EXALTED RULER'S MESSAGE

Robert Kielsa

I hope you all had wonderful holidays. Those of you who were not able to make our Christmas Eve celebration missed our secret Santa gift exchange which turned out to be an absolute riot. Hopefully we can do that again next year.

If you've been by the lodge recently you have seen the work completed on the installation of our new septic system. A big Thank You to Larry Wittenborn for his help in the completion of this project! Another Thank You to Joe Palmer who was right there with Larry throughout the whole project. Joe even climbed into the septic tank with Larry to make the connection from the old tank to the new tank. Thanks guys! Oh, and before I forget, we have installed seven new cameras that cover our entire facility. One of our new lights has been put in place and the other five should be installed soon to improve our parking lot safety and security.

In our quest for expanding our lodge, the next step is to write a development plan for our entire property. If there are any members who have experience in writing such a document please contact me or Jack Baillargeon.

As you may have noticed, we have some new Disability signs hung right in front of the building. There is room for 4 vehicles to be parked right next to the front of the building. I have received a number of complaints from our members who need to park in disabled spots but can not because cars without the proper plate or placard are parked in the reserved spots. Please help our members who need those parking spots by respecting the posted parking signs.

In my speech at the installations ceremony in March I identified three goals I would be working on for my year. My third goal for the lodge was to identify a high profile project that would positively impact our community and bring awareness of our lodge. I have decided not to find one project but instead many opportunities to bring awareness to our lodge. Our connection to Impact of Southern Arizona has been an extraordinary partnership in the service to our community. I believe Impact has a more direct line to the needs of our area and will be able to continuously, point out to us the areas of greatest need. With that knowledge, we can better address those needs and maximize the impact of our contributions.

My number one goal for my year was to reach a membership level of 600. We are no where near that goal but we do have a plan. We have some meetings set up in February that I think will help in meeting this goal. We can use your help in expanding participation of our Open House sessions. If you know of friends, neighbors whoever you think might be interested in learning more about the Elks, and what our lodge in particular contributes to our community, please steer or bring them to one of our Open House meetings.

LEADING KNIGHT

By Gloria Cisneros PER

Happy New Year everyone! I can't believe how fast 2018 went! I sincerely hope that you all had a very Merry Christmas and were able to spend it with Family, Loved Ones and Friends.

Our annual Kid's Shopping Spree was once again an amazing event. I did not shop this year but was at the Lodge when everyone arrived for the festivities afterwards. I do believe that the members that volunteered to take a child shopping had just as much fun as the kids! So many of them had such fun stories and you could see it in their eyes that they were truly touched by being able to make a difference in the lives of these children during the holiday season. All the kids couldn't wait to eat their fill at lunch from pizza donated by Marcos, eat cookies and sip on cold drinks made by our amazing volunteers. Santa and Mrs. Claus arrived on the fire truck but they had to compete for the kid's attention since the Firemen let the kids in the truck to see it up close and personal! These first responders were so kind and definitely full of the Christmas Spirit – thank you Golder Ranch Fire Department for doing your part to make the kids smile. The wide eyes, smiles and laughter were overwhelming to experience. Our Drug Awareness speaker, Officer Davis from Oro Valley Police Department, gave an amazing interactive talk that the kids took to heart. She is an amazing person and we thank her for her time. From those who cleaned the Lodge before hand, the set up and cleanup crew, the kitchen crew, the pizza delivery men, to the many donations of money, time and gifts from all, YOU are what Christmas is all about!!! I would also like to thank the volunteers that went to the Veteran's Christmas party. I am sure that the Veteran's really appreciated your visit and thoughtfulness. Please keep in mind that even though the holidays are over, there is always some way you can continue to be Charitable year round. Being a part of Catalina Mountain Elks Lodge #2815 is about more than just being a member, it is about finding out all the amazing ways you can touch the lives of those around you. Make 2019 a year that someone will never forget BECAUSE you made a difference in their life.

