Indianola, IA 50125-0607

Flag your spot on ALL 4 corners by APRIL 19th and keep flags visible until October 15th.

Flags may be picked up at:

- ◆ Tama County Eng's Office
1002 E 5th St., Tama
- ◆ Traer Municipal Building
649 Second St., Traer
- ◆ Gladbrook Tire Center
322 Front Street, Gladbrook

Check here if you have any special instructions on the back of the permit.

We, the undersigned, hereby make application to Tama County for permission to apply **two applications** of dust suppression in the described location. The Applicant agrees to the following:

1. To maintain Jerico Services. flags identifying the outer limits of the area to be treated with Calcium Chloride. **FLAGS MUST BE IN PLACE BY APRIL 19th AND KEPT VISIBLE UNTIL OCTOBER 15th.** Failure to identify the treated area with Jerico flags may result in your dust suppression being bladed through. Neither the county nor Jerico Services assumes any liability if your flags are not in place. If your flags are not in place, we will center the application on your house. Your spot will be thoroughly bladed after October 15th in preparation for winter.
2. Tama County allows the placement of dust control on rock roads. The interest of the motorist to have a well-maintained road takes priority over the interest to suppress dust. Dust control sections may be bladed through starting October 15th and may be bladed through at any time if the condition of the road impedes traffic. Preserve your dust control by keeping it properly marked and by filling potholes with rock. Tama County's Dust Control Policy can be found at www.tamacounty.org/engineer.html
3. **LIQUIDOW™ Calcium Chloride** is a very effective dust suppression product however, Jerico Services does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.

I have read the terms of this permit and I am in agreement with them.
