

# I Fall To Pieces

Patsy Cline

**C G F G C**  
I fall to pieces, each time I see you again

**C G F G C**  
I fall to pieces, how can I be just your friend

**C F**  
You want me to act like we've never kissed

**G C**  
You want me to forget, pretend we've never met

**C7 F G C**  
And I've tried and I've tried but I haven't yet

**F G C**  
You walk by, and I fall to pieces

**C G F G C**  
I fall to pieces each time someone speaks your name

**C G F G C**  
I fall to pieces, time only adds to the flame

**C F**  
You tell me to find someone else to love

**G C**  
Someone who'll love me, too, the way you used to do

**C7 F G C**  
But each time I go out with someone new

**F G C F G C**  
You walk by and I fall to pieces, you walk by and I fall to pieces
