## Exalted Ruler's Message - Paul Slater

Howdy!  
What another I hope that everyone had a great holiday season, and that you were able to spend it with family and friends. Last month went amazingly fast and it is hard to believe that 2026 is now here. The highlight of the month for me was our Elks Memorial Service held on Dec. 6 th . While it is always hard to say goodbye to our friends and members, it is also an honor to have known them and to say goodbye in such a beautiful ceremony. I have said it many times, if you are not attending some of the Elks ceremonies, you are missing a huge part of being an Elk. My New Year's wish is that you attend at least one in 2026. I promise it will be time well spent. A quick update on the lodge expansion project: we have had the preliminary plans up in the lodge room and lounge. Please take some time to look them over and let us know your thoughts or questions. We would love to hear from you and ensure that our new lodge will be incredible. We have formally submitted our request to the Grand Lodge to move forward with permits, plans, etc. You will start to see information on our fundraising projects for our new home, as we

still have a lot of work to do to make this vision a reality for our lodge. I will be looking for members to join a fundraising task force to develop ways to increase our impact. If you would like to be a part of this group, please let me know. Happy New Year, and as always, if you have questions or concerns, you can always reach out to me via email ([pslates1987@gmail.com](mailto:pslates1987@gmail.com)) or phone (520.268.2375)

Take care,  
paul

**H**appy New Year!!!  
I hope everybody had a wonderful Christmas full of family, friends, love, and laughter. Iron Elk cooking contest returns on January 17 th at 3:30pm. If you have not

been part of this event yet, please try to attend. We would love to have more cooks join in the fun. But you do not have to cook, you can be a judge for \$5. We also have the Grill Your Own Steak on the 31 st at 5pm with our amazing cooks Jim & Kyle manning the grills.

I found a cute poem online and used AI to make it all about Elkdome, I hope you enjoy it.

### A New Year in Elkdome

A New Year dawns with promise bright, A chance to serve, to lead, unite. With lessons learned from years now past, We stand in strength—our bond steadfast. In Charity given, freely shared, In Justice sought and lives made fair, Through Brotherly Love in all we do, And Fidelity strong, steadfast, and true. We stand for Veterans who have served, With grateful hearts and purpose firm, And for our children—hope made strong, The future shaped where they belong. These guiding

principles light our way, In Lodge and community, day by day. No task too small, no call too far, Each Elk a light, each Lodge a star. So as this year unfolds its way, May Elkdome guide us day by day. With Faith, Hope, and Charity anew, We step ahead—proud Elks, renewed.

Faternally,

Kim McIlonie

## January 2026 Sewing it Forward

For the Christmas luncheon, we served 45 people. That is an amazing turnout. A business meeting was held, January meeting we will decide how to raise the cash flow and who we want to donate too. Many suggestions are made, all for kids, Youth on their Own, to Esperanza En Escalante, GAP in Marana, and some local schools too. We are a working group for sure, at the party we stuffed cards, signed cards and had a craft corner that the ladies really enjoyed doing. And a White Elephant game where everyone got to take home a nice gift. January 12th is our next workshop. Join the fun, meet new friends. Men are invited too.

Gifts for the Steele Center Kids includes pillowcases, gift bags, Mason Jar cards, stuff toys and books value \$900

Gift Cards for the Veterans for the Esperanza en Escalante kids Lots of toys and stuff animals, Jean jackets Value \$800

## Past Exalted Ruler Association - Douglas Harpold, PERA President

**H**ello Everyone. I hope your Holiday Season was Merry and Bright, and I know that you all got everything you asked for from Santa because there are no naughty Elks! We are still going strong into the New Year with our Queen of Hearts. We have had several members take home some good prizes with some high percentage cards being drawn, but we still have a pot over the \$15,000 mark. Well worth a trip into the lodge to try and win some vacation money (or however you would like to use it), and have a great meal. If you haven't been in recently, Ann Girvin has been doing a wonderful job in the kitchen coming up with some really good meals at a very reasonable price. She has some wonderful helpers as well, and even though I can't name them all, I must say

that Joel LeFaive has been a pretty constant fixture as a helper/cook! You may have noticed in the dining room/ Lodge Room that we now have a thermometer on the wall to track us paying down the mortgage and helping us to move forward with the new building. Any help that you may be able to give to support this ongoing project would be amazing and appreciated as well. It will take all of us to come together as a lodge to bring this project together and make it come to fruition.

