

PARENT PERMISSION FOR NON-SCHOOL HOURS OF PRACTICE OR
CONTEST

As the parent or legal guardian of _____, a student at Thousand Oaks High School, I hereby give my permission for him/her to attend 7th period Athletics PE on a "TO BE ARRANGED" basis. The hours will depend upon practice time, game day schedule, bus departure time and/or facility availability.

This practice session or game will replace his/her class attendance during the normal period 7 Athletic Physical Education. I understand that on most days my child will be dismissed from school at 2:20 PM, be expected to leave campus and return for practice as arranged by the coach.

I understand that neither Thousand Oaks High School, nor the Conejo Valley Unified School District has any liability for students who travel to these practices or contests in private vehicles or any other means of transportation, including walking. I therefore, waive all claims against the Conejo Valley Unified School District and/or the State for injury, accident, illness or death occurring during the times he/she goes to and from the practice session or contest.

I further understand that this form must be on file in the Thousand Oaks High School Athletic Office if this student is to participate. If I do not wish the student to be released from his 7th period class, I realize that he/she must report to the Athletic Office so special arrangements can be made for him/her to remain on campus.
