UNFINISHED BUSINESS

Sewage/Sewage Authority Report

Adam- Rough month, pump 1 clogged early in month then failed later that month. Pump #2 also failed. Section of pipe worn through and needs replace; repaired eventually. Screen also was clogged, venturi for pump #2 couldn't put back on because of debris clogging. Adam to coordinate with Skelly and Loy to do confined space entry to repair pumps and screen, pipe. Control failure, Adam still trying to find replacement. Asked Skelly and Loy to help find a replacement. Stan ordered level sensor around \$1300 since our original controller is obsolete we will need to reconfigure new controller and have it re-wired. Also talked to Stan about getting train 2 operational and Stan said he wanted to avoid that and just clean out train 1 and reopen the same day. -Need Klines to pump grease and solids. -Need to check on grease trap at Pizza shop to make sure it's still in use. *Motion to have Klines pump sewer plant, first by Jason Foster, seconded by Irene Conjar, all in favor none opposed. -Check on generator cost, need to have someone look at our current system set up and quote what we need to run what we currently have plus the auger.

Sewage Solicitor-Dennis Shatto- Borough is in need of rules and regulations for new sewer connection and reconnection fees, etc. Council to review copy of another municipality's sewer rules and regulations.

PCCOG--

Street Committee -- Refine resolution. Issues with people speeding in town, ask State Police to patrol every once in a while.

Refuse coordinator --

Playground -- - Camera to be installed. Adam boarded up other two windows facing the park.

Ordinance Violations-

Rental – Adam to be moving in a couple months, start getting quotes for new room and insulation. Gutters on control room building also need cleaned out.
