Exalted Ruler's Message - Kim McIlonie

Happy Fall, everyone! We made it through another Arizona summer, and the Monsoon certainly did not disappoint this year! As we head into fall, there is a lot happening at the lodge, and I hope everyone will take some time to stop by, get involved, and enjoy the fellowship that makes our lodge so special. I want to mention membership once again. We really need to try to bring our delinquent members back to the lodge. If you sponsored someone who has not renewed their membership, please reach out to them. Take a moment to talk with them and find out why they did not renew. Maybe something happened, or perhaps there is something we could be doing better. Most importantly, let them know that they are missed and that we would love to have them back. I am also super excited because FOOTBALL IS BACK! That was the longest seven months! It almost feels like torture. We have the NFL package at the lodge, so you can be sure to watch your favorite team and enjoy the games with your fellow members. Food is always available during halftime of the first games for a \$5 donation. There is also a signup sheet at the lodge if you would like to bring food for one of the weeks.

So put on your football gear, come on down, grab a seat, and root for your team! October is already shaping up to be another busy and exciting month. This first Saturday in October is our '70s Party for Clothes-a-Child. This should be a fun time, so come out and support this wonderful cause. Leslie Huerta and Cindy LaFaive, as well as Sewing it Forward, work extremely hard on this event, and your support is appreciated. On October 24, we will have our Veterans Game Day, featuring four different games: air rifles, cornhole, darts, and laser pistols. This is a fun event that also serves an important purpose, helping us support our homeless and paralyzed veterans. Come out, have some fun, and help us give back to those who have given so much. Then, on October 31 from 2 - 4 p.m., we will be having Trunk or Treat in the front parking lot. Bring the kids, decorate your trunks, and join us for some Halloween fun! We work hard together to support our veterans, children, and community, and there is so much to be proud of. Thank you to everyone who continues to give their time, energy, and support. I hope to see all of you at the lodge soon!

Fraternally,

Kim McIlonie, ER

Leading Knight - Lisa Hensley

September was another busy and rewarding month at Catalina Mountain Elks Lodge #2815, and once again it showed just how much we can accomplish when everyone comes together. Our Labor Day celebration was a big success!

Thank you to everyone who helped with the burgers and brats, and a very special thank-you to John Cirelli and Jimmy Wall for doing the cooking. We also appreciate everyone who helped put the flags up bright and early in the morning and take them down at the end of the day. It takes many helping hands to make these events successful, and we truly appreciate everyone who pitched in. Patriot Day was another very special and rewarding experience. A special thank-you to Jan Trudeau for organizing everything, and to everyone who cooked and helped provide food for our firefighters. It was wonderful to have the opportunity to show our appreciation for the men and women who serve and protect our community. Sometimes something as simple as preparing and sharing a meal can mean so much. Our Friends of PACC Donation Event was a huge success! Thank you to all of the volunteers who helped make the event so successful and to everyone who donated. We received lots and lots of wonderful donations for our furry friends! It was great to see such an outpouring of support from our members and community. Every donation made a difference, and we are so grateful to everyone who helped. The AEMP Spaghetti Western was a wonderful event that supports a wonderful cause. A very special thank-you to Lisa Chavez for always putting so much into this event and making it such a success. Thank you as well to everyone who helped and

supported this worthwhile cause. Now we are heading into another busy month at the Lodge. October 3 brings our Clothe a Child 70's Party at 5 PM, which should be a fun evening while supporting another wonderful cause. We also have plenty of our regular activities throughout the month, including Queen of Hearts, Darts on the Patio, NFL football, Texas Hold'Em, Bunco, Trivia and Bingo. Be sure to mark your calendars for the Veterans Games on Saturday, October 24 at 10 AM. Supporting our veterans is an important part of what we do as Elks, and I hope we have a great turnout. Later in the month we also have Game Night on October 26 and Dinner and Music Bingo on October 28, so there are plenty of opportunities to come down, have some fun and support the Lodge. One of the things I enjoy most about being an Elk is seeing charity put into action. Charity doesn't always have to be something big. Sometimes it is cooking a meal, carrying a flag, bringing in a donation for an animal in need, volunteering a few hours, or simply showing up when someone needs help. All of those little things add up, and they are what make our Lodge and our community so special. Thank you to all of our members and volunteers for your continued generosity, your time, and everything you do for Catalina Mountain Elks Lodge #2815 and our community. I hope to see everyone around the Lodge in October!