Giving is not just about making a donation. It is about making a difference. ~Kathy Calvin

ELKS OF THE MONTH

As 2018 fades out of sight I want to take this opportunity to recognize Elks who are responsible for what and where we are today as a lodge. On October 14th, 2000 the Elks National Headquarters issued a Charter, thus establishing the existence of Catalina Mountain Elks Lodge #2815.

For all of us who were not involved with the lodge until 2005, or later, we/I really can't relate to the struggles associated with bringing the lodge into existence. If you talk to some of these "Founding Members" you will hear stories of meetings in a pizza place, and various other locations that would allow them to use space for meetings. They carried the ritual equipment in their cars to meetings. Then, there's the three car garage where they practiced their rituals. If you wanted a beer, people would buy a case, bring it to the lodge, donate it, then buy it back to put money in the bank.

When our founders found our building they sold bonds to some of our members to help in the purchase of our present facility. Then they attacked the grease on the floor, the dirt and trash throughout the building, took out the garage doors and closed up the building, sheet rocked and painted and put in a floor. They built two restrooms and the kitchen and then went to work on the lounge area. Most of this work was completed by our founders.

When you look around and see the lodge buildings, the bar and our ancillary structures, you have to marvel at the hard financial, physical and emotional determination it took to get us to where we are today.

For eighteen years we have all enjoyed the camaraderie of people we have met here at the lodge and who became our friends. As an Elks lodge we have contributed to many people in our community, especially children, in a variety of ways; e.g. eye exams and glasses, Christmas shopping sprees, food bank contributions, summer school food, holiday meals, summer mountain camp, sports, scholarships, school supplies, drug awareness, and The Steele Children's Research Center, and new this year will be an Easter shopping spree. We also generously support our veterans by contributing to the Blind Veterans, the Fisher House, Homeless Veterans hospitalized veterans and Wheelchair Veterans.

We have contributed a great deal to our community because of the establishment of our lodge by a number of Elks who I want to thank for their dedication and hard work!

Thank you for steering us and keeping us on track to become what Catalina Mountain Elks Lodge #2815 is today! I would love to name names but those "Founding Members" know who they are.

I just want them to know what a great job they started eighteen years ago and to say **THANK YOU all for all those years of dedication and hard work!**

VETERANS COMMITTEE

By Belinda Waller

The holidays are always fun getting together with family and friends. During this time of the year, as Elk's we also try to share the joy with those that may not be able to be with friends and family.

Les and I along with Paul and Cheryl Galligos delivered Christmas presents to veterans that have living quarters located at the VA. The director of the living quarters gave us a tour of the facilities. Besides living areas, they also have access to libraries, kitchen facilities, computer rooms, and game rooms. We enjoyed visiting with them.

During the month of December we collected 250 pair of new socks, 192 pair of new underwear, and 54 new t-Shirts for the homeless Vets.

Our POD continues to be filled with donated clothing, we take it out to the Vet's and Elk's fill it up again. THANK YOU!!! If you would like to help we count clothing the second Wednesday of each month at 1:00.

SECRETARY'S CORNER

By Robin Danielson PER

Wow, how time flies by, to think another year has come and gone. By time you read this all the packages will have been opened and cookies eaten. I hope Santa was kind to all of you good Elks.

My membership Committee and I will be working on getting the new dues cards printed and stickered up in the next couple of weeks. You will be getting a letter in the mail outlining your obligation to the Lodge for the 2019-2020 Lodge year. You can expect to see that letter the middle of February and I will begin to accept money at that time. **Note: if you pay that early do not destroy your current card. The new ones will not work in the door until April 1st.**

I would like to thank my Committee in advance for the help in getting this yearly job done. It is very time consuming from start to finish. A huge thanks goes to Deborah and Monty Derting and to my husband Sig who spend hours folding letters and making sure that over 500 cards (and the process in between) get into the plastic sleeves. I don't know what I would do without you all. It has been decided the last 2 years that the putting in the sleeve is not the job for Monty. He becomes all fingers. We know (wink wink) it is the plastics fault.