I want to wish you all a Happy and Healthy New Year filled with Love, Laughter, and Friendship!

## ENF Report - Ron Starjnski, PER

**H**ello Everyone! Around the holidays, it's easy to imagine being in a town like Whoville: a place where every lamppost is dressed and the Whoville band marches in their Christmasy best, where holiday cheer and whimsy are a way of life.

While this town from How the Grinch Stole Christmas may be fictional, one Elks Lodge is turning its own version of Whoville into a reality. Using a Beacon Grant from the Community Investments Program worth \$4,000, Westminster, Md., Lodge No. 2277 partners with a local nonprofit organization to host a Christmas giving event. The organization, Live Hope Laugh, is dedicated to making an impact on the lives of children and teenagers who live with chronic illnesses. Together, the two have hosted the event at the Westminster Lodge for 10 years. When community members enter the Lodge's backyard at the start of the event, they immediately step into another world: a Christmas town with lights, wrapping paper, inflatables, s'mores, Santa Claus—and even the Grinch! They are also treated to a magic show, a DJ set, and plenty of delicious holiday food. But the magic of Christmas town isn't the only way the Lodge helps spread holiday cheer. While the

**Elks  
National  
Foundation, Inc.**

children keep the Grinch at bay, Lodge members sneak away to the parking lot and load every car with gift baskets. Including food and presents from each family's individualized wish list, like sheets, bedding, socks, clothes, and school supplies, these gift baskets are the perfect way to send families home with hearts that have grown three sizes. It may not be Whoville, but with its Beacon Grant, the Westminster Lodge is spreading holiday cheer and making meaningful differences in the lives of its neighbors. Not every Lodge can create their own Christmas town, but no matter the project or the time of year, Elks are always there for their community. If you would like to make a meaningful difference in the lives of your neighbors, please volunteer to help with CIP grants. Applications close January 21; don't delay! Our Lodge, Catalina Mountain Lodge # 2815, is currently 3rd in the state for both donations and per member, \$11,824 and \$20.281 respectively. Donate today and let's try for first place by the end of the year. Thank you all and if you have any questions my email address is rstarjnski@gmail.com I will see you at the lodge.

### C OMMUNITY ACTIVITIES

I want to Thank everyone who helped with the Adopt a Child project. This year, we "adopted" 20 children from the local food bank-Impact of Southern Arizona. We purchased toys, clothing and art supplies for them. We wrapped all the presents and delivered them to Impact for distribution. Each child received at least 6 presents to open. I'm sure they had a merrier Christmas since we were able to help out with gifts. All January long, we will have a food drive at the Elks. The requested item is PASTA. Please bring some bags or boxes of dried pasta to the lodge for Impact of Southern Arizona. We will collect the pasta and deliver it to the food bank to stock their shelves with this pantry staple. There is a box by the lounge front door.

