

Build a team that Blossoms...

Turning Soft Skills into Power Skills

2024 Course List

A collection of ready-made courses that cover the soft skills your team need to be successful in the workplace and beyond

Finally, training that everyone will want to show up for...

Each Online Course is no longer than 15'

Each course is made up of mini-lessons between 2-3 minutes each. Grouping information like this reduces cognitive load and users are more likely to complete training, enjoy it, and use it at work.

With stories that make learning stick

Would you forget how to build relationships with customers if Mr Darcy was showing you? Stories are one of the best ways to remember information. So, every course is built around a memorable context your users won't forget.

Written & reviewed by experts

Each topic is heavily researched using the most up-to-date information from subject matter experts. Senior instructional designers review every course to ensure that the intended skills and knowledge are transferred.

Success is in the detail

No-fluff content that leverages video, resources, microlearning, infographics, and more to engage and improve your team

Bonus! Lovable & addictive characters

With 10 unique characters who take on a variety of roles (like superheroes, the cast of TV's coolest friends, and cameos from celebrities), your users will fall in love, even if they don't want to.

Hard data behind soft skills: why they matter for employees

All our courses are accessible through an easy to use training platform that lets you:

- Inspire and train your team
- Measure results
- Drive business growth
- Ensure compliance
