

Well, what can we say about Covid-19?

Covid-19 is worse than a tax collector! Now that's pretty bad (especially in ancient Israel). The Bible tells us that the Lord has not given us a spirit of fear; but, He HAS given us a brain. So, for now, we have no choice but to continue meeting electronically. We hope to be together again soon. In the meantime, be safe, pray, keep in touch, and last but not least..... don't let anyone cough on you.

In all seriousness, we are praying for this horrible pandemic to be over soon, we hope you will pray with us.
