

Vita Nova Consulting

“Empowering Individuals & Businesses Through Strategic Growth”

Introduction

Throughout my life, I’ve been blessed with opportunities and stable careers. Yet, in every role, one feeling remained constant wanting more out of life.

The American Dream is great, but I envisioned more than white picket fences and weekend baseball games. Like many, I wanted to provide generously for my wife and our two beautiful daughters, without worrying about which bills could wait or whether the checkbook would balance.

A conversation with a gentleman, introduced by my wife, changed everything. He helped me realize it didn’t have to be one or the other—I could keep my 9 to 5 while creating additional income streams. Out of that realization, **Vita Nova Consulting** was born.

What is Vita Nova? **Vita Nova** is Latin for “**New Life.**”
