APPROVED FLAGS MAY BE PICKED UP AT:

Union County Engineer's Office 1701 Commerce Road, Creston

Flags must be in place by April 19th and remain visible until October 1st.

☐ Check here if you have indicated any special instructions on the back.

I, the undersigned, hereby make application to Union County for permission to apply two applications of **LIQUIDOW**TM **Calcium Chloride** for the purpose of dust suppression in the described location.

The Applicant agrees to the following:

- 1. **DEADLINE FOR SIGN-UP IS APRIL 19th.** Applications **MUST** be received by this date in order to be on the list for the first application.
- 2. To flag both ends of the area to be treated. Flags must be in place by April 19th and kept visible until October 1st. Flags not only identify for our drivers specifically where the treatment should be applied, they also serve as a visual reminder for the blade operator of treated area. Failure to identify the treated area may result in your dust control being bladed through. Neither the county nor Jerico Services assumes any liability if your flags are not in place and visible.
- 3. The county reserves the right to blade the treated area if it is deemed necessary for public safety. In the event of rain, the county also reserves the right to do light blading on treated areas for public safety. Your road will be thoroughly bladed after October 1st in preparation for winter.
- 4. Jerico Services does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns.

I have read and agree w	ith the terms of this permit.
