VIETNAM ORGANIC

Certified for Pepper product.

Organic; we have been applying
Sustainable program with farmer; we hope project will be done in May/June 2020

Steam Sterilized;

We have been upgrading steam system (used domestic system before). Now we operating Safesteril system that we bought from Switzerland. I hope will be done in March or latest April 2020.

Steam Sterilized is available for all spices product not only pepper.
Pepper/Cassia/Star Anise/Tumeric etc.
