

Village Plan Survey

The Village of Old Bennington Planning Commission is seeking your input on priorities and objectives as it updates the Village Plan later this year. The Village Plan helps to create a series of long-rang planning objectives for development, land use, density, historical preservation, and quality of life.

Your thoughts and input are critical for helping determine priorities and shaping the future of Old Bennington. Please note that this survey is anonymous and no personal details need to be disclosed.

Please take a moment to complete the survey at the link below.