Together, we really do make a difference.

Fraternally,
Lisa Hensley

Secretary's Corner - Mimi Wittenborn

From the Secretary's desk :I don't know about you but I'm ready for fall and cooler weather. September has been a busy month with new game nights, fun fundraisers and several new members. I want to welcome our new members. And October appears to be busy as well. A lot of fun events coming up, don't miss out. So now comes my usual "nag"! We still have 56 delinquents, which is unacceptable. I hate that you will miss out on so many events. Please get those dues in or let me know why you decided not to continue as an Elk. If there is a problem, we need to know about it so

we can work to correct it. Thank you to those of you who have gotten your event reporting forms in to me in a timely manner. I appreciate it.

Our September workshop was attended by 22 ladies, three of which were new to our group. The sewing machines were busy throughout the room, while others stuffed treat bags and wrote out cards. We continue to create great things for the veterans and the hospital kids at the Steele Center. Everyone enjoyed the lunch from Rudy's BBQ. We were able to deliver 18 pillowcases, 84 Halloween cards, 64 treat bags and some baby items to the Steele Center. We also delivered 10 wheelchair bags, 8 walker bags, 1 dignity bib and 68 "Thinking of You" cards to the Arizona State Home for Veterans. Be sure to add the following dates to your calendars (second Monday of each month) – October 12 th , November 16 th and December 14 th .You can help us with donations to fill Halloween treat bags (fruit snacks, cookies, pretzels, juice boxes – and even treat size candies). If you want to think ahead to Christmas for Steele kids, we can use Barbie dolls, toy cars & trucks and kids pj's, books, coloring books and socks. We will be filling vinyl Christmas bags that can be used anytime. Looking forward to seeing you all next month!

Clothe A Child

Happy Fall my Fellow Elk's!

First off, a sincere "Thank you" to those that have participated and donated already to this great cause in anyway. If you attended our 70's bash, we hope you had as much fun as we did!! Your generosity is greatly appreciated and we wouldn't be able to have the Children's Clothe a Child signature event twice a year without YOU!! I believe this is our 26 th year doing so – because this is what Elks do!! I would like you to know Cindy, my co-Chairperson, and I continue to plan for the Christmas Clothe a Child event. The big day will be Saturday, December 5, 2026, supporting 26 underprivileged Roadrunner Elementary school children. If you haven't attended this event, you should, it truly brings smiles on everyone and gets you in the Christmas spirit by certainly humbling and warming your heart!! As you know, we need lots of Volunteers that day for shopping with each child and helping with the pizza party afterwards in the lodge for a couple of hours. You will find our marketing flyer and sign-up sheet in the lodge. Feel free to sign up there, call or email us. Thanks very much,

Past Exalted Ruler Association - Paul Slater, PERA President and PACC Update

Howdy! Well, the Queen continues to elude us on Friday's! Nice to see the jackpot grow that will make someone VERY happy when they find the Queen of Hearts! We continue to work on the details for our Mortgage Burn Down Party. This is such an amazing accomplishment that would not have been possible without the support of every one of you, our amazing members! We will have more information available soon, so keep an eye out for the flyers posted in the lounge and email blasts. We are planning special recognition of our Charter members as well as hosting the current AZ Elks State President Frank Busso and his lovely lady, Angela during the event. A friendly reminder that you must have a valid membership card (paid your dues) and PLEASE make sure that your name is legible, and there is a phone number on each ticket. I did notice that my first time selling, there were a few tickets with just a name. If a ticket without a number is picked, it will be discarded, and another "properly filled out" ticket will be selected.

