Steven Coughlin

Program Chairperson: Ryan
Hughes

A Word From Our Chairman

Esteemed Security Colleagues,

I have to imagine that none of us were truly ready for what came at us this past year. We came out of the gate strong with a complete overhaul of our website and were laser focused on serving our membership with providing great events, networking opportunities and relevant learning - then the year was marred with crisis.

Because of the effects of this pandemic and the other variables in today's world that challenge us every day to be better, the ASIS, International - Greater Orlando Chapter had to realign our strategy a bit to ensure we were continuing to bring you relevant information and topics that mean something to you. It took us a second to regroup, but we have been honored to be able to offer some top notch Web Learning experiences. I have to thank the passion, dedication, resilience, and determination of our Volunteer Leadership, the Chapter Board Members and Committee Chairs alike, for their input to make this all happen.

Know that you all are appreciated for doing what we do every day. As we often operate in the background protecting our respective organizations, it can be a thankless role we serve. Every single one of us makes a difference to our Central Florida Community every single day. On behalf of the entire ASIS, International - Greater Orlando Chapter, allow me to thank you for your service to the community.

I am truly proud to be part of ASIS, International during this time as they have continued to be on the forefront of providing high quality COVID-19 resources and immeasurable insights from security professionals across the globe on ASIS CONNECTS. They have also facilitated many virtual workshops for Chapter Leadership to share best practices as well as produced a top notch, world class GSX+ virtual experience.

I am even more honored to be serving as your Chairman this year. I have been inspired by the optimism we all continue to share. As we navigate through our current world, know that we are thinking about you, our membership. We will continue to strive to provide you with quality learning, events and networking opportunities.

Again, thank you all and stay safe! I hope to see you real soon.

Respectfully,

Jon Viola
Chapter Chairman
ASIS, International
Greater Orlando Chapter

ASIS International Board Certifications

The **Certified Protection Professional (CPP)**® credential provides demonstrable proof of knowledge and management skills in eight key domains of security. Those who earn the CPP are ASIS board-certified in security management.

The **Professional Certified Investigator (PCI)**® credential provides demonstrable proof of an individual's knowledge and experience in case management, evidence collection, and preparation of reports and testimony to substantiate findings. Those who earn the PCI are ASIS board-certified in investigations.

The **Physical Security Professional (PSP)**® credential provides demonstrable knowledge and experience in threat assessment and risk analysis; integrated physical security systems; and the appropriate identification, implementation, and ongoing evaluation of security measures. Those who earn the PSP are ASIS board certified in physical security.

The **Associate Protection Professional (APP)** designation provides the first "rung" on the security manager's career ladder. It is for those with 1-4 years of security management experience and measures the professional's knowledge of security management fundamentals, business operations, risk management, and response management.

Why Earn an ASIS Certification?

- Validate your security management expertise
- Be globally recognized by your peers and industry
- Get a competitive edge in the marketplace
- Enhance your career and earnings potential
- Broaden experience and training from law enforcement and military backgrounds
- Gain personal satisfaction and professional achievement

You can reach new heights in professional security excellence with an ASIS board certification! Get Involved with ASIS Connects.

UPCOMING EVENTS NOTICE:

Out of an abundance of caution and in order to ensure the safety of all our membership, all ASIS in-person events for the remainder of the year have been cancelled. This was a difficult decision to make as we wish we could see all of you, but we look forward to celebrating and meeting together as soon as we are safely able to do so. We look forward to an exciting 2021 as we continue to bring you relevant learning content and assist ASIS International in planning for GSX to Orlando, Florida!