It is a sad duty to have to send intent to drop letters to the members who have not paid their dues for this Lodge year. Those letters will go out also in the middle of February. For any member who has not paid these dues, you still have time to do so and not get one of those letters.

LODGE ACTIVITIES

By Jan Trudeau

Happy New Year!! I can't believe it's 2019 already. Come join us at the Elks for some good times this year. We have some events scheduled for January and February including:

Karaoke is happening on Friday the 4th at 6:30 just after the Queen of Hearts drawing. It's really a lot of fun-come down and sing or just cheer us on.

Bar Bingo will be held on Saturday January 5th. The fun starts at 2:00.

The Texas Hold 'Em card game will be held on 2 Saturdays in January. The first one is January 12th and the second game is on Saturday the 26th. It gets going at 1:30 both days. Please sign up in the lounge so we know how many tables to set up. Remember, Texas hold 'em will move to Sundays after football season.

We've got football all January long on Sundays except for the 27th. There's a week off before Super Bowl. We'll open the lounge at 11:00 for football games, then the end of January into February the lounge will be open at 1:00 for you. AND, speaking of Super Bowl, we will be having a party and potluck that day. So, please join us on February the 3rd for football, food and fun. It all begins around 3:30, kick-off is at 4:30. There will be a sign-up sheet for the potluck in the lounge.

BUNCO: did someone say Bunco?? Well, it is a social dice game played with 9 dice and a whole lot of luck. The object of the game is to accumulate points and to roll certain combinations. The winners can win prizes for such accomplishments as the highest score, lowest score, or the most buncos. We need at least 12 players-so please find the sign-up sheet in the lounge later in January. The games are scheduled for Saturday January 16th, and February 16th at 2:00 PM.

COMMUNITY ACTIVITIES

I want to Thank everyone who helped make the "Adopt a Family" project such a success. Thanks to the folks who donated money, the shoppers and especially the wrappers-Peg, Pat and Mary Jo for the "wrap-a-thon". We wrapped at least 120 gifts for the 20 children from 10 families. We provided clothing, toys and art supplies for each child. I know we helped make their Christmas very merry!! Here's a photo of ER Bob, me, PER Gloria, PER Doug and Michelle from Impact delivering the presents.

JOYCE GARCIA & BRIDGETT LACH GIVE THANKS FOR VOLUNTEERS

This is a picture of 34 children who have had the best day of their life because of all the generosity of our members at Catalina Mt. Elk's #2815!

Bridgett and I want to thank every single person who had anything to do with making this day so special. It was, by far, our BEST Children's Shopping Spree ever!!

Wal-Mart, thanks for all the wonderful employee's who helped our shoppers. A huge Thank You for the gift cards, etc. that you have given us though out the year.

Golder Ranch Fire Dept., wow did you guys every out do yourselves this year! Not only letting each child sit in the cab of your fire truck but giving them fire hats too. Thanks!

Santa & Mrs. Claus – Tom Teal and Gail Markwell you were terrific. Sorry you became second banana to the firemen for awhile but you rebounded with a bang.

House committee – thank you so much for helping out with decorations and serving lunch to the children. I know you worked really hard and I appreciate it so much.

Jack & Gail Baillargeon – thanks again for your bags of school supplies for the children. They will put everything to good use though out the school year.

Gloria – thanks for Elroy! I know you had to be hot under that costume but you handled it like a trouper! Thanks for arranging the Sheriff's Dept. Drug presentation, I actually saw all the kids listening and asking questions. Also I want to thank you for your helpers, Dan and Kayle.

All our wonderful escorts this year. . . Thank You! I was so worried we were going to be short people but you guys came through to where I actually had too many escorts. . . that's a first!

Thanks goes to Bridget for arranging everything at Wal-Mart! Because of her they gifted us several gift certificates that we were able to use for the children's toys. I truly appreciate having you by my side doing everything from shopping, wrapping gifts to being the go-between with Wal-Mart.

