

The Annual QuartzFest Hootenanny

Bring your instruments, singing voice and the whole family for the annual QuartzFest Hootenanny! The song list and links to the song lyrics with chords is available for downloading in the Faqs/Documents Menu Selection of the Quartzfest Website under the Hootenanny sub-menu. Most songs follow the 1-4-5 chord progression and are selected because they are popular and usually easily played. Prior to the Hootenanny there will be practice jams so that musicians can practice with each other and learn the songs. The time and location of the practice jams will be listed in the schedule.

For questions contact Russ (KB6YAF), our Hootenanny organizer at KB6YAF@sbcglobal.net, Michelle Hedgepeth (K7MGO) at Magoo@presys.com, or Kevin Hedgepeth (NB7O) at nb7o@arrl.net.
