Ⓥ **FLAGS / MARKERS must be in place by **May 3<sup>rd</sup>** and kept visible until **NOVEMBER 1<sup>ST</sup>**.**

**FLAGS MAY BE PICKED UP AT:**  
Page County Shop  
1024 E. State Street  
Clarinda, IA

We, the undersigned, hereby make application to Page County for permission to apply **LIQUIDOW™ Calcium Chloride** for dust suppression in the described location. The Applicant agrees to the following:

- To maintain flags identifying the outer limits of the area to be treated for dust suppression.  
**Flags must be in place by May 3rd and kept visible until November 1<sup>st</sup>.** Failure to identify the treated area may result in your dust control being bladed through. Neither the county nor Jerico Services assumes any liability if your flags are not in place.
- Jerico Services does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.

**This program is intended to suppress dust, but is not a guarantee that it will eliminate all dust. Page County has the obligation to the traveling public to keep our roads reasonably smooth for safety and drivability. If it becomes necessary to blade the road to restore the smoothness of the road surface, additional applications will be at no cost to Page County. Treated areas will typically be bladed within a few days of each subsequent dust control application when necessary. Routine blading of all abatement locations will resume November 1, 2021.**

I have read the conditions of this service and am in agreement with them.
