

1. Do you find the ASIS International Orlando Chapter rewarding to you?

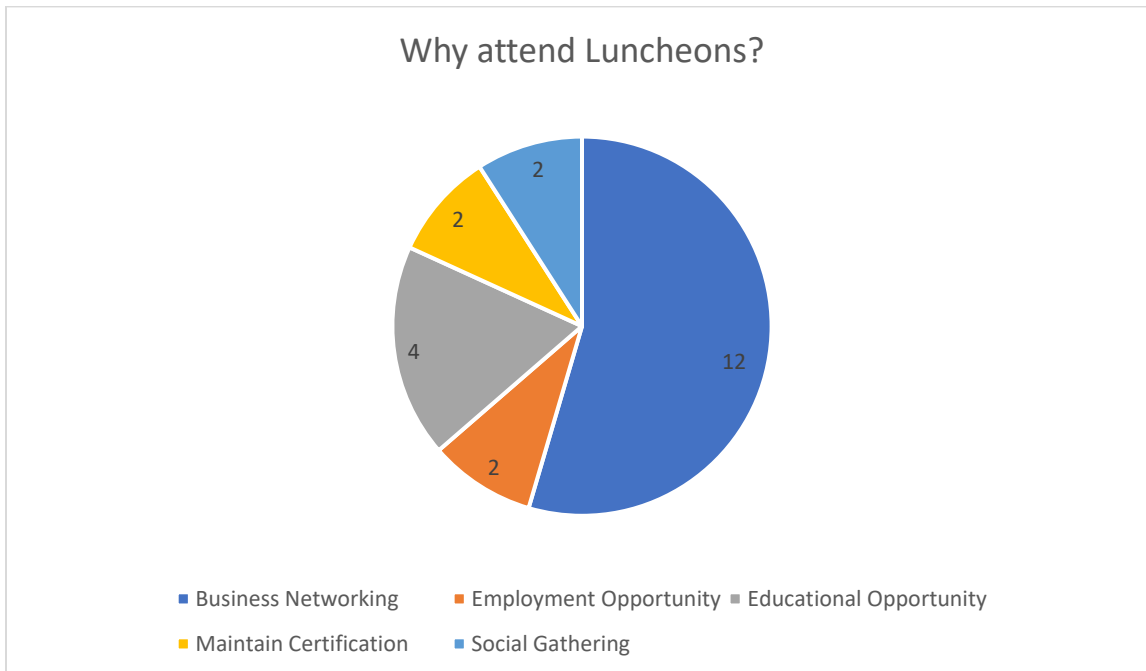

2. If you were to rate the chapter on a scale of 1-5, with 5 being exceptional and 1 being poor, how would you rate the Chapter's performance thus far this year?

