609-645-9467 fax

[callcenter@behavioralcrossroads.com](mailto:callcenter@behavioralcrossroads.com)

- **Egg Harbor Twp., NJ**

- **Behavioral Crossroads, LLC & Behavioral Crossroads Recovery, LLC**

- Levels of Care
  - Mental Health Partial Hospitalization Program (5 days) (Co-occurring dual mental health and substance abuse)
  - Substance Use Disorder Partial Hospitalization Program (5 days), Intensive Outpatient (9-10 hours), Outpatient (1-4 hours) (Co-occurring dual mental health and substance abuse)
- Dual licensed mental health and substance use disorder programs which are outpatient in nature with a broad range of funding streams from in-network commercial insurances to public funding, justice involved funding and Medicaid.
- These two programs are designed to maximize high quality treatment with a combination of in-person, telehealth and audio only therapy for a large volume population of individuals linked to many industry-based case management and justice involved entities. Key and large referral sources are the Division of Children and Family, Atlantic County Government Department of Welfare, the Court system in Federal and County Probation, NJ State Parole, Intensive Supervision, Hospitals, Detox and Residential substance use disorder agencies and Homeless shelters
- Specialty Tracts include:
  - Co-Occurring Program (dual mental health and substance abuse)
    - Prescription Management
  - Anger Management and Recovery
  - Sexual Addiction and Recovery
  - Justice Involved Recovery
  - Family Support Program
  - OBAT – Suboxone, Vivitrol & Navigation with the Recovery Wellness Group (see next slide)
  - BHH – Behavioral Health Home

- **Egg Harbor Twp., NJ**

- **Recovery Wellness Group at BCR**

The Recovery Wellness Group is our proprietary Physicians Group Practice. **RWG** is a sub program built into **BCR** Behavioral Crossroads Recovery. It is Office Based Addiction Treatment (OBAT) for patients struggling with substance abuse in New Jersey. Our OBAT team provides treatment options for substance use disorders. Patients receive specialized treatment for their substance use disorder in an office based primary care setting. Patients can visit our office or start addiction treatment for drugs and alcohol from anywhere in New Jersey virtually. We offer flexible access to care and in-patient and outpatient recovery programs for those struggling with substance abuse. This is a Medicaid program.

### Treatments & Services

The OBAT Program provides the following services to patients:

- Treatment for all types of Substance Use Disorders including opioid and alcohol use disorders
- Medications for Opioid Use Disorder (MOUD) including Suboxone and Vivitrol
- Trained addiction experts including physicians, nurse practitioners, social workers, and admin team
- Direct access to the team and sessions with APN
- Sessions with the Navigator to address concerns, progress in treatment, and link to outside services
- All sessions can be held remotely
- Compassionate and individualized care

- **Egg Harbor Twp., NJ**

- **Greenbranch Recovery and Wellness, LLC**

- Greenbranch is a high-end demographic boutique substance use disorder primary program licensed for outpatient co-occurring mental health and substance use disorder services. This agency boasts small groups and licensed clinicians in direct care roles. This agency treats a more affluent professional and para-professional with referrals coming from employee assistance professionals, hospitals, and institutions. The staff are trauma informed and EMDR is available on a case-by-case basis. The funding is private pay and out of network commercial insurance. There are also several ancillary services to help holistically treat our clients in the form of wellness therapies, mindfulness, music and art therapies. All services are both in-person and telehealth. Greenbranch is proud to offer VA Veterans Administration Contracting and Treatment for our local Veterans.
- Levels of Care
  - Mental Health Outpatient (1-4 hours) (Process Counselling, LLC)
  - Substance Use Disorder Partial Hospitalization Program (5 days), Intensive Outpatient (9-10 hours), Outpatient (1-4 hours) (Co-occurring dual mental health and substance abuse)

- **Recovery at the Crossroads, LLC**

- Levels of Care
  - Substance Use Disorder Partial Hospitalization Program (5 days), Intensive Outpatient (9-10 hours), Outpatient (1-4 hours) (Co-occurring dual mental health and substance abuse)
- Recovery at the Crossroads is an outpatient treatment center that focuses on co-occurring substance use disorder primary care. This agency boasts small groups and licensed clinicians in direct care roles. The modalities offered in RAC have a holistic approach and feature trauma informed care with doctoral staff that offer EMDR Eye Movement Desensitization and Reprocessing therapy and well as other ancillary services to help treat our clients in the form of wellness, adventure, music and art therapies. The environment of care is most commonly extended care “partial care” with sober living support. This approach models the appropriate outpatient level of care wrapped in a social sober living housing structure to aid the rehabilitation process and minimize distractions to enhance the focus on recovery. These sober living clients are private pay and use the out of network benefit for treatment and pay rent in the sober living housing component. This level of care also has an Orthodox Jewish tract available to those of the Jewish faith who wish to maintain a Glatt Kosher culturally compliant experience in treatment, while maintaining the necessary linkage to their spirituality. This tract has access to a Rabbi affiliated to the local Chabad and offers all of the necessary religious oversight year-round throughout the Hebrew calendar maintaining observance in all holidays and traditions. RAC also boasts healthy day and evening community SUD IOP & OP sessions both in-person and telehealth.
