C                F                                 C                          G                                 C
This land is your land, this land is my land, from California to the New York Island
C7                           F                                       C          G7                                              C
From the Redwood Forest to the Gulf Stream waters, this land was made for you and me.

C                F                                 C                       G                                 C
(1) As I went walking that ribbon of highway, I saw above me that endless skyway
C7       F                             C        G7                                               C
I saw below me that golden valley, This land was made for you and me. (to Chorus)

C                F                                 C
(2) I roamed and rambled and followed my footsteps,
          G7                               C
To the sparkling sands of her diamond deserts
          F                                 C              G7                                              C
While all around me a voice was sounding, this land was made for you and me.

(to Chorus)

C                F                                 C
(3) When the sun came shining, and I was strolling
          G7                                       C
And the wheat fields waving and the dust clouds rolling
          F                                 C              G7                                              C
A voice was chanting, As the fog was lifting, this land was made for you and me.

(to Chorus)