3. Do you attend the monthly Chapter luncheons?

4. Select one of the following reasons why you attend a Chapter luncheon:

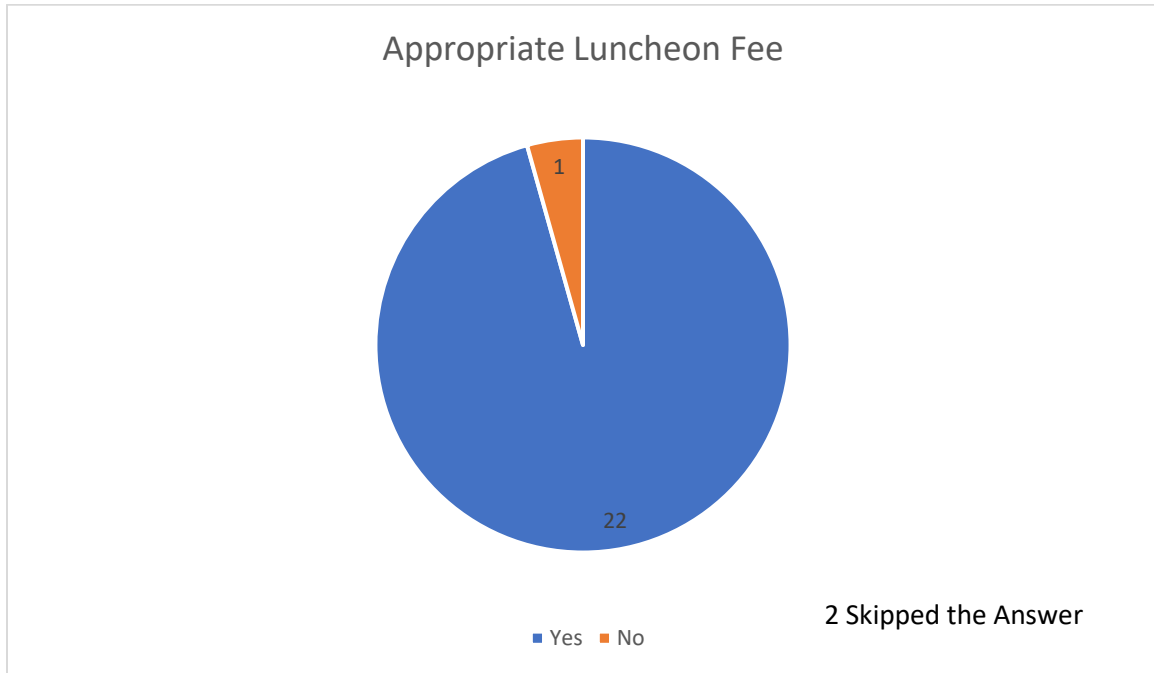

Comments:

- All of the above, but none of it really happens besides the education, interaction is poor between everyone.

- I do not attend mainly because it is always held at Maggiano's. I would rather see a rotation of a few venues.
- Socially two or three a year due to distance.
- Have been too busy lately.
- Work schedule has permitted me from attending lunches. 2023 should be better for my attendance.

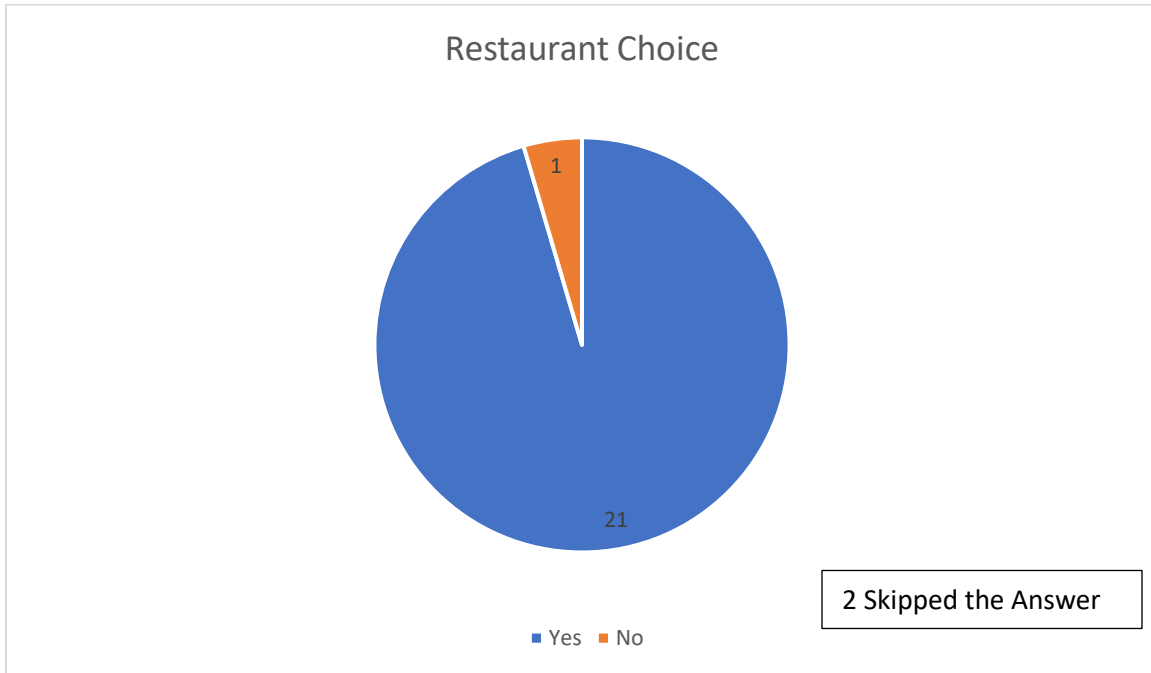

5. Do you think the luncheon fee is reasonable and if not, what do you feel would be appropriate?

Comments:

- Yes, but it's the same old venue
- \$30.00
- Wish we could be around the \$25 mark.
- \$25.00