PACC Update For the last decade, donations to Friends of Pima Animal Care Center have fueled innovative animal lifesaving programs, providing care and hope for countless animals and pet-loving families. This local nonprofit organization has helped more than 75,000 families with veterinary care, behavioral support, supplies, and pet-friendly guidance. A huge thank you to everyone that contributed to our PACC Donation Event. Kathleen, Pam, Debra, John, and Jimmy did an amazing job in coordinating our inaugural event. The generosity was overwhelming. The team raised \$1560 in cash that bought Debra's handmade animal jewelry, the bake goods that everyone made (Marie, you outdid yourself again!), and of course the fun Wheel of Fortune. In addition to the cash there was at least \$2-3000. All of this will be brought directly to PACC to support that good work that they do here in Pima County. As always, please use our "Doggie Bank" located in the bar to donate. Thank you in advance. YTD Donations: \$2968.00

It's really fun!!

COMMUNITY ACTIVITIES

A huge Thank You to everyone who helped on Friday 9/11/26. We delivered home cooked meals to the 10 firehouses in the Golder Ranch fire district. We did this to honor our first responders for all they do every day, and to always remember and never forget those we lost on 9/11/01. Don't forget Christmas is just around the corner. I am looking for monetary donations for the Adopt a Family project. We "adopt" 20 kids from the local food bank and buy them clothes, toys and art supplies for Christmas.

Please consider donating to this worthy charity.

Thank you.

Inaugural Kid'd Day Event

ELKS KIDS DAY - KICK • SHOOT • CREATE!

Saturday, December 12, 2026 | Competition Begins at 9:00 AM

This December, Catalina Mountain Elks is trying something new - and we need our Elks family to help us make it a success! On Saturday, December 12, we will host our first-ever Elks Kids Day, a completely FREE community event designed to bring local children and families to our Lodge for a morning of fun, competition, creativity and community. Kids Day will feature the Elks Soccer Shoot, Elks Hoop Shoot, Drug Awareness Poster Contest, face painting and plenty of fun. At 11:00 AM, we'll wrap up the competitions, announce our winners and enjoy a FREE lunch together. There is something for a wide range of ages. Our Soccer Shoot will welcome youngsters age 7 & under through age 15, while the Hoop Shoot is open to children ages 8-13. The Drug Awareness Poster Contest is open to 3rd, 4th and 5th graders, with this year's theme: "A Healthy Me Is Drug Free" But Kids Day isn't just for the kids who compete. We want this to be a morning when families come to the Lodge, have fun together and get to know the Elks. A successful Kids Day will take a Lodge full of helping hands. We will need volunteers to welcome families, help with registration, assist with the Soccer and Hoop Shoots, serve lunch, help with face painting, hand out awards, answer questions and simply make our guests feel welcome. You don't have to be an athlete to volunteer! If you can smile, greet a family, carry a box, serve a hot dog, keep score or cheer for a child, we can use you. And please don't come alone! Bring your children. Bring your grandchildren. Bring your great-grandchildren. Tell your neighbors, friends, church family and coworkers. Share the event with families you know and help us spread the word throughout our community. The Hoop Shoot and Soccer Shoot are about much more than making baskets and kicking goals. They give young people an opportunity to challenge themselves, build confidence and experience good sportsmanship. Our Drug Awareness Program reinforces another important message - helping children understand that healthy choices can lead to a bright future. Most importantly, Kids Day gives us an opportunity to show local families who the Elks are and what we do for our community. **HELP US MAKE OUR FIRST KIDS DAY A TRADITION!** For information or to volunteer, contact Lisa Chavez at 520-609-2484.

Elk Of The Month—October

This month's Elk of the Month is Gloria Cisneros.

Gloria has been nothing short of a Godsend this year, and I cannot thank her enough for everything she has done for me, our Lodge, and our members. Gloria has stepped up time and time again to guide me, offer her knowledge, and make sure I had the support I needed. Her willingness to help has made more of a difference than she probably realizes. Gloria has also gone above and beyond by filling in for officers at meetings and initiations whenever needed. She never seems to hesitate when there is a job that needs to be done. Most recently, she volunteered to serve as Esquire while Steve recovers from his surgery, once again demonstrating her commitment to our Lodge and her fellow Elks. Gloria embodies what Elkdom is all about. She gives her time, shares her experience, supports her fellow officers and members, and steps forward when she is needed most. I truly believe that if every Lodge had a Gloria, every lodge would be unstoppable.

