

Steps To Become a Volunteer

1. Fill out the volunteer application below.
2. If your application is approved, you will have a virtual interview.
3. After the interview, if you are a good fit, you will be offered a 30-day Trial Period.
4. Next, you will schedule a time to work with Mozeke directly in clinic to review your role with the organization, policies and procedures and sign paperwork.
5. After the Trial Period is complete, you will have an After Action Review to discuss your ideas about the organization and if it is a good fit for you.
6. If it is determined that you are a good fit, you will be invited to officially become a volunteer midwife at For The People Birth Equity.
7. If the invitation is accepted, you will be provided with the necessary paperwork, passwords and access to the office along with access to the Google calendar.