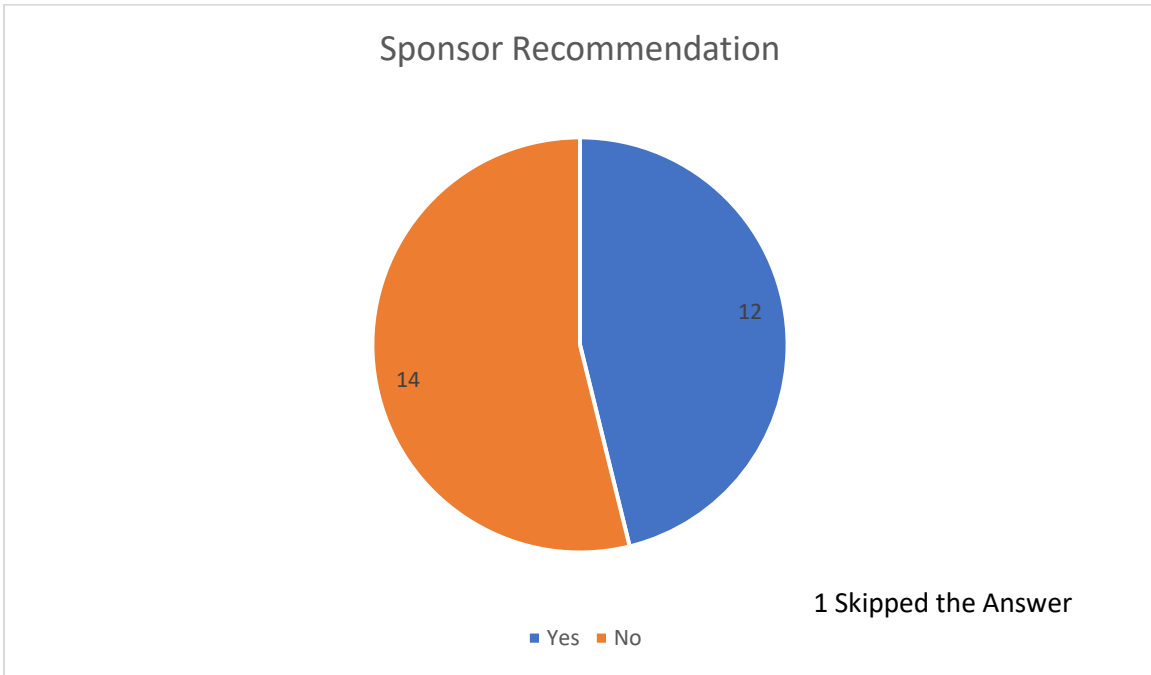

6. Are you happy with the restaurant choice for monthly luncheons?

Comments:

- I live North of Orlando-for lunch too much travel time
- A change might be nice.
- It would be nice to change the restaurant periodically.
- I wish the Chapter could find either a different restaurant (been the same for as long as I have been a member) Or maybe a business could open their space for our Chapter and we can cater lunch even if Publix.
- Spaghetti or chicken marsala is getting old.