Veterans Committee - PER Bob Kielsa

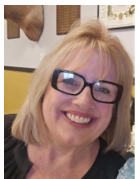

I'm happy to report Non Cash Donations total \$66,839, our Cash Donations escalated to \$6,109, and our Welcome Home Kits have reached a new high this early in the year to \$20,483. All this work brings our total Veterans Donations to \$93,431! **Heads**

up: our Veterans Game Day is set for Saturday, October 24th 10 AM. We have four games set for your enjoyment with lots of food and a truck load of raffle items. For Veterans Game Day we look to our members to help with our raffle items. As in the past, members have decorated baskets and donated gift certificates for our event. As you complete your raffle items, please place them in the small conference room for safe keeping. As we hit late Summer, our homeless veterans are in need of a number of things we can contribute that will help with their comfort and health. Canned food, like chili, soup, stew, tuna, chicken, spam, and fruit cups. Crackers, trail mix, beef jerky, individual bags of chips/crackers/snacks, protein bars, cookies and canned fruit are helpful. Mouthwash in smaller bottles, toothpaste and brushes, lip balm, sunscreen and

hats are needed as well. Backpacks, small amount gift cards (\$10, \$15) to grocery stores and fast food are also very helpful. As far as clothing goes, we need new T-shirts (Med, Lg, XL), jeans (W 33, 34, 36), long sleeve shirts and socks. Please place all NEW items, along with food, in the White barrel in the lounge. As always, a big thank you for your continued support for our veterans! Well he's done it again, what, who? That would be Jack Baillargeon! Oh he left his 60 hour a week job years ago, and started his 40 hour a week job with Catalina Mountain Elks Lodge # 2815. Jack has officially hung up his Elk antlers and will be spending his undivided time and attention with his wonderful partner and wife Gail Baillargeon! As one of the Past Exalted Rulers Jack shepherd through the challenges, surprises and joys of my year, I just want to take a moment and to thank him! Not for just the time he spent working with me, but also, what I suspect was thousands of hours and dollars he has contributed to his Elks lodge, our members, as well as state and national responsibilities he has carried throughout the years. I'll miss your passion and unfathomable knowledge you brought to all of us! **Thank you**

House Committee - Ann Girvin

Six Months In — And What I've Learned It's hard to believe that it has already been six months since I took on the position of House Committee Chair at the Catalina Mountain Elks. When I first accepted the position, I knew there would be a lot to learn, but I don't think I fully realized just how much work goes on behind the scenes to keep our Lodge running. There is so much more to the Lodge than what we see when we walk through the doors. From the kitchen and the bar to maintenance, events, finances, scheduling and everything in between, there are countless details that have to be taken care of every day. And behind all of it are our committees and the members who volunteer their time to make things happen. Over these past six months, I've gained a whole new appreciation for the people who step up, pitch in and get the job done. Many of the things that happen at our Lodge simply wouldn't happen without volunteers. Sometimes the work is visible, and sometimes it happens quietly behind the scenes, but **all of it matters**. One of my goals as House Committee Chair is to help our Lodge continue to be a place where members want to spend

time, bring friends, enjoy a meal, have a drink, play a game and, most importantly, feel like they are part of something. **Something New Starting October 1st** I'm also excited to share that beginning **October 1st, we will have bar food available most of the time the bar is open**. This will give members another option when they want a quick bite while enjoying some time at the Lodge without having to wait for a scheduled dinner We're working on the details and menu, but the goal is simple: **simple food, convenient options and another reason to come hang out at your Lodge**. As I look back on my first six months, I'm grateful for everything I've learned and for all of the people who have helped me along the way. I'm especially thankful for the members who volunteer, serve on committees, help with events, work in the kitchen, maintain our building and do all those little things that often go unnoticed. There is a tremendous amount of work that goes into making Catalina Mountain Elks the Lodge it is, and I'm proud to be a part of it. Here's to the next six months — and to continuing to make our Lodge a place where everyone can come together, have fun and lend a hand.
