A Word From Our Chairman

Esteemed Security Colleagues,

I have to imagine that none of us were truly ready for what came at us this past year. We came out of the gate strong with a complete overhaul of our website and were laser focused on serving our membership with providing great events, networking opportunities and relevant learning - then the year was marred with crisis.

Because of the effects of this pandemic and the other variables in today's world that challenge us every day to be better, the ASIS, International - Greater Orlando Chapter had to realign our strategy a bit to ensure we were continuing to bring you relevant information and topics that mean something to you. It took us a second to regroup, but we have been honored to be able to offer some top notch Web Learning experiences. I have to thank the passion, dedication, resilience, and determination of our Volunteer Leadership, the Chapter Board Members and Committee Chairs alike, for their input to make this all happen.

Know that you all are appreciated for doing what we do every day. As we often operate in the background protecting our respective organizations, it can be a thankless role we serve. Every single one of us makes a difference to our Central Florida Community every single day. On behalf of the entire ASIS, International - Greater Orlando Chapter, allow me to thank you for your service to the community.

I am truly proud to be part of ASIS, International during this time as they have continued to be on the forefront of providing high quality COVID-19 resources and immeasurable insights from security professionals across the globe on ASIS CONNECTS. They have also facilitated many virtual workshops for Chapter Leadership to share best practices as well as produced a top notch, world class GSX+ virtual experience.

I am even more honored to be serving as your Chairman this year. I have been inspired by the optimism we all continue to share. As we navigate through our current world, know that we are thinking about you, our membership. We will continue to strive to provide you with quality learning, events and networking opportunities.

Again, thank you all and stay safe! I hope to see you real soon.

Respectfully,

Jon Viola
Chapter Chairman
ASIS, International
Greater Orlando Chapter

State of the Chapter

- **Monthly Virtual Meetings:** We continue to offer relevant virtual programming in 2021, leveraging as many high impact speakers as we can from out of our area:
 - **Jan 2021** - Ray Walls, CFO for OCCC - COVID-19 Financial Impacts and Outlook
 - **Feb 2021** - Sgt. Jules Brice, OCSO - Crisis Intervention
 - **Mar 2021** - Dr. James Pogue - Diversity and Inclusion
 - **Apr 2021** - Loye Manning and Brittany Galli - Women in Security
 - **May 2021** - Jon Viola, Rob Howard & Justin Messenger - State of the Chapter, What's Next & GSX Updates (Volunteer Information)
 - **June 2021** - Tim Wenzel - ESRM 101
- **Young Professionals Marketing:** We have attended numerous virtual gatherings at local colleges and universities - usually very highly attended. Topics discussed are what ASIS International is, benefits of membership, local chapter membership and involvement, and cost for both (\$20 a year for ASIS International is a great ROI).
- **Information Sharing, Retention, and Succession:** We activated and are gradually migrating to a Google Drive methodology for storing Chapter Activities (BOD Minutes, Treasurer Reports, etc.) to assist with ease of information access by all, document retention consistency and ease of succession.
- **GSX2021:** We have been meeting, mostly virtually, regularly with ASIS International to provide input and feedback, and ensure we are taking the necessary steps to support the GSX2021 Event to be held at the Orange County Convention Center in Orlando Florida on September 27, 28 and 29 of 2021.
- **Looking Forward:**
 - Begin holding "in-person" Chapter Lunch & Learn Meetings in July 2021.
 - Support GSX, once local chapter volunteers are solidified, will most likely be reaching out to other Florida Chapters to ensure needs of ASIS International are met.
 - Putting final touches on a Security Officer Recognition Program which would allow company or organization leaders to nominate Security Officers for recognition by ASIS Orlando. We would then go to the location and personally award the recipient - to include a certificate and chapter challenge coin.
 - We need to continue to stay on top of our website (to ensure information is both correct and timely/current) as this is the way most get our information in addition to our monthly email communications.
 - We plan on continuing the tradition of holding a chapter social/team building event in November and holiday social event in December (attendees at our holiday event bring unwrapped toys to benefit the Salvation Army Toy Drive.
- **Officer Recognition Program** - At the end of July we will be initiating a Security Officer Recognition Program. This program will be launched online via our website, but in coordination with our return to "in-person" meeting starting on July 29, 2021.
- **Student Pricing** - Where our regular annual dues are \$45 for members, those with a valid and current student ID, annual dues will be \$15 to both become a local chapter member and upon renewal. Limited sponsorships are available. Contact Jim Carr, Membership Committee Chair, for questions or additional information.

ASIS International will be holding GSX 2021 on September 27, 28 & 29 at the Orange County Convention Center. We have volunteer opportunities available for the conference as well as some limited volunteer opportunities prior to the conference dates, specifically September 25 & 26.

Volunteer slots are broken into 3-hour shifts.

By volunteering for 12 hours (four 3-hour shifts), you will receive a GSX 2021 All-Access Pass.

By volunteering less than 12 hours, you will receive a One-Day Event Pass.

Positions vary, but generally will be divided into: Information Booth

"Ask Me" Rovers

Learning Theater
Monitors

Prize Booth

ASIS International Board Certifications

The **Certified Protection Professional (CPP)®** credential provides demonstrable proof of knowledge and management skills in eight key domains of security. Those who earn the CPP are ASIS board-certified in security management.

The **Professional Certified Investigator (PCI)®** credential provides demonstrable proof of an individual's knowledge and experience in case management, evidence collection, and preparation of reports and testimony to substantiate findings. Those who earn the PCI are ASIS board-certified in investigations.

The **Physical Security Professional (PSP)®** credential provides demonstrable knowledge and experience in threat assessment and risk analysis; integrated physical security systems; and the appropriate identification, implementation, and ongoing evaluation of security measures. Those who earn the PSP are ASIS board certified in physical security.

The **Associate Protection Professional (APP)** designation provides the first "rung" on the security manager's career ladder. It is for those with 1-4 years of security management experience and measures the professional's knowledge of security management fundamentals, business operations, risk management, and response management.

Why Earn an ASIS Certification?

- Validate your security management expertise
- Be globally recognized by your peers and industry
- Get a competitive edge in the marketplace
- Enhance your career and earnings potential
- Broaden experience and training from law enforcement and military backgrounds
- Gain personal satisfaction and professional achievement

You can reach new heights in professional security excellence with an ASIS board certification! Get Involved with ASIS Connects.

ASIS Greater Orlando

ASIS Orlando serves as the local chapter for ASIS International. We celebrated our 50th year anniversary in 2019 and continue to shape the future of security management while giving back to the profession.

United by a common goal
You can count on the dedication of this chapter.
The Greater Orlando Chapter has strong roots in the business community, demonstrated by Chapter Members who serve the community by pledging their time, talent and financial resources to many local organizations. Please give back to our community and contribute to the advancement of the security profession by joining ASIS International and our local Chapter.

Our Chapter has monthly meetings with speakers covering a range of topics on the latest Security issues. We are committed to community by holding annual fundraising events and award ceremonies recognizing industry leaders.
