EXALTED RULER'S MESSAGE

Gloria Cisneros PER

It's amazing that it is already November! The Holiday season is upon us once again along with the much anticipated cooler weather. Welcome back to all of our winter visitors and we hope that you will be coming down to the Lodge to participate in the many fun events that we have planned.

Our Lodge held its annual Soccer Shoot on September 28th at James D. Kriegh Park and we had a great turnout. Thank you to all the volunteers that showed up bright and early and to Lisa Chavez who organized an outstanding event. The winners of our shoot will be participating in the District Soccer Shoot to be held October 27th at Jesse Owens Park so I hope to report next month that we have winners there going to the State Shoot.

October always brings the Arizona Elks Association's midyear convention in Tempe. I have always enjoyed attending these even when I am not required to. It is a great time to reconnect with fellow members from other Lodges that friendships have developed from throughout the years. Every convention, our Lodge hosts a hospitality room in the Exalted Ruler's accommodations. This is always a fun time as fellow Elks from other Lodges will stop by and have a few laughs. The business sessions are usually quite interesting as you get a refresher course in many different areas of Elkdom by way of the State Chairman giving speeches. The final day is always the best. Dr Ghishan from the Steele Children's Research Center gave an amazing speech about the importance of the Arizona Elks support of their research to help children with very deadly ailments. The Arizona Elks were able to present him with a \$225,000 check to further their cutting edge medical advancements. This is one of the amazing programs that your Major Projects donations go towards making a difference.

Our Drug Awareness Chairman, Neal Patronskey, has been working hard on the Drug Awareness Poster Contest with our local schools. We will be presenting the winners of three age groups with certificates on November 29th and their entries will be submitted to the District for judging at that level. What amazing talents these young ladies and gentlemen have. The Lodge contest winners will be honored at our Youth Week Awards ceremony in May.

Our Lodge Officers will be performing a new ceremony for Veteran's Day which is on November 11th. The ceremony will begin at 10 AM and we will have food afterwards. Please join us in honoring all of our Veterans from all Military Branches.

Our final Dignitary visit for my Lodge year will be from District Deputy Grand Exalted Ruler David Dean and his Lady Vickie who are from Sierra Vista Lodge #2065. Prior to his arrival, we will be audited by Angela Buso from the Kearny Lodge #2478 on November 6th. I am confident that our team of experts will do an amazing job during this audit. DDGER Dave will be meeting with Lodge Officers and Committee Chairs on November 14th prior to the Lodge meeting to give them the opportunity to let him know what they have achieved so far this year. These meetings are always great because there is an opportunity to exchange ideas that benefit everyone. Later in the evening, we will be performing Initiation for him during our Lodge meeting. It will give our amazing Ritual team the chance to show our pride in what we do to impress incoming members. We look forward to this visit from these two amazing Elks and Friends.

I hope you all have a very Happy Thanksgiving and are able to enjoy it with loved ones.

LEADING KNIGHT

By Monty Derting

Greetings fellow Elks all. It has been a busy month, and the next couple of months promise to be very enjoyable and fulfilling also! At our regular Lodge mtg., on the 10th., we were honored to have a special guest. Katie Murdoch, the Director of AEA Major Projects attended our meeting and presented our Lodge with a very special Certificate of Appreciation AND an Official Declaration into the Arizona Elks Major Projects Hall of Fame. This was only made possible as a direct result of the generosity and continuing support of our great members!! Thank you all Great Elks!

That said, the Holidays are just around the corner. It's time for us, as Elks, to focus on what we can do to help those less fortunate than us, right here in our own community. There are sign up sheets going up in the Lodge, notices in the Bugle, for all manner of help to assist those in need.

Let's do this!!! ELKS CARE, ELKS SHARE!!!
Happy and safe Thanksgiving to all!

