ZONING ADMINISTRATOR

A site development plan is required for all applications except those for "minor" permits. If your project is a small one, contact the zoning officer.

Site development plans must be submitted in duplicate and should show, drawn to scale in map form, the information in the table below for each type of application. The Zoning Administrator and/or Planning Commission may request any additional details or information which are deemed necessary for consideration of this application.

		"X" indicates that the information is required with the application. All information to be submitted in duplicate.

1. For **ANY** construction project, "Building Plans" are required. These should include, in addition to the above information:
  - Building elevations showing door and window types, shutters and other exterior details.
  - A description of exterior building materials and colors.

The commission may approve minor changes to the exterior of a structure without submission of full building plans as long as the application is clear and complete.
2. If application is for a sign, two copies of a dimensioned drawing of the sign must accompany the application, colors should be specified or shown. If the sign is to be lighted, show the type, location(s), and wattage of the fixture(s) proposed.
3. Before a permit can be issued, the following must be submitted, if applicable:
  - a) Copies of State permits required.
  - b) Copies of hookup permits from the Town of Bennington for water and sewage lines.