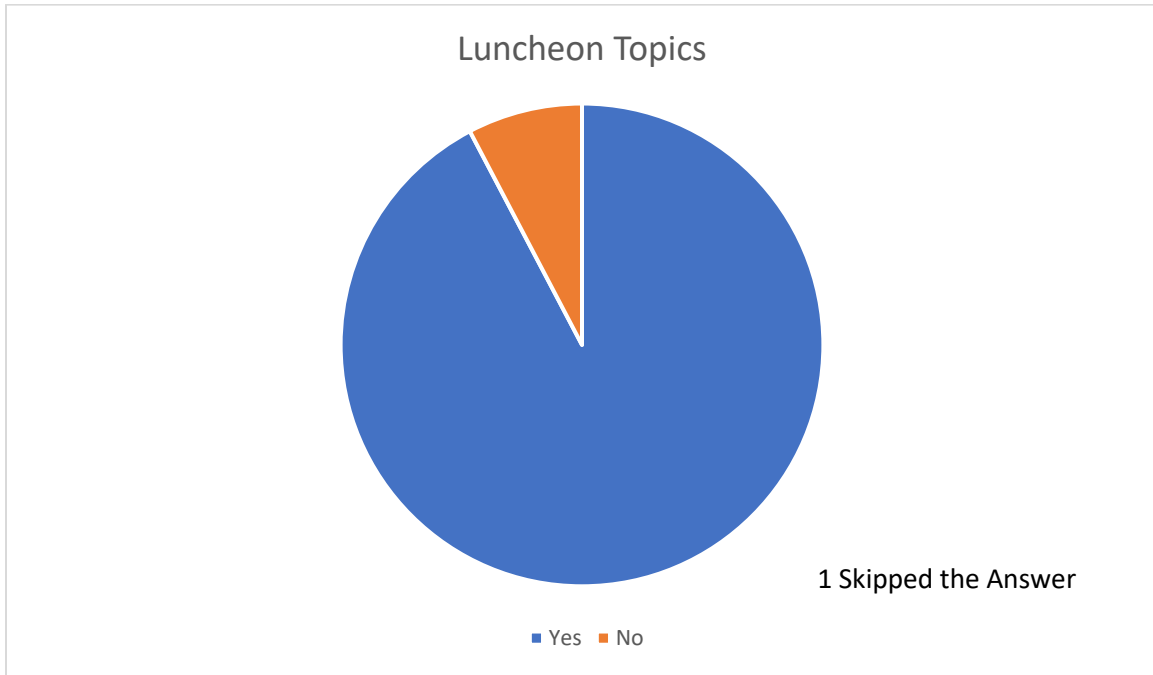

7. Would you be willing to recommend/suggest sponsors to support the Orlando ASIS Chapter?

Comments:

- Maybe incorporate other global organizations that have Chapters in our region.
- Orlando Magic Foundation

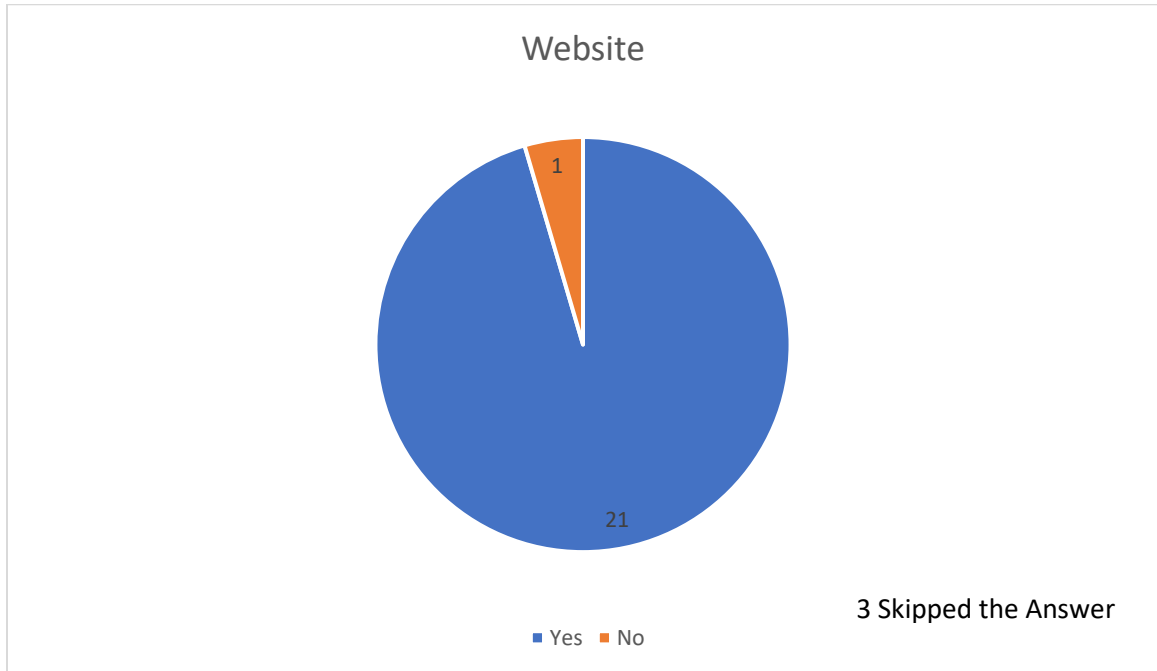

8. Do you find value in the events promoted by the Chapter, and what topics would be of interest to you?

Comments:

- Would like to have CEU offered for the lunch topics.
- Security related training, conducting threat assessments, PSP/PPP/PCI cert. prep. review classes, actual networking events with community, etc.
- Obtaining CPEs for lunch speakers.
- CPTED

9. Do you find the information on the Chapter website useful and up to date? Is there additional information you would like to see presented?

Comments:

- Do not normally check the website.
- Sometimes. I haven't seen much lately...but I also stopped looking after little was shown.
- Sometime yes, sometimes no.
- Resources for career opportunities.
- At times not up to date.
- Programs, store, and pictures sections.

10. Are you planning on renewing your national and local membership in 2023?

Comments:

- Both