ELK OF THE MONTH

Alane Asp - November 2019 Elk of the Month

There seems to be at least one thing in everyone's life that they are not really good at. ONE of the many things that baffle is accounting. I am not fond of learning about financials but am fascinated by people who are amazing at them. The November Elk of the Month is superb at this very thing and she is Alane Asp. Up until this year, she was our Lodge Treasurer for many years and always made everything look so easy. During that time, she got everything at our Lodge in perfect alignment to always shine during our audits and was always there to provide all the information we needed for various committee's needs and meetings. She has taught our new Treasurer, Larry Valverde, how to do the same thing and I appreciate her time on that. She has been helping many other Lodge's with their financials and reporting for years now and I know for a fact that they all are so appreciative of her help. She has moved on to be the Arizona Elks Association Treasurer this year and they are very lucky to have her. She is currently our Esteemed Loyal Knight which means in 2021 she will be our Lodge's Exalted Ruler. Alane has always been there to help out with our Soccer and Hoop Shoots, the Christmas Shopping Spree and any other function that she is asked to do. She and her husband, Steve, love to golf and travel in their RV with their beloved cat. Thank you so much for all your years of dedication to our Lodge, we are all greatly indebted to you.

Goodbye to daylight savings time...
the hour's gain amends the crime.
And next comes our Election Day...

We get a chance to thank our Vets...

We celebrate Thanksgiving Day...
with kith and kin to God we pray.

VETERANS COMMITTEE

By Robert Kielsa PER / Belinda Waller

I'm so happy to tell you that since April 1st, and with the help of many Elks, we have delivered \$39,900 in material and financial donations for our local veterans. A **BIG THANK YOU** to everyone who have so generously donated clothing, books and

toiletries for our veterans! **Travelers, don't forget the small toiletries from your motels/hotels. Our next collection is on Wednesday, November 13th at 1 PM on the patio.**

Our perennial green barrel is in the lounge for any donations you wish to make for either the homeless vets transitioning to some sort of housing who need such things as toilet paper, laundry and dish soap, paper towels, washcloths, trash bags, mops/brooms and floor cleaner; or to our homeless vets still on the streets. They need new t-shirts, socks, underwear and back packs. Bigger items may be placed in the POD in the parking lot. The POD is always unlocked and you are welcome to drop off any contributions in it.

With Christmas approaching, it is time to think about event item six (6) below and prepare for visiting our veterans at the hospital and presenting them with small gifts. As we've done in the past, please buy new t-shirts, socks, underwear, outer wear shirts to be distributed to veterans in the VA hospital. The Christmas party at the hospital this year is on Friday, December 13th. So all gifts need to be new, wrapped and tagged with info on size, description and if for a female or male. We would need all gifts in the lodge by Wednesday, December 11th.

As I mentioned in the October Bugle, we are going to expand our veterans committee to provide better coverage for our veterans needs. The biggest issue Belinda and I face is the amount of time necessary to manage all the different veteran areas. So I'm asking all interested Catalina Mountain Elks, to contact me if you have interest in volunteering as a Veterans Support Coordinator for one of the following areas we now support. I believe our lodge could address the following veteran area needs better if we could have one coordinator responsible for each area. The time commitment would be controlled by the coordinators and their volunteers, they would only need to plan for their one annual event.

Homeless Veterans - **Position partially filled.**

Blind Veterans

Fisher House

HUD - VASH

Wheelchair Veterans - **Position filled.**

Christmas at the VA Hospital

Christmas at the Arizona Veterans Home - **Position filled.**

Veteran meals at the lodge, number of events to be determined.

Please email me at BobKielsa@gmail.com or call me at 520-825-0240 for more information. I would like to meet with you and explain the structure and responsibilities of your chosen area. Belinda and I will take you to your contact people within the VA and will help you to get organized. This new structure will allow each team to set their own schedule and amount of time they wish to spend on their area. Even snow birds could work within this structure if they wish. **Please give this initiative some consideration, because if there is one thing I have learned, giving to veterans is one of the greatest feelings I have experienced as a Catalina Mountain Elk!**

SECRETARY'S CORNER

By Robin Danielson PER

Hello from the Secretary's office, hope all are enjoying the cooler weather. This is the time of year I enjoy that I live in Arizona.

