

# Stand By Your Ham

*a parody of "Stand By Your Man"*

*G* *D - Am* *D* *G*  
Sometimes it (mega)-Hertz to be a YL, Giving all your QSO's to just one ham  
*C* *G*  
You'll have bad propagation, he'll have good DX location  
*A* *A7* *D*  
Sending code that you don't understand

*G* *D* *Am* *D* *G*  
But if you love him, you'll forgive him, Even though his antenna covers just one band  
*C* *G* *C*  
When the kids are hungry, and he spent the grocery money  
*G* *D* *G*  
On his dipoles, amps, and Quartzfest camp

*G* *B7* *C* *G* *E*  
Stand by your ham, give him rubber ducky gift cards, And equipment dreams to warm to  
*A* *D* *G* *B7* *C*  
When propagation's lousy.... Stand by your ham, tell Gordo that you love him  
*G* *E* *A*  
Kris and Lyn how grateful we are, and please continue

*G* *B7* *C*  
Stand by you ham, and tell the world his call sign  
*G* *D* *B7 - E - C* *D* *G - C - G*  
Give him all the 88's that you can.....Stand By Your Ham
