EXALTED RULER'S MESSAGE

Gloria Cisneros PER

Being Exalted Ruler definitely has some perks. One of my favorites is being one of the Officers representing our Lodge at the Arizona Elks Association State Convention in May. I think the word "Convention" has a popular misconception of being something you have to go to and it's boring. If that is your thought as well, you should attend an Elk's Convention, whether it is at the State or National level. These Conventions so inspire you to be a better Elk member. The people attending these are all there because they believe in the amazing things – we as Elks – can do to better the lives of so many. Our State Convention reminds us why we do what we do. You hear so many great progress reports from our State Committee chairs and you find yourself feeling revamped with enthusiasm and pride. One of my most favorite parts is the Exalted Ruler Walk. The Exalted Rulers from every Arizona Lodge get in line and present donations from their Lodge to Arizona Elks Major Projects. You will hear individual Lodge donations from amounts between \$50 and \$17,000. However, that is not what it is all about. You realize how much dedication and hard work each Lodge has committed to raise money for the Youth Camp and Steele Children's Research Center. Once again, the big hearts of our fellow Elks is up front and center. There was over \$81,000 collected in about 15 minutes to support these amazing projects. I was very proud to be able to hand over \$2500 from our Lodge and would like to thank everyone who donated to Arizona Elks Major Projects directly and supported our fund raiser "Have A Heart" that was held in February. Your support means everything to all the children in both the Camp and Steele Center. We will be having the Grand Prize RAZR that is being raffled off at the October State Convention back at our Lodge September 23-30. Please come over and buy raffle tickets while it is here as this is also for Major Projects.

The amazing Flag Day Ceremony is June 14th at the Lodge beginning at 10am. It will be followed directly by our Flag Retirement Ceremony that we do with the American Legion Post 132. You don't want to miss this day as our Officers and Members perform a very touching tribute to our Nation's Flag.

Happy Father's Day to my Dad and to all of you amazing men out there, you are all our heroes.

I would also like to announce that we now know when our annual Dignitary visits will be happening. We will have the East Vice President, Dennis Appel and his Lady Deb from the Chandler Lodge, visiting September 21st and our South District Deputy Grand Exalted Ruler, David Dean and his Lady Vickie from the Sierra Vista Lodge, will be here November 14th. These are incredible Elks and please show pride in our Lodge by coming in to meet them. We will have more information as the visits get closer.

Thank you to all our Winter Visitors who have traveled back or are getting ready to. We appreciate your support and look forward to your return next year! Also, thank you in advance to our many members who are able to support all we do year round, we couldn't do it without you all!

LEADING KNIGHT

By Monty Derting

Greetings all! Well I must say that my first 6 weeks as Leading Knight has been interesting to say the least. It's been busy, fun, inspiring, and I've learned a lot already!! Made a few mistakes along the way, but with some wonderful guidance from our great leadership, I've learned and can push on.

We had MY first District Deputy Clinic at our home Lodge, our very own District Deputy, Lee Cook made it a point to let every-one there know that our Lodge collected over \$74,000 in clothing for our Veterans.

Then came the Youth Awards... We had a full house with the youth and their families. Numerous scholarships were presented to these deserving young people from both the Grand Lodge and our own PER Association. Many thanks to our Scholarship Chairperson, Roger Mastro who does all the work behind the scenes for these great young people. Many thanks also go to PER Bob Kielsa and the PER Association for their generous donations for scholarships.

I can't leave the Youth Awards without recognizing and thanking our Americanism Coordinator, Al Peterson for his work in reading all of the essays and having them recognized. And of course there's Lisa Chavez who was highly instrumental in putting it all together, and our wonderful volunteers from the House Committee who provided eats for all!

Then there was the AEA State Convention where we were able to donate books for the Steele Children's Research Center plus donation to the AEMP

ELK OF THE MONTH

Cheryl Galligos – June 2019 Elk of the Month

Cheryl Galligos is the June Elk of the Month. Over the past years, I have often helped to create event fliers and compose the Lodge calendars that you all see around. Luckily, Cheryl volunteered to take over this task and has done so with great enthusiasm. These projects are very important to any Lodge and require a lot of time, organizational skills and hard work. Cheryl must communicate with many different committees to make sure their events are listed in the calendar as well as create an informative and creative flier to catch our member's attention. In addition to that, she must coordinate with the kitchen to get a month's Wednesday night dinners in advance to post in the Bugle as well as create a Lodge flier for them. Then there are the various Holidays to keep track of as well as football season as these can change our operational hours and so everyone needs to be aware of those changes. She does all of this in a very organized fashion and strives to have everything done perfectly. In addition to all of that, she also takes the House Committee meeting notes every month which is a huge undertaking as so many topics are covered in a short amount of time. Cheryl is always there to help with events or anything she is needed for. She is indeed a huge asset to our Lodge and thank you so much, Cheryl, for the great job you do!

