 ♦ Charter Oak: 565 Railroad St.
 ♦ Dow City: 106 N. Prince
 ♦ Manilla: 179 7th Avenue
 ♦ Schleswig: 500 Ash Road
 ♦ Vail: 108 6th Avenue

I, the undersigned, hereby make application to Crawford County for permission to apply a chloride-based solution for dust suppression in the described location.

The Applicant agrees to the following:

1. **DEADLINE FOR SIGN-UP IS April 18th.** Applications **MUST** be received by this date in order to be on the list for the first application. **Late applications will be added to the list for second treatment only.**
2. To maintain flags identifying the outer limits of the area to be treated with calcium chloride. **Flags must be in place by April 18th and kept visible until October 1st.** Flags not only identify for our drivers specifically where you want the treatment, they also serve as a reminder for the blade operator of the treated area. Failure to identify the treated area may result in your dust control being bladed through. Your road will be bladed after October 1st in preparation for winter.
3. Our trucks are equipped to allow us to spray the exact amount of footage ordered. Flags set longer/shorter than paid will result in the treatment short of, or longer than, the flagged area.
4. The county reserves the right to blade the treated area if it is deemed necessary for the safety of the public.
5. Jerico Services/Husker Chem does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.

I have read and agree to the terms of this application.