## New Building Update—Kathy Hernandez, Treasurer

As your outgoing Treasurer, I sincerely hope everyone enjoyed the holidays and that everyone is ready to embrace this New Year with enthusiasm. Just look around – the bar is buzzing and the dinner nights (both Wednesday and Friday) are filling the lodge room. You can all recognize we need more space – and if you haven't noticed the concept design in the lodge room, please take a moment to check it out. We have sent the application for approval to Grand Lodge to continue our efforts to bring this concept to life. In the meantime – we need to “Burn Down” the mortgage we currently have in order to fund the new building. Please watch for the thermometer visual to be displayed in the lodge room as we track our progress on the mortgage reduction. We just celebrated the Lodge's 25 th Anniversary on October 11 and honored those of our founding members that made it happen. We are now the next generation that will bring the new building to fruition. If you are able – and would like – to help our efforts in this aggressive mortgage burn down, please make any contributions to the Lodge with the message “Mortgage Burn Down”. All additional funds will go directly against the principal - \$69K as of 12/9/25. Let's start the year with a “Can Do” attitude! While not your official Treasurer, I am still involved!

Kathy Hernandez

## Veterans Committee - PER Bob Kielsa

Our Non Cash donations have reached \$106,784 Cash donations total \$18,312 and we have \$22,654 in

Welcome Home Kits for our Homeless Veterans. This brings our total Veteran donations to \$147,750 for this lodge year ending on March 31, 2026. I realized, when reading some of my earlier reports, I don't always report all the donations and activities our committee contribute to our veterans. Below is an incomplete list of what we have supplied our veterans this year: We delivered 50 Welcome Home Kits valued at \$22,654. We delivered \$106,784 in used clothing, shoes, books & misc. items. We provided \$1,700 to help Escalante En Esperanza to meet VA requirements for up to date medical cabinets. We contributed \$720 for music for our Arizona Veterans Home. 5. Our Sewing It Forward group donated \$800 in Christmas toys, stuffed animals, pillowcases, soccer balls and clothing to Esperanza en Escalante. They also provided \$1,350 of new baby baskets for pregnant service personal or their spouses. 6. We contributed \$160 for Wreaths Across America at the Arizona Veterans Cemetery in Marana. 7. We contributed \$1,000 for counseling homeless veterans. 8. We contributed \$1,000 to Arizona Heroes Memorial. 9. We donated \$7,098 of food and

clothing for Homeless Veterans. 10. Our lodge membership has jointly sent over 250 Christmas cards to veterans in the Arizona Veterans home and to Recovering Soldiers at Walter Reed Army Medical Center in NW Washington DC. 11. We spent \$1,000 to help two vet families into their apartments. 12. We spent over \$1,000 for 19 Christmas gifts for our Arizona Veterans Home patients. None of this is possible without our members help and generosity! Your participation in our two fundraisers helps tremendously, as well as the money you place in the Vet Jar on the bar. Your donations of guns has brought in many dollars for us!

You can help our homeless veterans by contributing new Undershorts and T-shirts (Med, Lg, XL), Jeans ( W 33, 34, 36) and Socks. Please place any NEW items in the White barrel in the lounge and USED items in the Pod in the front of the lodge. Do not place new items in the vet pod outside! The weather is turning cool, so any warm clothing you can donate, new or used, would be very helpful. Again, please place new items in the white barrel in the lounge. As always, a big thank you for your continued support for our veterans! Happy New Year to all our lodge members and their families!

## House Committee - Pam Wedwaldt

Goodbye 2025 and hello 2026. Where do the years go? They seem to just fly by! When you are making your New Year resolutions why not make one to volunteer some time at the Elks. We have several committees within

the house committee that could use your help. It could be in the kitchen or helping out at our various parties or weekly events. Even an hour or two a month would make a difference. You can find out what's coming up in the

Lodge Activities article or by attending a House Committee meeting. We meet the first Thursday of the month at 4:30 and would be happy to see some new faces. Hope to see you there. Let's all make this a great year for our Lodge.

Many hands  
make light  
work

## Elk of the Month - January

This month's Elk of the Month is Joel Lefaive. If you have ever been to a Wednesday dinner or Queen of Hearts, he is always in the kitchen working hard, but with a massive smile on his face. His willingness to set up and help make our lodge meals memorable is an excellent example for all of us to be joyful in our volunteering and make our lodge the best it can be!!
