

Ghost Chickens in the Sky

As sung by Leroy Troy

Em **G**
A chicken farmer took a walk out on his farm one day....

Em
He paused by the coop as he went along his way....

When all at once a rotten egg hit him in the eye

C **Am** **Em**
It was a sight he dreaded.....Ghost Chickens In The Sky

G **Em C** **Am Em**
<chicken sounds> **Err - er - er - er.... Err - er - er - er.... Ghost Chickens in the sky**

Em **G**
He'd been a chicken rancher since he was 24....

Em
A workin' fer the Colonel now for 30 years or more

Killin' all them chickens and sending them to fry,

C **Am** **Em**
Now they want revenge..... Ghost Chickens in the Sky!

G **Em C** **Am Em**
<chicken sounds> **Err - er - er - er.... Err - er - er - er.... Ghost Chickens in the sky**

Em **G**
Their beaks were black and shiny and their eyes were blazin' red....

Em
They didn't have no feathers, these chickens all are dead!

They picked that farmer up, and he died by the claw.

C **Am** **Em**
They cooked him extra crispy,and they ate him with cold slaw.

G **Em C** **Am Em**
<chicken sounds> **Err - er - er - er.... Err - er - er - er.... Ghost Chickens in the sky**
