

Arts/Creative

Barbara Kennedy and her family hosted the department with a beautiful gourmet luncheon.

Lunch was followed by a 'show and tell' of favorite things. We shared family photos, collections and gifts from all over the world.

A beautiful Turkish vest, an embroidered Saudi dress and veil, a carved seed pod from Australia, an Austrian aunt's amazing art work, a Cranbury landscape painting, hand decorated children's wedding wear, an exquisite bisque box, a carved African wooden ark, collectible jewelry and frames, antique espresso cups, a treasured silver necklace and a prize winning photograph.

Each of our 'favorites' told something about each of us as we got to share a little piece of our lives and treasures.
