A Gathering Marked by Fellowship, Unity and Renewed Commitments

For this year's Annual General Assembly (AGA2026), a total of 149 participants from 18 PHIAA chapters around the country attended. The three-day event was full of fun and fellowship, inspirations from our keynote speaker, updates on the ministry development, meeting and re-connecting with fellow alumni and renewal of our commitment to the Haggai Vision and Mission.

AGA 2026 lived true to its theme "Faith In Action". In spite of the economic and travel challenges brought about by the global economic crisis, participants came with conviction to make the event possible.

With that, we thank our speakers, Board of Trustees, chapter representatives, the local volunteers and worship team in making the event very memorable. Above all, we praise God for His guidance throughout the event.
