

LIRR Road Closure – Edgemere Road

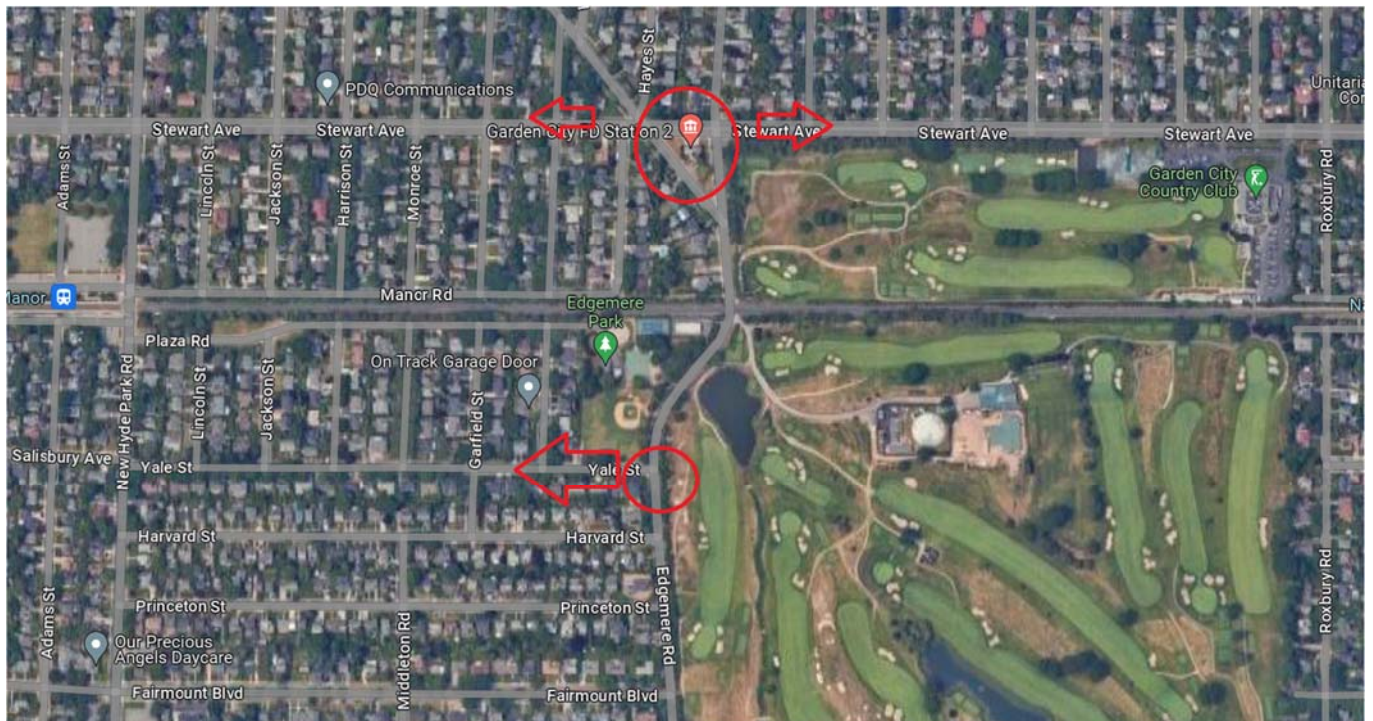

Dear Neighbor,

I hope you are doing well!

We will be closing Edgemere Road from Stewart Avenue to Yale Street to vehicular traffic this weekend and next, from each Friday at approximately 9:00pm until 5:00am Monday morning (this is April 19th-22nd and April 26th-29th). While impactful, this closure will allow us to perform a number of safety critical modifications and repairs to the bridge.

We will allow for local traffic on the north side and have scaffolding erected to maintain safe pedestrian flow on either sidewalk beneath the bridge.

We will also have MTAPD on site for this closure and will be notifying all the area first responders as well. If you have any questions or concerns, please feel free to reach out to me, my contact information is on the next page.

Sincerely,

Nick Fasano

Assistant Director, Government and Community Relations
