

Representative Thomas Kean, Jr.
75 Claremont Road, Suite 206
Bernardsville, N.J. 07924

September 10, 2024

Dear Representative Kean,

My name is _____ and I live at _____.

Services to victims of child abuse – and other victims of crime – are facing devastating cuts due to the continued record low deposits into the Crime Victims Fund. The Somerset County Child Advocacy Center, located in Somerville, N.J., is facing those cuts.

However, H.R. 8061, The Crime Victims Fund Stabilization Act of 2024, co-sponsored by Representatives Wagner, Moran, Dingell, Bice and Costa, would give the Child Advocacy Center a lifeline and help soften the impact while Congress works to find a permanent solution. I urge you to support The Crime Victims Fund Stabilization Act and to become a co-sponsor of the bill.

Thank you for your attention to this matter and for your support for child abuse victims.

Sincerely,
