Green Pastures
Emmy Lou Harris

G                                C                                   G                       D
Troubles and trials often betray those on in the weary body to stray
G                                C                                  G               D                  G
But we shall walk beside the still waters with the Good Shepherd leading the way.

G                                C
Those who have strayed were sought by the Master,
G                              D
He who once gave his life for the sheep,
G                      C                                        G      D          G
Out on the mountain still he is searching, bringing them in forever to keep.

G                                C                                     G                     D
Going up home to live in green pastures, where we shall live and die never more.
G                                C                                         G                            D
Even The Lord will be in that number, when we shall reach that Heavenly Shore.

(Instrumental Break)

G                                C                                   G                       D
We will not heed the voice of the stranger, for he would lead us all to despair.
G                                C                                   G                       D
Following on with Jesus our Savior, we shall all reach that country so fair.
G                                C                                          G                       D
Going up home to live in green pastures, where we shall live and die never more.
G                                C                                          G                       D
Even the Lord will be in that number, when we shall reach that Heavenly Shore
