Flags or markers to identify your spot must be in place by MAY 5TH and kept visible until October 1ST.

☐ **Check here if you have indicated any special instructions on the back of the application.**

We, the undersigned, hereby make application to Audubon County for permission to apply dust suppression in the described location. The Applicant agrees to the following:

1. **DEADLINE FOR SIGN-UP IS MAY 5th.** In order for the county to have sufficient time to prepare the roads before the first application, **no applications can be accepted after this date. There will be no grace period.**
2. To maintain markers of flags identifying the outer limits of the area to be treated for dust suppression. **Flags must be in place by May 5th and kept visible until October 1st.** Using flags will serve to visually remind the blade operator as to the location of the treated area. Failure to identify the treated area may result in your dust suppression being bladed through. Neither the county nor Jerico Services assumes any liability if your flags are not in place. If your flags are not in place when we come to make your application, we will center the application on your house.
3. The county reserves the right to blade the treated area if it is deemed necessary for public safety. **Your road will be thoroughly bladed after October 1st in preparation for winter.**
4. This agreement is limited to **two** treatments only.
5. Jerico Services does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.
6. There will be **NO** treatments through or on the opposite side of intersections which are adjacent to a treated area. Any aforementioned areas will be bladed thoroughly.

I have read the terms of this permit and I am in agreement with them.
