Instructions for attending by Zoom:

The Trustees of Old Bennington are inviting you to a scheduled “hybrid public meeting,” either in person or on Zoom, on Nov. 4, 2025.

Note: This meeting is a hybrid meeting, which means that some members of the public body are meeting remotely, and some are meeting physically in a previously noticed location where the public may attend to observe, listen, and participate contemporaneously. At least one member of this public body or other staff is present at the location to ensure that the public can participate, if desired. Please note that while we strive to provide means for those attending remotely to participate in the public comment period, there may be technical difficulties or reasons that otherwise prevent or interrupt public participation. Therefore, it is important to note that the Open Public Meeting Law only ensures the public’s right to participate and comment at a public meeting if they attend at the designated physical location, as posted in the notice and agenda.
