

MARINA RESIDENCES
APPLICATION
FITTING OF BLIND TO APARTMENT BALCONY

Lot Owner Name: _____

Apartment Number: _____

To Marina Residences Body Corporate

I wish to make application to have a blind fitted to my balcony.

I am aware that I cannot fit the blind until I receive Body Corporate approval and that any such blind, approved and fitted, must comply with the By-Laws, must comply with any Covenant or Easement requirements.

I further acknowledge the following design requirements:

- The screen must be black and one piece with black framing.
- The screens approved to be fitted must have all the framework and channels in black.
- The bulkhead must be black and recessed behind the glass panels at the top of my balcony.
- The bullhead, motorised or manually retractable, must not be visible to the exterior of the building.
- If motorised, any electrical cabling or channels are not to be visible from the exterior of the building.
- If a retractable blind, the vertical tracks attached to the exterior fins must not be protrude more than 25mm and must also be black.
- Any damage done to body corporate property shall be made good by the applicant.
- No body corporate property can be drilled into without permission.

I acknowledge that I must advise the building manager of the date of installation.

I acknowledge that the blind and installation shall be inspected by the building manager soon thereafter.

Signed: _____ Date: _____

Please discuss these matters with your provider and once it is confirmed in writing from the provider that these requirements can be met, please submit this application for consideration by the Committee.
