Compliant veterans linked to and referred by the Wilmington VA will not need to leave the sober living homes as they phase down in treatment. They will eventually need to pay their own rent, approximately \$190.00 weekly, and continue to live and flourish in the Atlantic County New Jersey Recovery Community or return to their communities as they phase out of treatment.

Our team works with prevocational and vocational agencies and build this process into our treatment planning to support our clientele with great success
