Instructions on how to remotely access the meeting.

We will be using the Zoom videoconferencing service to provide remote hosting for our meeting. If you use a computer, tablet, or smartphone to access the meeting, you will have access to both the audio and video feed. If you use a basic cell phone or landline to access the meeting, you will only have access to the audio feed. In either case, you will be able to ask questions or make comments during the meeting.

If you use a computer, you will need to download and install the free Zoom Client for Meetings app from the Zoom website (<https://zoom.us/download>) before the meeting. If you use a tablet or smartphone, you can download the app from the Apple App Store or the Google Play Store. (It may take several minutes to complete this process so you should do it well beforehand.)

If you are using a computer, tablet, or smartphone for audio and video access using the Zoom app:

1. Click on the following link:

<https://us05web.zoom.us/j/88670717542?pwd=YTB1QWREMUtuSHB1STBicUdiRkZDZz09;>

or

Open the Zoom app on your device and click on the Join a Meeting button and, if asked, enter the meeting number 886 7071 7542 and password W1Uk9G.

2. Please note that when you join the meeting using the audio/video option, it may take several seconds after the video connects for the audio to connect.
