

Why Screen With ProScreen?

Our secure online portal allows you to screen conveniently and remotely

You will be set up with an account where you can input your orders remotely through our **seamless, easy-to-use** software.

Receive results the next business day

We are here to **streamline** your operations. Our dependable, quick turnaround time allows you to vet potential employees without holding up your hiring process.

Competitive rates and discounts through customizable service bundles

You can **save even more** money by bundling the services you use most into a customized package and edit your package if needed or order additional services *a la carte*. With our wide range of services, say goodbye to the headache of going from one provider to the next and enjoy our **one-stop-shop** for everything you need.

No contracts, no hidden fees

We understand that your business's needs change month-to-month. Instead of locking you in with expensive annual contracts, we work hard to keep you coming back for all of your screening needs. Clients are billed monthly for the services rendered only, without any hidden fees.

Unbeatable customer service

As a local, veteran owned company, we understand the value of your time. Simply give us a call and one of our dedicated associates will be available to answer your questions and make sure you are receiving the **best service possible**.
