The Hurricane Ultra II ULV mister is an electric portable aerosol applicator that dispenses both oil and water-based products.

---

**Hurricane Ultra II**

The Hurricane Ultra II is ideal for use in spraying industrial and residential areas. Farms, greenhouses, warehouses, animal care facilities, sanitation, germicidal spraying and disease control programs are just a few of the markets where the Hurricane Ultra II is used.

- Rugged design handles corrosive liquids and heavy impacts.
- Solid stainless steel metering valve for delivering precise outputs and maximizing use of chemicals.
- Low profile tank design virtually eliminates tipping…empty or full!
- Droplet sizes can be controlled for both ULV spraying and residual spraying.
- Hurricane Ultra II will replace the Hurricane, Hurricane Ultra, Sanitizer and Anileator. Anileator orifice kit must be purchased separately and installed. Anileator orifice kit part # 62234.

Some commonly sprayed solutions are:

- Insecticides
- Disinfectants
- Deodorizers
- Fungicides
- Odor Neutralizers
- Water (Humidification)
- Germicides
- Poultry Vaccines