I am so proud of our "village" of volunteers, every single one of you, who made this the best day of these children's lives!!!

AEMP JANUARY NEWSLETTER

Happy New Year from all of us at Arizona Elks Major Projects!

After much consideration, AEMP has selected the Mid-Year Raffle vehicle to be a Polaris RZR XP 4-1000 with a 14' Playcraft Trailer included. Be on the lookout at your lodges for posters and raffle tickets! We have begun the process of scheduling the vehicle to be at lodges so if you have an event coming up and would like the vehicle to be there, please email katie@azelksmp.com or secretary@azelksmp.com to do so. History has shown that more tickets are sold when the vehicle is there!

As we begin 2019, I would like to encourage the AEMP chair at each lodge to reach out to me on a regular basis with regards to planning events, organizing fundraisers, and scheduling tours of the Steele Children's Research Center so that we can make this year one of the best for Major Projects! I have thoroughly enjoyed meeting everyone during my time here and would like to partner with you and your lodges in our shared passions for benefiting the children of Arizona and beyond. Without you, there would be no Major Projects! Thank you all for your continued support and I am excited to see what you have in store for 2019!

PER ASSOCIATION

By Steven Asp PER

The current Queen of Hearts game is still going strong. As I write this, the pot is over \$10,000 and there are still many cards left to draw. Several percentage winning cards are still available and of course the Queen still survives. Hopefully the game will continue as it is a good thing financially for the Lodge.

On January 2nd, we sponsored an event wherein a group of 70 special needs kids, many of whom were Special Olympians, and their chaperones got to see a showing of Mary Poppins at the Oro Valley Marketplace theater. They all were treated to soda's and popcorn at the snack bar as well. The event cost over \$600 and the PERA picked up the tab.

I hope you all had a Merry Christmas and we wish you all a Happy New Year!

*Happy
New Year*

Flag Coordinator Needed!

The lodge is in need of a flag coordinator for the remainder of the Elks year January 1, 2019 through March 31, 2019. This person will be responsible for inspecting flags for damage, storage of flags and coordinating the raising and lowering of flags. Our main flag is managed by Bobby Hurt and all flag purchases are coordinated through Bobby as well. Please contact Bob Kielsa in person or at 825-0240.

OUR POET LAUREATE

<http://www.allthathymes.squarespace.com>

This year my New Year's Toast
will sound more like a Friar's Roast...
if I can stir a little wit
to get some humor out of it.

Our Prez spent his time writing Tweets
that never read like Donne or Keats.
The Pols would blame the other hue
for what went wrong the whole year through.

We had a vote to make our choice
but perps still try to still our voice.
Say what you will about this year
but we, at least, don't live in fear.

HELPFUL TIPS

Welcome to 2019!! Every year we make our New Year's resolution. Notice it is singular. First clue. Only make one, and make it realistic. It's hard to make more than one change in your life at a time. When you "goof up," just remind yourself of your goal. Keep doing that until you have made the change. You will be surprised how quickly you can actually make the resolution a reality. Good Luck.

The physician/scientists take care of 20,000 sick children each year at the Steele Children's Research Center. Some of these children have simple problems, like ear infections, others with life-threatening illnesses. Our goal is to give each one of them a better chance at better health. Please consider adding your support to the research efforts at the Steele Children's Research Center - to create a healthier future for all children.

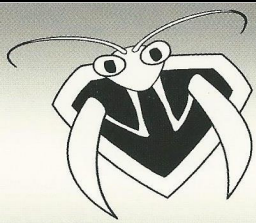

Born in the Southern town of Apopka, Florida in 1973, Rowdy is truly a throwback to the outlaw movement going on around the time he was born. Heavily influenced by his heroes Waylon Jennings, Hank Williams Sr., and Willie Nelson, Rowdy is doing his part to keep Country music going in the right direction.
