

To ensure the maximum availability to all possible information the following resources are available to all athletes and parents:

TeamSnap

TeamSnap is a simple team management program that we use for instant communications. Utilizing email and or text messaging and accessed through the web or a downloadable app coaches can send (and receive) instant information on subjects such as location changes, workouts, weather conditions, etc. We also use it to create assignments for meets (hurdle crew, etc.) and occasionally to keep their minds sharp we create quizzes around track and field subjects with a small prize awarded to the winner. Parents can also be added to athlete accounts.

To access TeamSnap:

1. Send an email to TOCOACHRY@GMAIL.COM which includes:
 - a. Name
 - b. Email address
 - c. Phone (if any)
 - d. Grade
 - e. Birthdate
2. You will receive a confirmation email. Follow the link to confirm. Without confirmation you are not successfully added.
3. TeamSnap can be accessed via a downloadable app or online at <https://go.teamsnap.com/login/signin>

Athletic.net

Athletes and parents can look up results, follow performance improvements and compare rankings. <https://www.athletic.net/TrackAndField/School.aspx?SchoolID=1921> Make sure you are viewing the 2020 season – set dropdown at top left to change.

Marmonte League

Our league website. In spring use to view standings. <https://marmonte.runnerspace.com/>

VCCCTFCA

Ventura County Championship Meet Rankings in spring. <https://venturacounty.runnerspace.com/>
