

9/29/26

- GCPD responded to eight medical-aided cases.
- GCPD responded to two traffic accidents.
- GCPD and GCFD responded to a Pell Terrace residence for an alarm, which FD determined was a malfunction.
- GCPD responded to Coventry Place and St James Pl North for a report of a male in a white SUV possibly in need of assistance. Officers contacted the subject, who stated he was an Uber driver resting.
- A GCPD traffic enforcement officer stopped a Ford van, operated by a 38-year-old Westbury man, southbound on Clinton Rd at Poplar St. The operator was stopped for having an expired registration, which was also suspended. Investigation revealed the operator's NYS license was suspended as well. The operator was issued six traffic tickets regarding the vehicle and his license status. As a result, the vehicle was impounded.
- GCPD and GCFD responded to a 2nd St residence for an alarm which FD determined was a malfunction.

9/28/26

- GCPD responded to one medical-aided case.
- GCPD responded to three traffic accidents.
- GCPD responded to a Clinton Rd residence to assist a man who had fallen from his chair. Officers assisted the man into his chair. There was no report of injury.
- GCPD responded to a Garden City Plaza business and assisted management with the removal of a party that had refused to pay their bill and would not leave. Upon police arrival, the subject then left the area.
- GCPD and GCFD responded to a Clinton Rd residence for a cat stuck in an engine compartment. FD successfully removed the cat from the compartment. The cat appeared to have suffered no injury.
- GCPD responded to Franklin Ave and 11th St for a report of a male who was walking southbound on Franklin Ave and was struck by a vehicle. NYU Langone personnel removed the injured male and transported him to Winthrop Hospital. There were no apparent signs of criminality.
- A GCPD officer, while on patrol, did observe that a school bus had struck the LIRR underpass on Chestnut St at St James St South. The bus was unoccupied except for the driver. Officers helped the driver back the bus out. No injury was reported, and the bus left the area.
- A Brook St resident, who was present in HQ, reports an unknown person had attempted to transfer, from multiple bank accounts, a total of approximately \$90,000. All transfers were denied, and the victim is at no monetary loss. Officers took a report and forwarded it to the detective division.
- GCPD responded to four Wellington Rd residences for reports of larceny from auto. The vehicles were unlocked. Officers took reports and forwarded them to the detective division.
- GCPD and GCFD responded to the Garden City Middle School for an alarm that FD determined was due to the use of hairspray in the restroom.
- GCPD and GCFD responded to a Cambridge Ave residence for an audible alarm which FD said was an expired carbon monoxide detector.
- GCPD and GCFD responded to the area of Russell Rd for a report of a blown transformer. Per FD, the transformer breaker needed service.

9/27/26

- GCPD responded to a Greenridge Park address to assist a person who had fallen down and couldn't get back up. Assistance was rendered without incident.
- GCPD responded to Wellington Rd at Salisbury Ave for a golden retriever found. The officer at the scene reunited the dog and owner.
- GCPD responded to Parking Field 8 for a report of a large tree limb which fell on a parked and unoccupied 2001 Ford pickup. A report was taken.
- GCPD and GCFD responded to Adelphi University for an alarm which FD said was due to aerosol spray.
- GCPD responded to a report of a possible accident in the vicinity of Stewart Ave and Wetherill Rd. At the scene, a woman stated she was operating a Nissan Rogue westbound on Stewart Ave when a large tree branch fell on her vehicle. The recreation department responded and removed the tree. The woman was transported to the hospital, and the vehicle was towed from the scene.
- GCPD responded to a Westbury Rd residence for a call of a suspicious person in their outside rear porch area. Investigation and video evidence revealed no one had entered the porch or rear yard.

9/26/26

- GCPD and GCFD responded to a Brixton Rd residence for an alarm that FD determined was a malfunction.
- GCPD and GCFD responded to the Adelphi University Science Center for an alarm which FD determined to be a malfunction.

- GCPD and GCFD responded to an Oxford Blvd residence for a report of a possible fuel leak. FD turned a pool pump off at the homeowner's request.
- GCPD responded to 7th St for a possible water main break, which was confirmed by an officer at the scene. The water department was notified and responded to address the situation.
- GCPD responded to a report of a male possibly lying down in the Nassau Blvd pedestrian underpass in need of assistance. The subject stated he didn't need assistance, boarded the next train, and left the area.
- GCPD responded to Tanners Pond Rd for two loose doodles. The officer at the scene reunited the dogs with their owner.
- GCPD responded to Lefferts Rd for a downed tree limb and safeguarded the area until Recreation responded and rectified the situation.

9/25/26

- GCPD officers responded to 7th St at Franklin Ave for a dispute involving an Uber driver and a customer; upon arrival, both parties were on the scene, and the dispute had been settled.
- GCPD officers responded to a Willow Street residence for a parking condition; no violations were observed.
- GCPD officers responded to the Cherry Valley Club for a possible intoxicated person, who had their own ride respond and left the scene without incident.
- GCPD officers responded to a 7th Street business for a report of a larceny of \$215 worth of items. As a result of the investigation, officers arrested a 58-year-old female resident of Hempstead for Petit Larceny and released her on an Appearance Ticket.
- GCPD officers responded to the Merillon Ave railroad station for the report of a suspicious person on the platform. Investigation revealed the person was waiting for a train, boarded a train, and left the scene without incident.
- GCPD officers responded to Cherry Valley Ave at Stewart Ave for the report of a traffic light out. The traffic light was out due to a small power outage in the area, and PSEG was on scene working to restore power.

9/24/26

- GCPD officers responded to parking field 7S for a report of a disabled vehicle; assistance was rendered, and the vehicle left the scene without incident.
- GCPD and GCFD responded to Adelphi University for an automatic fire alarm that was activated by vaping in a bathroom.
- GCPD and GCFD responded to Rockaway Ave and Stewart Ave for a report of an odor of natural gas in the area. Upon arrival, officers detected a low natural gas reading in the area, possibly due to construction, and GCFD declared the area safe.
- GCPD officers responded to a Franklin Ave bank for the report of a suspicious person possibly attempting to withdraw money using a false identity. Following an investigation, officers arrested a 32-year-old Brooklyn resident for Criminal Possession of a Forged Instrument.
- GCPD officers responded to a Hamilton Pl residence for the report of a village tree that had been cut. After an investigation, officers issued a ticket for a village code violation.
- GCPD Detectives arrested a 78-year-old male resident of Garden City for a violation of an Order of Protection.

9/23/26

- GCPD officers responded to a Linden St residence for a welfare check. Investigation revealed that the caller did not reside on Linden St, and all was in order at that location.
- GCPD officers responded to Nassau Blvd at South Ave for the report of a traffic light malfunction. Officers determined a minor, brief power outage in the area caused the traffic light malfunction. Shortly after, all appeared to be in order.
- GCPD and GCFD responded to a Garden City Plaza business for the report of a possible electrical fire. Officers determined there was no active fire, and the fire alarm was caused by smoke from a light bulb.
- GCPD officers responded to Nassau County Parking Field 10 to assist Nassau County Probation with a traffic investigation. As a result, officers arrested a 47-year-old male resident of Hempstead for Aggravated Unlicensed Operation, Unlicensed Operation, and Operating without a Court-ordered Interlock Device.
