**A Message from the
Executive Director,
Richard Ross PDDGER**

Steele Children's
Research Center

We have commenced this year with considerable progress. The Fall Appeal is now underway, plans for a new Mid-Year Raffle are in progress, and Lodges are starting to get ready for the year ahead. Each Lodge will soon select its Officers and Committee Chairs for 2026-2027; please remember to appoint an AEMP Chairman for this term. Our AEMP Board is committed to helping staff work more effectively and build a bright future. Donations have supported both Steele and the Youth Camp, contributing not only to research efforts towards finding a cure but also to facility improvements, such as new cabins. We are always looking for ways to make productive use of the Youth Camp all year round.

In response to member feedback, we will be raffling a car to further support our cause. Our aim is to increase fundraising for these important initiatives. Each Lodge is aware of its AEMP event schedule, and we encourage all incoming ERs and Officers to coordinate accordingly, so that vehicle arrangements can be made in advance. Our team is available to assist with your events; please refer to the last page of this newsletter for a list of staff ready to provide support.

We kindly ask that you email details of all your AEMP events so they may be shared with all Arizona Lodges. As our motto affirms, "Children's Laughter Is What We Are After". Your continued commitment ensures the lasting success of AEMP, helping children thrive and experience the outdoors. Let us work together to make the remainder of the year impactful for the children we serve.

Thank you for your dedication.