VETERANS COMMITTEE

By Robert Kielsa PER

I'm happy to say, as of May 23rd, our lodge has generated \$14,291 in men's and women's clothing, books and miscellaneous (small travel size) toiletries for the Southern Arizona VA Health Care. Our next collection date is Wednesday, June 12th at 1 PM on the back patio.

We would like to remind all of our travelers, staying at motels while on their summer journeys, please save up and bring in all your unused mini toiletries for our homeless veterans.

In our May report I mentioned the need to help our homeless veterans as we head into our "HOT" summer months. I'm happy to report that we were able to collect and deliver to the vet homeless 18 undershorts and 39 pairs of socks. Thank you to all of our contributors! Our familiar green barrel will remain in the lounge for whatever you wish to contribute.

During my last delivery to the Veterans building 90 I met a person who works for HUD - VASH, a program specifically designed to help veterans and their families transition into housing. These veterans receive food stamp; however, the stamps do not cover cleaning products. I was able to connect with the Program Coordinator of this program and she gave me the following list of supplies needed: Toilet Paper, Dish Soap, 3. Sponges, Wash Cloths, Laundry Soap, Paper Towels, Brooms, Mops, Dust Pans, Liquid Floor Cleaner, Small Trash Cans and Trash Bags. You may use the green barrel in the lodge for any donations you may be able to make. Or, if you prefer, you may drop big items off in the Veterans Pod in our parking lot.

Dates to remember:

You will have an opportunity to see two new veterans ceremony this year. The first is the POW/MIA ceremony on Friday, September 20th at 9 AM. The second ceremony will be on Veterans Day November 11th at 10 AM. Both events are open to the public.

Mark your calendars, we have a welcome back luncheon scheduled for our Paralyzed Veterans on Saturday, July 27th.

SECRETARY'S CORNER

By Robin Danielson PER

Seems like the weather can not decide what to do these days, Imagine 62 degrees on May 20th in Arizona? Gotta be that global warming.

Now that most of the members have paid their Dues, things have somewhat slowed down in the Secretary's' office. whew. I would like to thank my husband Sig, for helping me with membership payments and getting cards sent out, during the busy time in April and May. Who knew that his retirement would pay off instead of him just being home all day? Thanks, Dear! But sad to say I had to lay him off.

With that said we still have 62 members who have not paid as of yet. I encourage these members to take that few minutes to get this done and keep in good standing at the Lodge. (Please put Sig back to work) **Note:** there are no penalties for paying after April 1.

We are making the process much easier for members these days. We now have credit card payments available (just call the Lodge or call me at home if I am not there) or you can now pay by Pay Pal. Home: 825-3300

Did you know? You can receive your monthly newsletter via email. If this is something that would interest you, it is easy and painless to change. You can either call me or put a note for me (with email address) in my mail behind the bar. I will forward the information off to Jim Beregi, our web master and he will put you on his list.

HOUSE COMMITTEE

By Paul Slater

Howdy! Well we are certainly settling into our new normal as most of our snowbirds have left and it is mostly just us full timers left to enjoy a little less traffic and some beautiful weather as we head into summer. But just because there are a few less members, doesn't mean we are slowing down as a House Committee. We have great things planned for our members, and as always,

we are always looking for new ideas and new volunteers ☺

The high light in May for me, was easily the Sold Out Hoedown Western night!! Betty and team did a great job in decorating the room. (I loved the lanterns, what a great touch). Marie delivered another fantastic dinner, and a big shout out to her husband Ron for enduring the smoke and flames to finish off the chicken. It was delicious! I think everyone had a great time and we collected a lot of food and items to help support our charitable efforts, so thank you to everyone! I hope you enjoyed the evening.

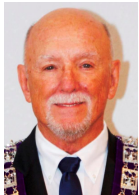

The POS system journey continue to go well, even with a few hiccups, but the Bar Stewards always find a way to keep things running smoothly, until Larry Valverde can come in and make the corrections. We are still on track for credit card billing in the lounge for July. So hopefully many of you will no longer need to keep that check in the back of your wallet.

This month's shout out goes to Betty Cook. She constantly amazes me with her energy and willingness to always help out. But what most impresses me is her ability to always know what decorations we have, and more important where they are! To the rest of the House Committee, than you for all you do to help make our lodge such a great place!

Take care,
paul

PER ASSOCIATION

By Robert Kielsa PER

Our Queen of Hearts funds grow each week through your continued participation. The funds the PERs collect is available for charitable purposes, lodge maintenance and/or improvements. The following are a few examples of your contributions at work.

Each year May is an exciting month for the Catalina Mountain Elks Lodge PER Association because it is the month we provide money for scholarships. I'm pleased to announce that in May your lodge PER's funded \$4,000 in scholarships for five deserving students.

Unfortunately our lodge did not receive the grant we normally use for the support of our Paralyzed Wheelchair Veterans group this year. Not wanting to miss an opportunity to support this veterans group, we have contributed \$1,000 for this years trip.