I recently sent out "Did you forget" letters to the members who have not paid their membership dues for this Lodge year. I am hoping that some did truly just forget. If you received one of these letters, please consider paying those dues.

Last evening was Initiation night, wow we had 11 people to Initiated. Not a record for us, but is close. Please help me welcome these new members. They are: Robert and Gina Crawford, Cheryl and Lance Farrier, Urban Smith, Gilbert Hernandez, Bill Nagel, Loyd Cardell, Donna and Michael Raffanti and Gregory Davy. If you see any of these new members at the Lodge, introduce yourself and make them feel welcome.

Sig and I, along with others from our Lodge went to the Arizona State Convention this past weekend in Tempe. It was nice to see old friends and make a few new ones. It is always so informative to talk to other Elks and hear what is going on in the other Lodges in the state. If you have never been to one of these conventions it is worth the time to see what happens at the State Level within the ELKS.

HOUSE COMMITTEE

By Paul Slater

Howdy! The Night Under the Stars was a fantastic success, a special thank you to the entire team that worked so hard to make it a special night. Cindy and her kitchen team once again served a spectacular dinner. But most of you don't realize the work behind the scenes that happens to ensure a great event. For instance, there were several members that made the delicious appetizers, there was a small "army" that puts up the tent and moves all the tables and chairs outside. There is another group that assembles the flower arrangements and decorates for the event. All of this was done by our members, who once again demonstrate why our Lodge is so special.

As most of you know we have resumed "normal" taco nights on Tuesday. Gail has done a nice job in coordinating the evening and has been successful in recruiting new team members to volunteer. A special thanks goes out to Danny, Bonnie and Colleen for stepping up to help with the first official Taco Night!

Here is a save the date for our Annual Secret Santa which will be held on Saturday 21.Dec at 4pm. Gifts should be between \$10-15 and can be serious or gag gifts. This is always a lot of fun, and we will have a Potluck as well, so make sure you mark your calendar and sign up to bring you favorite potluck dish.

This month's shout out goes to Judy Humitz. Judy coordinated the Night Under the Stars, and without her and the countless volunteers she orchestrated, the evening would have never been as much fun for all of us.

Take care,
paul

MORE VETERAN'S INFORMATION

A Date To Remember:

Our second new Veterans ceremony will be on Veterans Day November 11th at 10 AM and it is open to the public. Sausage gravy, biscuits, eggs and fruit will be served after the ceremony. **We need a few volunteers to help prepping food and for serving! Please contact Gloria Cisneros or Bob Kielsa if you're available to help.**

LODGE ACTIVITIES

By Jan Trudeau

Fall is truly here and I'm enjoying the cooler temps (Ha Ha.) And, welcome back to all the snowbirds. Don't forget, we still have Taco Tuesday and Wednesday dinner. For Wednesday dinner you will need to sign up by closing time on the Monday before. We do this because we need to shop for the dinner on Tuesdays.

Night Under The Stars was spectacular-as usual. We had so much fun with the awesome dinner. Thanks to Cindy and crew for all the hard work. The Patrick Rayl band kept us going well into the night dancing and singing along. Great job. A big thank you to everyone who made the evening special.

Here are some fun activities we have planned for you at the Elks this month.

Karaoke is back! With the same twist....We are going to have it on Saturday November 16th at 5 PM. We are planning on a potluck that same day at 4 PM. Please come join us for food and fun. There is a sign-up sheet in the lounge for the potluck in the lounge. See you there!

Texas Hold "Em games are scheduled for Saturday November 9th at 1:30, and again on Saturday November 23rd at 1:30. Please sign up in the lounge so we know how many tables to set up.

We've got Bingo happening on Saturday November 30th. The fun starts at 2 PM. Come and check it out.

Monday November 11th, we have a Veterans Day ceremony planned. Come and join us at 10:00. And, the flags go up at 7:00 AM, and down at 5:00 PM. We can always use help.

Sundays, the lounge now opens at 11:00. Daylight saving time ends November 3rd. Now you can get some more shut-eye Sunday mornings before coming in to cheer for your favorite football team.

