Clover Kids

Clover Kids is a K-3rd grade 4-H Youth Development Program.

Goal of the Louisa County Clover Kids Program:

- The purpose of the Clover Kids program is to promote the positive development of youth by providing cooperative (non-competitive) learning environments with developmentally appropriate hands-on activities for youth in grades K-3.

Booth

In the 4-H building each group will have a display area (a divider wall) within the Clover Kids area.

- The wall should be decorated to a theme of the group's choice.
- Booths may begin decorating on fair clean up night.
- Exhibits will be placed in the booth after their interview and should be displayed in the booth in an attractive manner.

Exhibits

A Clover Kids exhibit for the fair should showcase an experience the Clover Kid had during the year. This can take many different forms.

- Each Clover Kid will be able to bring a maximum of 2 photos and 2 other exhibits that he/she did at home. Photos do not have to be mounted or matted but do need to be in a baggie to be protected from fly droppings and dust.
- Exhibits may be brought into the Variety Building on their interview day and time. At this time Clover Kids will have a short conversation (basically a one-on-one show & tell) with a volunteer about their exhibit and experience.
- Exhibits will then be displayed in the Clover Kids booth in an attractive manner.
- Everyone that brings an exhibit to fair will receive a participation ribbon and get to display their project in the club's booth.

Clover Kids Interview Schedule – Saturday, July 19th, 2025, at the Variety Theater

12:00 PM	Columbus Clover Kids
12:20 PM	Lil Green Comets
12:40 PM	Lil Farmers & Charmers
1:00 PM	Lil Falcons Clover Kids
1:20 PM	Barnyard Stompers

- Please bring your projects and be ready to talk about them!
- Animal exhibitors: do not bring your animals, bring only the form!

Clover Kids at Family Night

Clover Kids Share-the-Fun

Clover Kids groups will have the opportunity to perform onstage before the audience, purely for the sake of enjoyment.

- Skits, songs, stunts, short one-act plays, dances (folk, square, modern, tap), plus other entertainment will be acceptable. These must be in good taste, sensitive to diversity and cultural/ethnic traditions of lowans and/or U.S. citizens.
- Skits should be no more than eight minutes in length.
- A microphone will be available. Clubs are responsible for bringing any other needed equipment.

Clover Kids Graduation

All 3rd grade Clover Kids will be able to participate in a Clover Kid Graduation as they move on to 4th grade and joining a 4-H Club in conjunction with the Clover Kids Skits

General 4-H/FFA Rules

4-H and FFA Grade Divisions are:

Juniors: 4th - 6th grade; Intermediate: 7th - 8th grade; Seniors: 9th - 12th grade. Post graduate FFA members are in the Open division for all departments except for senior for horse department and dog department follows its own classification rules.

4-H/FFA DEPARTMENTS are open to all youth who are participating in Extension 4-H Youth Development Programs &/or FFA.

MEMBERSHIP 4-H/FFA members must be in good standing with their club/chapter and have attended regular meetings &/or any project sessions scheduled to be eligible to show. This will be the decision of the 4-H club leader or FFA advisor.

ENROLLMENT All 4-H'ers enrollment must be complete in 4hOnline.

EXHIBITS Eligible exhibits are an outgrowth of work done as a planned part of the 4-H'ers participation in 4-H projects or programs during the current year.

EXHIBITORS ATTENDANCE Excusing a member from personally exhibiting his/her project defeats one of the important objectives of the fair. Therefore, all 4-H and FFA exhibitors (in all departments) must be present for judging. Exceptions would be in case of injury, serious illness or death in the family, as these conditions are out of the exhibitor's control. The exhibitor should address any exception in writing by July 1 to the Fair Committee. A meeting will be held whereby the exhibitor will present their exception, and a vote will be taken. The committee's decision is final.

IOWA YOUTH CODE OF ETHICS All youth exhibiting at the Louisa County Fair will be required to read and sign the Iowa Youth Code of Ethics statement and have this form on file at the Extension Office by July 1st. The signed form will be kept on file throughout the 4-H'ers career. This may be completed in 4hOnline.

YOUTH CONDUCT 4-H and FFA members are expected to show respect for other's property, projects, and fellow exhibitors. If any exhibitor fails to do so the Fair Committee reserves the right to remove their exhibit from competition and take any disciplinary action deemed necessary

ZERO TOLERANCE FOR HARASSMENT AND ALCOHOL

Any person upset with a decision made by a superintendent during the fair may bring an appeal to the Louisa County Fair Committee. The Committee decision is final. If any person verbally or physically harasses the division superintendents, that person will be dealt with swiftly. This may include any or all of the following:

1. A letter of reprimand
2. Abolishment from the Louisa County Fair
3. The lawful arrest of that person

The Louisa County Fair is a youth event, with safety of exhibitors and exhibits a top priority. Exhibitors are expected to be cooperative, courteous, and positive 4-H representatives using appropriate language and behavior.

All 4-H'ers are forbidden from consuming alcoholic beverages on the fairgrounds. No smoking is allowed in any buildings. No alcohol is allowed in any of the barns.

Violation of these rules will result in loss of premiums, awards, honors, and exhibition privileges. Further action may be taken if necessary.

