the Children's Shopping Spree. Jan could use some (monetary donations) with Adopt-a Family. Contact these Committee Chairpersons and offer to help where you can. there is also a Toys for Tots bin in the lounge, for new unwrapped toys. Lets all keep in mind ELKS CARE ELKS SHARE.

Please help me welcome our newest members. Ronald Williams and Raymond Clark were Initiated into our Order on November 8th. If you see these new members at the Lodge, introduce yourself and make them feel welcome.

HOUSE COMMITTEE

By Paul Slater

As most of you know Judy Humitz decided to step down as house committee chair, and I have assumed her role for the remainder of the Elk year. If you are worried about us losing Judy, don't worry she is still staying as an important part of the house committee, thank goodness!! We all need to thank Judy for her incredible commitment to the Elks, please make sure you say thanks to her, next time you see her at the lodge.

The Night Under the Stars was a great success, as we raised over \$1400 not counting the increased bar business. We are all happy to hear that Judy will remain closely involved with the Night Under the Stars event, as it continues to be our most popular, and profitable, event of the year that the house committee coordinates. We had some suggestions for future improvements and we are already thinking of how to make next year's event even better.

Speaking of great talent, the O'Brien's will be bringing their accordion talents to the lodge for our Wednesday dinner on December 12th.

Lastly, I am looking forward to continuing the great work Judy has done over the past couple of years. I would like to focus on new ideas to bring more people to the lodge, so if you have any ideas, please don't be shy and let me know. Of course, great ideas usually accompany a great request for help ☺.

TEXAS HOLD-UM SATURDAY DECEMBER 15TH AND SATURDAY DECEMBER 29TH

LODGE ACTIVITIES

By Jan Trudeau

I can't believe that it's December already. Where did the time go? For the last month of 2018 we have a few activities for you to participate in.

Starting with the PER'S Lobsterfest on Saturday December 1st. At press time, there were still a few places left. If you are interested in coming and dining on awesome Maine lobster, check with the lounge servers and see if there is space. Sunday December 2nd, we are having the Elks Memorial Service at 11 AM. This moving service commemorates our fellow elks who have passed on in the last year. Please come and observe this awesome event.

Karaoke is scheduled for Friday December 7th at 6:30 right after the Queen of Hearts drawing. Come join us for a fun time. The Clothe a Child program happens on Saturday December 8th. Joyce Garcia's project starts at Walmart and ends at our lodge with the kids having lunch, seeing Santa and Mrs. Clause arriving on a firetruck. The kids also get to play games and receive a toy. All this is possible because of our Elk donations. Come see what all the fun is all about. Texas Hold 'Em is scheduled for two Saturdays in December. The first date is Saturday the 15th, and the second date is Saturday the 29th. Please sign up in the lounge so we know how many tables to set up. The game starts at 1:30. We are having a Holiday Potluck on Wednesday the 22nd. We're doing this in lieu of a big holiday party. We will have a sign-up sheet in the lounge, so bring one of your favorite holiday dishes and share the holiday spirit with us.

COMMUNITY ACTIVITIES

Our lodge helped Impact of So. AZ with a "stuff a bag for Thanksgiving" project. 23 hard working Elks stuffed 250 bags to be distributed to patrons of the local food bank. Thank you to all who helped make this event such a success. Good job Elks!!

There is still time to participate in the Adopt-A-Family program sponsored by Impact of So. AZ. We will be buying clothes, toys and art supplies for local kids in our neighborhood. I am looking for donations to add to my charity fund to help sponsor the kids. Please consider writing a check to the lodge and write Adopt-A-Family on the memo line. Thanks in advance for your participation and generous donations for this very worthy cause.

MERRY CHRISTMAS AND HAPPY NEW YEAR!!!!

Catalina Mountain Scores at State Soccer Shoot

By Pat Cox

The State Soccer Shoot was held November 4, 2018 at Woods Elementary School in Tempe with an awards ceremony and lunch following at the Tempe Lodge. Two of the three District winners representing Catalina Mountain Lodge who attended the event won in their divisions. Johnathan Vegas placed 1st in the U-10 division and Cameron Ballard placed 2nd in the U-14 division. They both competed against other first-place winners in their age groups. Congratulations!

VETERANS COMMITTEE

By Belinda Waller

Another busy month!!! Holidays are just around the corner and the team is busy assuring the veterans are taken care of.

Each year the lodge receives a list of names of veterans that will be in the hospital during the holiday season. Each veteran on our list indicates what they would like to have as a gift. Then lodge members try to fulfill their wishes. Sometimes they are easy to find and sometimes they're not. For example I was trying to find an Eskimo doll for one of the women vet's. I could not find one!!

But out of the blue while shopping I started talking to two women who was also looking for Christmas items also. I told them I was trying to find Arizona Trail Mix and an Eskimo doll. One of the ladies said I think we have an Eskimo doll we will give you free.

Just an example of the good we find in people!! And my Vet will receive her doll!!

We also had a great success of collecting donations to purchase the following. 110 pair of socks, 139 pair of underwear, and 168 disposable razors.

Our monthly collection of clothing and books was also great this month. A great big thanks to the seven Elks volunteers who helped count and bag all of the clothing and to Tom who will make two trips to deliver the clothes to the Vet's!!

The total credit for this month donations is \$5,890.00. The nine month total \$27,621. THANKS to all of you who donated!!