COMMUNITY ACTIVITIES

Again this year, we are looking for volunteers for the "Stuff a Bag" for Thanksgiving. Impact of Southern Arizona-the local food bank needs help on the Monday before Thanksgiving. This year it's the 25th. Golder Ranch fire house is the location. The sign-up sheet is in the lounge. Please come and help create the bags to be distributed to needy families for the Thanksgiving holiday. Time TBD. I will post the time as soon as I can get the information.

Christmas really is just around the corner. Our lodge is planning on "adopting" 20 local children to buy Christmas gifts for to help make their holidays more special. This program is organized through Impact of Southern AZ. I am looking for monetary donations for the "Adopt A Family" program. Please consider donating to this very special event. You can write a check to the Elks and write "adopt a family" in the memo line. If you have any questions, please ask me for information. Please take a look at the poster in the lounge with all the Thank You notes from last year's project. We can make a difference. Thank you in advance.

Catalina Mountain Lodge Donates to American Legion Riders

By Pat Cox

Steve Asp, Catalina Mountain Elks Lodge PER and Past Commander of American Legion Post 132, presented a check in the amount of \$1000 to Rick Bernard, Vice President of the Oro Valley American Legion Riders Post 132. The funds will be used for the State Veterans Home golf cart program to help purchase a cart that will be modified to accommodate wheelchairs. The Veterans Home residents can now ride in comfort around the VA medical facility grounds.

Catalina Mountain Elks Satisfaction Survey

By Bob Kielsa

This is a quick reminder about the survey that was included in your October *Bugle*. As I'm sure you're aware many companies you purchase products or services from include, as a follow up of your purchase, a customer satisfaction survey. Well our lodge survey is an important tool for two way communications between you and your lodge! If you did not receive a survey, or accidentally lost it, you may pick one up at our lounge from our bartenders. You may give them your completed survey for me to pick up. I can tell you as of this writing, the male participants outnumber the females by a 2 to 1 ratio. Ladies, please be like my wife and tell me the good, the bad and the ugly about our lodge. I will provide our members with an overall summary in the December *Bugle*. Please have your surveys in by November 11th so I have time to enter the info and write the report.

PER ASSOCIATION

By Robert Kielsa PER

A quick reminder of our 7th Queen of Hearts game completed eight weeks ago. The final pot was \$27,669. After the lodge deduction Ray had a total of \$24,902 prior to tax deduction. For the total game \$42,067 was paid out to all our weekly winners. Catalina Mountain collected \$12,394 for charitable work, building maintenance and improvements.

A big thank you to all our members who helped our lodge by playing the Queen of Hearts. The good news is we started game 8 and have a pot around \$4,000+ presently. Please join us for our Friday night get together and cheering for our weekly winners.

Some recent expenditures paid for by the PER's are: \$150 for Wreaths Across America, 25 \$10 Walmart Gift cards for older children participating in some form at the Steele Children's Research Center, \$1,000 toward an expanded golf cart to carry wheelchair bound veterans at the Arizona Veterans Home and 10 \$50 gift cards for Veterans transitioning to housing.

Catalina Mountain Elks Dictionary Project

By Pat Cox

Catalina Mountain Elks Lodge #2815 Dictionary Project Chairperson Joyce Garcia, ER Gloria Cisneros and lodge members Deborah Derting and Mimi Wittenborn distributed 160 dictionaries to third-grade students at Casa Christian, Copper Creek, Immaculate Heart, and Mesa Verde elementary schools in Oro Valley. Joyce has made this worthwhile endeavor her personal project by funding the cost of all dictionaries for many years.

The Dictionary Project was founded in 1995 by a South Carolina teacher, Mary French. Her sole mission was to distribute dictionaries to as many third-grade students as possible. In 2002, the project was expanded to 12 states along the eastern seaboard, including New York. The Benevolent and Protective Order of Elks proudly joined in the effort and now provides dictionaries to third-graders in all 50 states.
