Jerico Services
P.O. Box 607
Indianola, IA 50125-0607
(Self-addressed envelope enclosed)

🚧 FLAGS must be in place by April 26th and kept visible until October 1st.

FLAGS MAY BE PICKED UP AT:

Taylor County Engineer
505 State St.
Bedford, IA 50833

Check here if you have indicated any special instructions on the back.

Yes, I would like the gravel road in front of my home treated with **two applications** of a dust suppression solution.

1. **DEADLINE FOR SIGN-UP IS APRIL 26TH** for the county to have sufficient time to prepare the roads before the first application, no applications can be accepted after this date.
2. **Flags must be in place by April 26th and kept visible until October 1st.** Neither Jerico Services, nor the county engineer assumes any liability if your flags are not visible. If your flags are not visible, we will center your application on your house.
3. I understand that Taylor County will not blade, scarify or shape the above area after the treatment unless the Taylor County Engineer deems such work necessary to maintain public safety, in which case grading will be performed without notice or compensation to me. The area may be extensively bladed after October 1st.

LIQUIDOW™ Calcium Chloride is a very effective dust suppression product, however Jerico Services does not guarantee the performance of the product due to factors such as weather, surface preparation, or heavy traffic patterns.

I have read the conditions of this service and agree with them.
