

NEWS RELEASE

GARDEN CITY POLICE DEPARTMENT

349 Stewart Avenue, Garden City, NY 11530
(516) 465-4100 FAX (516) 742-3898

The Garden City Police Department would like to inform residents of our Public Safety Toolkit, which includes:

- Overnight Parking
- Vacation Watch
- Keyholder
- At-Risk Residents
- Bike Management
- Pet Management
- Citizen Reporting

These tools are centrally located at <https://www.frontlinepss.com/gardencity>, which includes descriptions of each tool and a user-friendly method of input.

These simple-to-use tools are intended to assist with the partnership that we share with residents, guests, business owners, and commuters alike.

We invite you to bookmark this website on your phone and/or computer and take advantage of these tools.

Please read the pop-up screens that may be introduced when you enter a module. They will contain pertinent information to assist with your entry.

To avoid any confusion, please be aware that the Pet Management tool does NOT replace the requirement for your pet to have a license with the Village. Please contact Village Hall for your pet licenses and thereafter enter your pet information in the Pet Management tool to assist the PD if your pet is Lost or Found.

Similarly, the Keyholder tool does not replace the need for all residents and businesses to complete an Alarm Registration with the Village as per Village Code 52-2. You can find a fillable Alarm Registration form on the Department website.

Please call the Garden City Police Department Front Desk at 516.465.4100 if you have questions about any of our tools or visit the Garden City Police Department website at <https://gardencitypolice.net/> for many other valuable resources.