With respect to our Queen of Hearts game, I'm happy to report that our total pay out is at the \$15,000+ level as of noon on 5/24. We have 15 cards remaining with 2 percentage cards (one being the Queen of Hearts) and 5 - \$100 cards remaining in the hunt for the Queen. Good luck to all you players!

LODGE ACTIVITIES

By Jan Trudeau

It's already June, where did the time go? We're getting ready for the heat, so come on down to the Elks and join us for some fun.

On Mother's Day, we had a very special ceremony honoring mothers, both here and departed. About 30 of us participated and we enjoyed a wonderful luncheon.

Here are some of the Mothers who attended our event.

And, here are the officers performing the ceremony.

Western night was a blast! There was a full house dining on awesome BBQ fare and sides, and lots of dancing and singing along to Night Hart. Thanks, Julie and Craig for a very fun night.

Looking forward to some fun activities this month like:

Bingo is scheduled for Sunday June 2nd at 2 PM. Come join in on the fun. Karaoke happens on Friday June 7th. The fun begins at 6:30, right after the Queen of Hearts drawing. Plan on joining us for some laughs and song. We'll have Bunco again on Saturday June 8th. The game begins at 1 PM. Come see what it's all about. Our Texas Hold 'Em games will be held on two Sundays in June. The first game is on the 9th, and the second one will be on the 23rd. The games start at 1:30. Please sign up in the lounge so we know how many tables to set up. Thanks.

On Friday June 14th, we are having a Flag Day ceremony. The event starts at 10 AM. Please come and join us for a moving tribute to the American flag. We are also putting up the flags on Oracle. We could use some help putting them up at 7 AM, and taking them down and folding them at 5 PM. Father's Day is on Sunday June 16th. We are going to have an informal potluck if you'd like to join us. There will be a flyer in the lounge and also a sign-up sheet if you want to participate. It should be fun.

COMMUNITY ACTIVITIES

I want to thank everyone who brought items to our Western party on May 18th. We collected and delivered 48 pounds of food for the food bank, and numerous toiletries and socks and underwear for the Veterans. Way to go Elks.

Catalina Mountain Elks Youth Week Awards

By Pat Cox

Catalina Mountain Elks Lodge #2815 honored students at a celebration marking Elks National Youth Week in May. Youth Activities Coordinator Lisa Chavez organized the youth awards program and acted as master of ceremonies.

MCAT High School Principal Denise Coronado from the Marana Unified School District was guest speaker. The school offers a personalized educational experience that provides students with a variety of career options for earning a diploma in a more flexible program of study than a traditional school environment.

The Benevolent and Protective Order of Elks National Foundation recognizes top high school graduates from across the country with \$2.5 million in scholarship awards. The scholarships are awarded based upon the student's academic achievements, leadership skills, extracurricular activities, participation in community services, and financial need. Within the southern district alone, there are 34 high schools. Five of these schools are in the Catalina Mountain Elks Lodge jurisdiction. Lodge Scholarship Chairman Roger Mastro presented \$1,600 scholarships to two outstanding high school seniors, Joseph Weichsel, Canyon Del Oro High School, and McKinley Severson, Pusch Ridge Christian Academy. Both scholarship recipients plan to attend the University of Arizona.

The Catalina Mountain Elks Lodge also awarded a total of \$4,000 in scholarships distributed among five students pursuing higher education or technical training. The students receiving these awards were Peggy Brownlee, University of Arizona; Travis Dobbin, University of Notre Dame; Madison Johnson, Grand Canyon University; Lili Oland, University of Arizona; and, Aaron Peck, Butler University.

Six students from Coronado Middle School in Catalina were the winners of the Catalina Mountain Elks Americanism Essay Contest. This year's theme was "Why Veterans Are Our Heroes." Lodge Americanism Coordinator Al Peterson presented certificates to three students in Division I and three students in Division II.

Chairman Larry Wittenborn presented certificates to the winners of the Soccer Shoot and Hoop Shoot events.

Pictured are (from left) Exalted Ruler Gloria Cisneros, Everest Severson (McKinley Severson's brother), Joseph Weichsel, and Scholarship Chairman Roger Mastro.

HELPFUL TIPS

Vodka is not only good for drinking. Take a microfiber cloth, moisten just the corner with Vodka, and wipe it over your stove glass top. Even takes off burnt-on food bits. With another part of the cloth, dip in water and wipe over. Makes it shine also.

Flag Day Ceremony and Flag Retirement
Friday June 14
10 AM

The idea of an Elks Flay Day Service was first suggested in 1907 and officially mandated in 1911. It was not until 1949 the President of the United States signed PL 203, designating June 14th as Flag Day. Thus, the Elks was not only the first fraternal organization to celebrate Flag Day, but had made this ceremony mandatory many years before it became a national designated day to celebrate the anniversary of the 'birth of the American Flag'

Please join us on Friday June 14 at 10 AM at the Catalina Mountain Elks Lodge #2815 for this informative and inspirational Celebration of our American Flag.
