

8th ANNUAL NIGHT OF HOSANNAS!

PALM SUNDAY
March 29, 2026 - Sundown.

Join us again as we continue standing for life! We invite you to gather family, friends and neighbors. Hold your own candlelight vigil on your porch, in your driveway or cul-de-sac, in church parking lots or at abortion facilities.

Repent, pray, SHOUT, or whisper:

"HOSANNA, HOSANNA, LORD SAVE US!" - on behalf of unborn babies.

Picture your candles as those on a birthday cake - each one representing a child to be born and not aborted. Imagine Jesus looking down that night and seeing thousands of birth-day candles!

Psalm 78:6-7 "That the coming generation may know - even children yet to be born - to arise and tell their children, that they should put their confidence in God, not forgetting His works, but keeping His commandments."

Sponsoring Ministries:

Let us know you will be joining. Share the information/vision. Take pictures to show friends and send them to us, too.

With love and thanks.