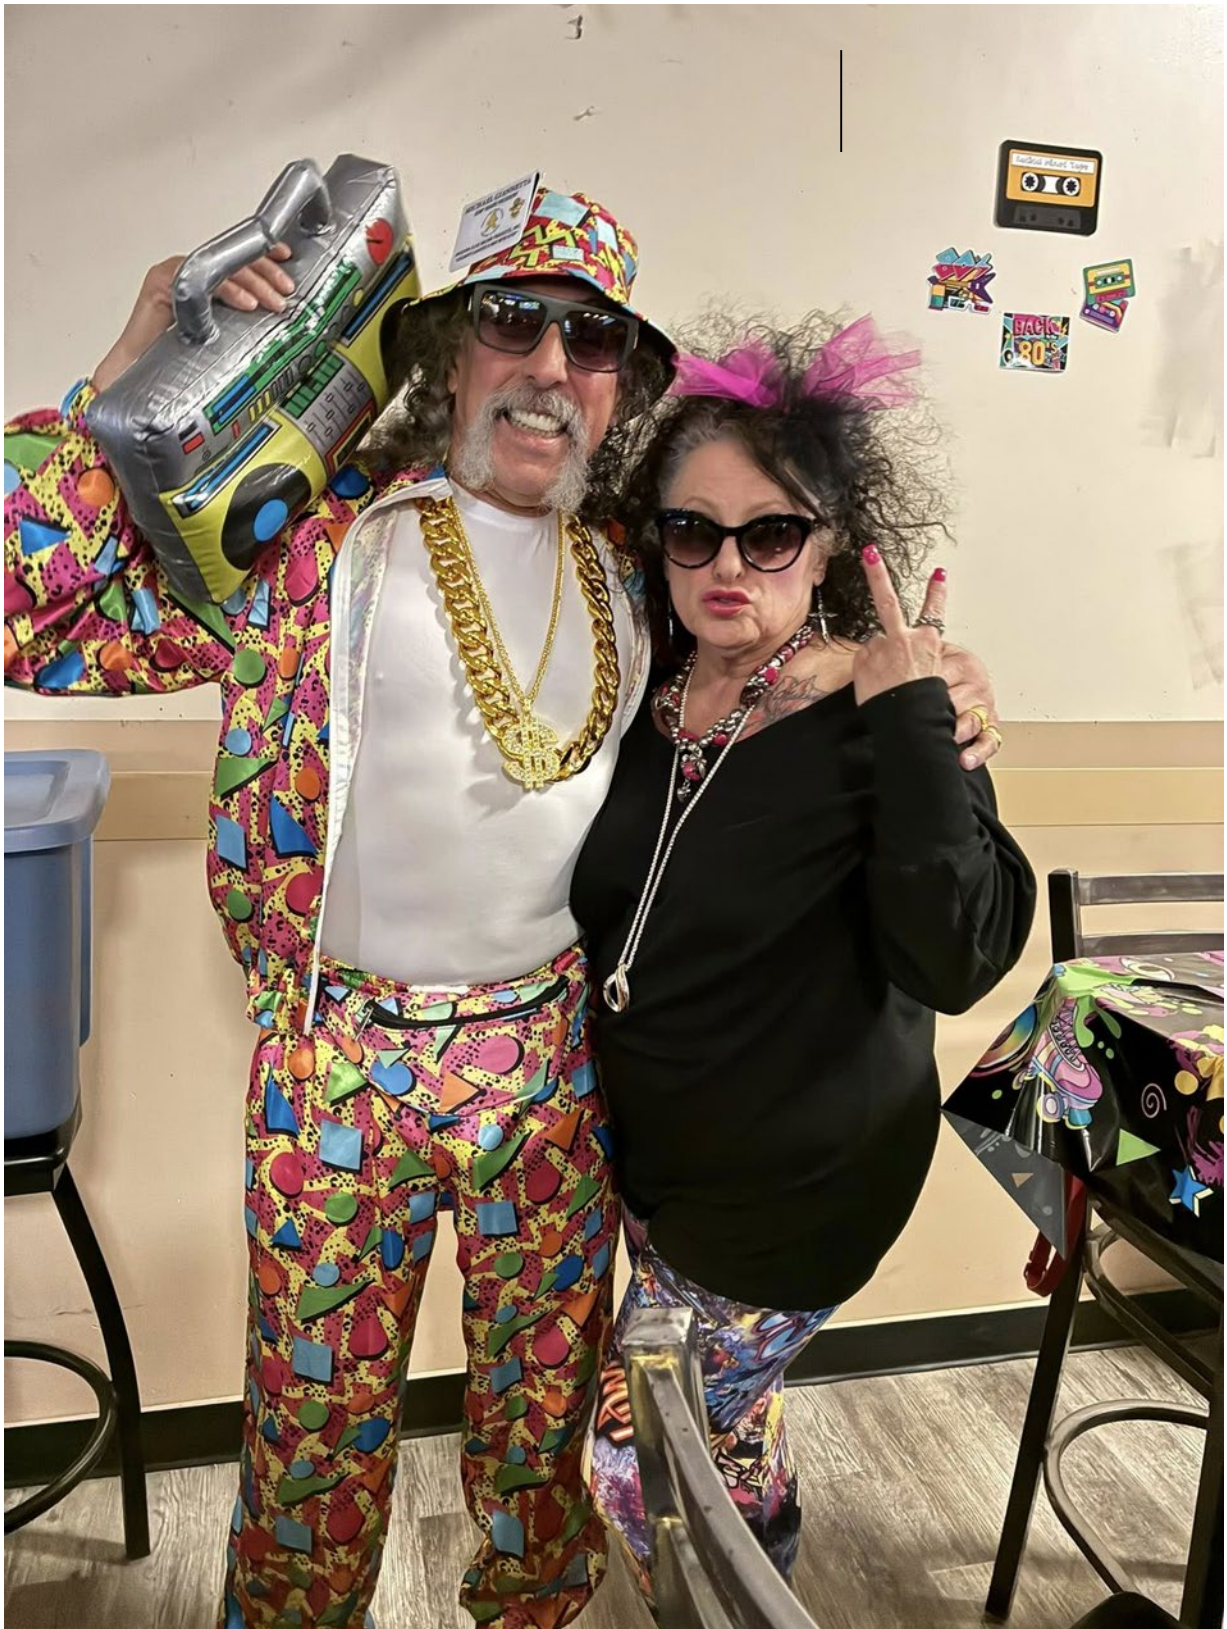

JANUARY 2026 AEMP EVENT

Thank you, Mesa Buckhorn #2656, for your incredible support to pediatric medical research. Your contributions and the positive impact you've created. Together, we are building a brighter future! 🌟

CLOSED FOR THE WINTER

The Committee is dedicated to enhancing the camp. Despite facing challenges such as fires, rain, and winter closures, we continue to seek creative solutions for improvement. The Camp truly belongs to AEMP/AEA. Chairman Dennis Appel and the Camp Committee will provide updates on ongoing enhancements. Check the Fall Appeal to discover ways you can support the Youth Camp.

A wooden suitcase with a purple interior is displayed on a dark surface. The interior of the suitcase is lined with a purple fabric featuring a map of Chile. The map is surrounded by the text "Lovers of Chile" and is adorned with numerous colorful travel pins, including flags, landscapes, and symbols. Above the suitcase, a glass display case contains a dark, sculpted figure of a guanaco standing on a branch. The entire display is set against a light-colored wall.

ATTENTION ALL ARIZONA ELKS LODGES!

Please email me at exdir@azelksmp.org any AEMP fundraiser you will be having this upcoming year. I will make sure that we will send out to all the Arizona Elks Lodges and have AEMP Representation at your Event.