Club Booth Guidelines

- Each club will have a display area. Booths may begin decorating after the fair clean up. Each club should decorate their booth to a theme of the club's choice.
 - **The use of power tools in the 4-H booth is prohibited.**
 - **(NO Nails or Screws are to be used in decorating club booths)**
- Club Booths should be decorated to educate and promote 4-H to the public. Exhibits should be displayed in an attractive manner.
- 4-H members are encouraged to take the major responsibility for decorating the club booth.
- Booths will be judged by a panel of judges. It will be the decision of the judges to select the appropriate recognition for each booth.

Iowa Youth Code of Ethics

All youth exhibiting at the Louisa County Fair are required to read and sign the Iowa Youth Code of Ethics. This may be done through 4hOnline or by signing and returning a hard copy to the Extension Office by July 1st.

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do.

Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

All Exhibitors

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.) care and grooming of animals, etc. If assistance is needed, it should be aimed at helping the 4-H'er learn new skills and be done by a family member, another 4-H'er, and/or an Iowa 4-H volunteer.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

Animal Exhibitors:

5. All food animals that may be harvested immediately following the show shall be safe for consumers and shall have met all withdrawal times for all medications and be free of volatile drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. This does

not include accepted grooming practices. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

All Exhibitors:

11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its premium book.

9. **Evaluation** The 4-H'er's goal and applicable exhibit standards will form the basis of the evaluation process. Exhibitors will receive written evaluation comments on the exhibits and a blue, red, or white Iowa State Fair exhibitor's ribbon. Refer to exhibit class evaluation rubrics for detailed evaluation criteria in each class. Rubrics are located on each [Iowa 4-H project area page](http://www.extension.iastate.edu/4h/projects) (<http://www.extension.iastate.edu/4h/projects>)
10. **Goal** A written explanation, audio recording, or video recording is to be included as part of each exhibit.
 - a. The exhibitor should respond briefly to the following questions about the exhibit:
 - i. What did you plan to learn or do? (What was your exhibit goal(s)?)
 - ii. What steps did you take to learn or do this?
 - iii. What were the most important things you learned?
 - b. Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes.
 - c. To answer the above questions youth are encouraged to use the LOUISA COUNTY 4-H GOAL SHEET, available at the Extension Office or electronically at [Louisa Extension County Fair webpage](https://www.extension.iastate.edu/louisa/county-fair) (<https://www.extension.iastate.edu/louisa/county-fair>)
 - d. *Goal Sheet must be completed before judging.*
11. **Fair entry tags** must be securely fastened on each exhibit. Each piece of an exhibit must be labeled with exhibitor's name & club name. Label all items, including recipes. These tags will be available during check-in.

County Classes

Entries in County Classes (CC#) are not eligible for the State Fair.

CC1 – Club or Group Project Exhibit This County Fair class is for 4-H exhibits that were made as part of a club or group project in which each participant exhibits the same

or similar end product. A 4-H'er may exhibit a maximum of three entries in this class. A member may choose to exhibit this project in another project in which they are enrolled, but it may only be judged once.

Conference Judging

All non-livestock exhibits will be judged by Conference Judging. Each club will be assigned a time. If you arrive at another time your projects will be judged after the assigned clubs are finished.

CONFERENCE JUDGING – Open Schedule

This year there will not be any specific times assigned for clubs. Exhibitors may come at any point during the open timeframe of noon-4pm to have their project judged.

4-H members only will be allowed to talk with judges at conference judging. During judging, parents may take a picture and leave. **No parents will be allowed to remain in the judging area of the Youth Center.** 4-H'ers will be allowed to use an audio recorder during the judging of their project with the consent of the judge.

Exhibits will be judged as blue ribbon, red ribbon, or white ribbon quality. **Decisions of the judges are final.**

State Fair Exhibits

4-H'ers who have completed 5th grade through 12th grade (or that equivalent) are eligible. Exception: Group exhibits from an entire club may include 4th grade members.

State Fair selections will be made by the judges in each department.

If selected, a maximum of two projects from any one exhibitor may advance to the Iowa State Fair.

The Youth Center that is used for judging will close at approximately 3:30pm on Saturday, Conference Judging Day, so that judges may make State Fair selections.

All exhibitors are responsible to read and comply with the Iowa State Fair 4-H General Exhibit Rules, 4-H General Rules and Regulations, and all 4-H department exhibit class rules and regulations.

There will be an informational meeting for members with exhibits selected for State Fair and their parents **Wednesday at 2 pm of Fair in the 4-H Building.** All members (and parents) with exhibits chosen should plan to attend.

State Fair exhibits must be brought to the Louisa Extension office by August 4th by NOON. State Fair exhibits will be transported to Des Moines on Tuesday, August 5th and brought back on August 18th. **Parents are responsible for arranging transportation of especially large exhibits.**

Because exhibitors are not present for judging at the Iowa State Fair, a written explanation, audio, or video recording must accompany the exhibit. The exhibitor should respond to the following questions about the exhibit:

- What did you plan to learn or do? (What was your exhibit goal(s)?)
- What steps did you take to learn or do this?
- What were the most important things you learned?

Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes.

Judges have limited time to evaluate the total exhibit. The information requested needs to be well organized and brief.

[Iowa State Fair Premium books are available exclusively online](https://www.extension.iastate.edu/4h/state-fair-4-h-static-exhibits-handbook)

(<https://www.extension.iastate.edu/4h/state-fair-4-h-static-exhibits-handbook>)

Due to security, 4-H'ers are discouraged from sending items that have special meaning and historical value as the exhibit or part of an exhibit. The Iowa State Fair and Iowa State University Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement. However, they will not be responsible for damage or loss by accident, fire, theft, etc.
